

Press Release

FOR IMMEDIATE RELEASE

June 18, 2024

San Benito County would like to clarify the current situation with the County Administrative Officer Ray Espinosa. CAO Espinosa is on a medical leave of absence. Ray considered retirement due to this health issue, but his situation has evolved. During this period, Deputy County Administrative Officer Henie Ring will oversee the county's operations, as Acting CAO. When CAO Espinosa returns, he offered to work with the Board of Supervisors on a previously discussed succession plan to ensure continuity and effective management moving forward. We will continue to update you as information becomes publicly available.
