### **LAW ENFORCEMENT CODE OF ETHICS**

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

- (a) In the event that a CCW endorsement is initially denied, the retired deputy shall have 15 days from the date of denial to request a formal hearing. - (b) Prior to revocation of any CCW endorsement, the Office shall provide the affected retiree with written notice of a hearing by either personal service or first class mail, postage prepaid, return receipt requested to the retiree's last known address (Penal Code § 26315).

- (c) The personal and written notification should be as follows:
  - (a) The retiree's CCW endorsement is immediately and temporarily suspended.
  - (b) The retiree has 15 days to request a hearing to determine whether the temporary suspension should become permanent revocation.
  - (c) The retiree will forfeit his/her right to a hearing and the CCW endorsement will be permanently revoked if the retiree fails to respond to the notice of hearing within the 15-day period.
- (d) In the event that personal contact with the retiree cannot be reasonably achieved in a timely manner, the Shift Sergeant should attempt to make the above notice of temporary suspension through another law enforcement officer. #### **220.8 FIREARM QUALIFICATIONS**

The transfer of the firearm will be conducted internally to the San Benito County Sheriff's Office (Penal Code 27065(a)) and within 10 days of the date that the handgun is transferred to the retiree, the name of the officer and the make, model, and serial number shall be entered into the Automated Firearms System (AFS) via the California Law Enforcement Telecommunications System (CLETS) (Penal Code 27065(b))

## Chapter 3 - General Operations

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this office is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner (Government Code § 7286).

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of force contained in this policy shall apply to all policies addressing the potential use of force, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

Retaliation prohibitions for reporting suspected violations are addressed in the Anti-Retaliation Policy.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Any use of force that creates a substantial risk of causing death or serious bodily injury, including but not limited to the discharge of a firearm (Penal Code § 835a).

**Feasible** - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the deputy or another person (Government Code § 7286(a)).

**Force** - The application of physical techniques or tactics, chemical agents, or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

**Serious bodily injury** - A serious impairment of physical condition, including but not limited to the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement (Penal Code § 243(f)(4)).

**Totality of the circumstances** - All facts known to the deputy at the time, including the conduct of the officer and the subject leading up to the use of force (Penal Code § 835a).

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Deputies are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Deputies must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Use of Force*

---

The Office recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting deputies with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

#### **300.2.1 DUTY TO INTERCEDE**

Any deputy present and observing another law enforcement officer or an employee using force that is clearly beyond that which is necessary, as determined by an objectively reasonable deputy under the circumstances, shall, when in a position to do so, intercede (as defined by Government Code § 7286) to prevent the use of unreasonable force.

When observing force used by a law enforcement officer, each deputy should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject (Government Code § 7286(b)).

#### **300.2.2 FAIR AND UNBIASED USE OF FORCE**

Deputies are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

#### **300.2.3 DUTY TO REPORT EXCESSIVE FORCE**

Any deputy who observes a law enforcement officer or an employee use force that potentially exceeds what the deputy reasonably believes to be necessary shall immediately report these observations to a supervisor (Government Code § 7286(b)).

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

#### **300.2.4 DUTY TO REPORT EXCESSIVE FORCE**

Any deputy who observes a law enforcement officer or an employee use force that potentially exceeds what the deputy reasonably believes to be necessary shall promptly report these observations to a supervisor as soon as feasible (Government Code § 7286(b)).

#### **300.2.5 FAIR AND UNBIASED USE OF FORCE**

Deputies are expected to carry out their duties, including the use of force, in a manner that is fair and unbiased (Government Code § 7286(b)). See the Bias-Based Policing Policy for additional guidance.

#### **300.2.6 FAILURE TO INTERCEDE**

A deputy who has received the required training on the duty to intercede and then fails to act to intercede when required by law, may be disciplined in the same manner as the deputy who used force beyond that which is necessary (Government Code § 7286(b)).

### **300.3 USE OF FORCE**

Deputies shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the deputy at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Use of Force*

---

The reasonableness of force will be judged from the perspective of a reasonable deputy on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that deputies are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation a deputy might encounter, deputies are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident. Deputies may only use a level of force that they reasonably believe is proportional to the seriousness of the suspected offense or the reasonably perceived level of actual or threatened resistance (Government Code § 7286(b)).

It is also recognized that circumstances may arise in which deputies reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Office. Deputies may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires a deputy to retreat or be exposed to possible physical injury before applying reasonable force.

#### 300.3.1 USE OF FORCE TO EFFECT AN ARREST

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall a deputy be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

#### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether a deputy has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- (a) The apparent immediacy and severity of the threat to deputies or others (Penal Code § 835a).
- (b) The conduct of the individual being confronted, as reasonably perceived by the deputy at the time (Penal Code § 835a).
- (c) Deputy/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of deputies available vs. subjects).

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Use of Force*

---

- (d) The conduct of the involved deputy leading up to the use of force (Penal Code § 835a).
- (e) The effects of suspected drugs or alcohol.
- (f) The individual's apparent mental state or capacity (Penal Code § 835a).
- (g) The individual's apparent ability to understand and comply with deputy commands (Penal Code § 835a).
- (h) Proximity of weapons or dangerous improvised devices.
- (i) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (j) The availability of other reasonable and feasible options and their possible effectiveness (Penal Code § 835a).
- (k) Seriousness of the suspected offense or reason for contact with the individual prior to and at the time force is used.
- (l) Training and experience of the deputy.
- (m) Potential for injury to deputies, suspects, bystanders, and others.
- (n) Whether the person appears to be resisting, attempting to evade arrest by flight, or is attacking the deputy.
- (o) The risk and reasonably foreseeable consequences of escape.
- (p) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (q) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the deputy or others.
- (r) Prior contacts with the subject or awareness of any propensity for violence.
- (s) Any other exigent circumstances.

#### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Deputies may only apply those pain compliance techniques for which they have successfully completed office-approved training. Deputies utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the deputy.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the deputy determines that compliance has been achieved.

### *Use of Force*

#### 300.3.4 RESTRICTIONS ON THE USE OF CAROTID CONTROL HOLD

Deputies of this office are not authorized to use a carotid restraint hold. A carotid restraint means a vascular neck restraint or any similar restraint, hold, or other defensive tactic in which pressure is applied to the sides of a person's neck that involves a substantial risk of restricting blood flow and may render the person unconscious in order to subdue or control the person (Government Code § 7286.5).

#### 300.3.5 USE OF FORCE TO SEIZE EVIDENCE

In general, deputies may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, deputies are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, deputies should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Deputies are encouraged to use techniques and methods taught by the San Benito County Sheriff's Office for this specific purpose.

#### 300.3.6 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, deputies should consider actions that may increase deputy safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.
- (b) Formulating a plan with responding deputies before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase deputy jeopardy.

In addition, when reasonable, deputies should evaluate the totality of circumstances presented at the time in each situation and, when feasible, consider and utilize reasonably available alternative tactics and techniques that may persuade an individual to voluntarily comply or may mitigate the need to use a higher level of force to resolve the situation before applying force (Government Code § 7286(b)). Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

#### 300.3.7 ALTERNATIVE TACTICS - DE-ESCALATION

As time and circumstances reasonably permit, and when community and officer safety would not be compromised, deputies should consider actions that may increase deputy safety and may decrease the need for using force:

- (a) Summoning additional resources that are able to respond in a reasonably timely manner.

- (b) Formulating a plan with responding deputies before entering an unstable situation that does not reasonably appear to require immediate intervention.
- (c) Employing other tactics that do not unreasonably increase deputy jeopardy.

Such alternatives may include but are not limited to:

- (a) Attempts to de-escalate a situation.
- (b) If reasonably available, the use of crisis intervention techniques by properly trained personnel.

#### **300.3.8 RESTRICTIONS ON THE USE OF A CHOKE HOLD**

Deputies of this office are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

#### **300.3.9 RESTRICTIONS ON THE USE OF A CHOKE HOLD**

Deputies of this office are not authorized to use a choke hold. A choke hold means any defensive tactic or force option in which direct pressure is applied to a person's trachea or windpipe (Government Code § 7286.5).

#### **300.3.10 ADDITIONAL RESTRICTIONS**

Terms such as "positional asphyxia," "restraint asphyxia," and "excited delirium" continue to remain the subject of debate among experts and medical professionals, are not universally recognized medical conditions, and frequently involve other collateral or controlling factors such as narcotics or alcohol influence or pre-existing medical conditions. While it is impractical to restrict a deputy's use of reasonable control methods when attempting to restrain a combative individual, deputies are not authorized to use any restraint or transportation method which might unreasonably impair an individual's breathing or respiratory capacity for a period beyond the point when the individual has been adequately and safely controlled. Once the individual is safely secured, deputies should promptly check and continuously monitor the individual's condition for signs of medical distress (Government Code § 7286.5).

#### **300.4 DEADLY FORCE APPLICATIONS**

Where feasible, the deputy shall, prior to the use of deadly force, make reasonable efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the deputy has objectively reasonable grounds to believe the person is aware of those facts (Penal Code § 835a).

If an objectively reasonable deputy would consider it safe and feasible to do so under the totality of the circumstances, deputies shall evaluate and use other reasonably available resources and techniques when determining whether to use deadly force. To the extent that it is reasonably

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Use of Force*

---

practical, deputies should consider their surroundings and any potential risks to bystanders prior to discharging a firearm (Government Code § 7286(b)).

The use of deadly force is only justified when the deputy reasonably believes it is necessary in the following circumstances (Penal Code § 835a):

- (a) A deputy may use deadly force to protect themselves or others from what the deputy reasonably believes is an imminent threat of death or serious bodily injury to the deputy or another person.
- (b) A deputy may use deadly force to apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury, if the deputy reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

Deputies shall not use deadly force against a person based on the danger that person poses to themselves, if an objectively reasonable deputy would believe the person does not pose an imminent threat of death or serious bodily injury to the deputy or to another person (Penal Code § 835a).

Additionally, a deputy should not use deadly force against a person whose actions are a threat solely to property.

An "imminent" threat of death or serious bodily injury exists when, based on the totality of the circumstances, a reasonable deputy in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the deputy or another person. A deputy's subjective fear of future harm alone is insufficient as an imminent threat. An imminent threat is one that from appearances is reasonably believed to require instant attention (Penal Code § 835a).

#### 300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of deadly force. When feasible, deputies should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. A deputy should only discharge a firearm at a moving vehicle or its occupants when the deputy reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the deputy or others (Government Code § 7286(b)).

Deputies should not shoot at any part of a vehicle in an attempt to disable the vehicle.

#### 300.4.2 DISPLAYING OF FIREARMS

Given that individuals might perceive the display of a firearm as a potential application of force, deputies should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the deputy does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.

### *Use of Force*

---

- (b) If the deputy reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the deputy no longer perceives such threat.

Once it is reasonably safe to do so, deputies should carefully secure all firearms.

#### **300.4.3 DISPLAYING OF FIREARMS**

Given that individuals might perceive the display of a firearm as a potential application of force, deputies should carefully evaluate each tactical situation and use sound discretion when drawing a firearm in public by considering the following guidelines (Government Code § 7286(b)):

- (a) If the deputy does not initially perceive a threat but reasonably believes that the potential for such threat exists, firearms should generally be kept in the low-ready or other position not directed toward an individual.
- (b) If the deputy reasonably believes that a threat exists based on the totality of circumstances presented at the time (e.g., high-risk stop, tactical entry, armed encounter), firearms may be directed toward such threat until the deputy no longer perceives such threat.

Once it is reasonably safe to do so, deputies should carefully secure all firearms.

#### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this office shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The deputy should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis, and related purposes, the Office may require the completion of additional report forms, as specified in office policy, procedure, or law. See the Report Preparation Policy for additional circumstances that may require documentation.

##### **300.5.1 NOTIFICATION TO SUPERVISORS**

Any use of force by a deputy shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable deputy to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of a conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.

### *Use of Force*

---

- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

As used in this subsection, "immediately" means as soon as it is safe and feasible to do so.

#### **300.5.2 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE**

Statistical data regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is to be reported to the California Department of Justice as required by Government Code § 12525.2. See the Records Center Policy.

#### **300.5.3 REPORT RESTRICTIONS**

Deputies shall not use the term "excited delirium" to describe an individual in an incident report. Deputies may describe the characteristics of an individual's conduct, but shall not generally describe the individual's demeanor, conduct, or physical and mental condition at issue as "excited delirium" (Health and Safety Code § 24402).

#### **300.6 MEDICAL CONSIDERATIONS**

Once it is reasonably safe to do so, properly trained deputies should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident (Government Code § 7286(b)).

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed.

Based upon the deputy's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another deputy and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling deputy shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the deputy reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain, or who require a protracted physical encounter with multiple deputies to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Deputies who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

#### **300.7 SUPERVISOR RESPONSIBILITY**

A supervisor should respond to any reported use of force, if reasonably available. The responding supervisor is expected to (Government Code § 7286(b)):

- (a) Obtain the basic facts from the involved deputies. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
  1. The content of the interview should not be summarized or included in any related criminal charges.
  2. The fact that a recorded interview was conducted should be documented in a property or other report.
  3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
  1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

## Handcuffing and Restraints

### 306.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

#### 306.1.1 DEFINITIONS

WRAP- The WRAP, manufactured by Sage Restraints Inc., was designed as a temporary restraining device. The WRAP immobilizes the body and restricts a subject's ability to kick or do harm to oneself and others. The San Benito County Sheriff's Office has approved the use of the WRAP within the guidelines provided.

### 306.2 POLICY

The San Benito County Sheriff's Office authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, and office training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

### 306.3 USE OF RESTRAINTS

Only members who have successfully completed San Benito County Sheriff's Office-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, deputies should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

#### 306.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of deputies and others. When deciding whether to remove restraints from a detainee, deputies should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

#### 306.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg irons, waist chains, or handcuffs behind the body should not be

### *Handcuffing and Restraints*

---

used unless the deputy has a reasonable suspicion that the person may resist, attempt escape, injure self or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the arrestee, deputies, or others (Penal Code § 3407; Penal Code § 6030).

#### **306.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the deputy has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the deputy, or damage property.

#### **306.3.4 NOTIFICATIONS**

Whenever a deputy transports a person with the use of restraints other than handcuffs, the deputy shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the deputy reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

#### **306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Office. Deputies should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, deputies should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations, handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, deputies should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

#### **306.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Handcuffing and Restraints*

---

Spit hoods may be placed upon persons in custody when the deputy reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Deputies utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and so that the restrained person can breathe normally. Deputies should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Deputies should avoid comingling those wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated, including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

#### **306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons, the WRAP restraint, and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only office-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

#### **306.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the Office shall be used.

In determining whether to use the leg restraint, deputies should consider:

- (a) Whether the deputy or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting deputy while handcuffed, kicking at objects or deputies).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

##### **306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS**

When applying leg restraints, the following guidelines should be followed:

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Handcuffing and Restraints*

---

- (a) If practicable, deputies should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the deputy arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by a deputy while in the leg restraint. The deputy should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The deputy should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by a deputy when requested by medical personnel. The transporting deputy should describe to medical personnel any unusual behaviors or other circumstances the deputy reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

#### **306.8 REQUIRED DOCUMENTATION**

If a person is restrained and released without an arrest, the deputy shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of handcuffs or other restraints shall be documented in the related report.

Deputies should document the following information in reports, as appropriate, when restraints other than handcuffs are used on a person:

- (a) The factors that led to the decision to use restraints.
- (b) Supervisor notification and approval of restraint use.
- (c) The types of restraint used.
- (d) The amount of time the person was restrained.
- (e) How the person was transported and the position of the person during transport.
- (f) Observations of the person's behavior and any signs of physiological problems.
- (g) Any known or suspected drug use or other medical problems.

#### **306.9 APPLICATION OF THE WRAP RESTRAINT DEVICE**

The WRAP is designed to prevent injury to the subject in custody or another person, or to prevent property damage caused by the suspect using their legs in a manner likely to result in injury or damage. It is recommended that three or more Deputies should be used to apply the WRAP to a violent or combative subject, but a minimum of two can safely and securely apply the WRAP. Only

### *Handcuffing and Restraints*

---

qualified personnel who have received training in the use of the WRAP should use this restraining device.

The WRAP can be used prior to or after a violent or potentially violent/combatative subject is controlled using approved methods. Once applied, the subject shall not be left unattended. Once the subject is properly restrained in the WRAP, he/she can be placed on his/her side or in a sitting position. With supervisor approval, the WRAP can be used to assist outside agencies.

When the WRAP is applied in a custody setting, all Custody Division policies pertaining to Use of Restraints will be in effect.

The following guidelines shall be used when applying the WRAP restraint:

- (a) When practical, Deputies should notify dispatch of the intent to apply the WRAP restraint.
- (b) A supervisor shall be notified as soon as practical after the application of the WRAP restraint.
- (c) Absent a medical emergency, the subject being restrained shall remain restrained until arrival at the jail, or other facility, or the subject no longer poses a threat.
- (d) A Deputy shall monitor the restrained suspect.
- (e) The Deputy shall watch for signs of labored breathing and seek medical attention when needed.

#### 306.9.1 TRANSPORTATION

When transporting a suspect who has been restrained, Deputies shall observe the following procedures:

- (a) Prior to vehicle transportation, re-check all belts to ensure that they are securely fastened.
- (b) Suspects shall be seated in an upright position and should be secured by a seatbelt when doing so would not compromise officer safety. When the suspect cannot be transported in a seated position, he/she shall be taken by ambulance/paramedic unit.
- (c) When taken by ambulance/paramedic unit, a Deputy shall accompany or follow the suspect.
- (d) In all cases of suspected Acute Behavioral Disturbances, subjects shall be transported by ambulance to the hospital and a Deputy shall accompany the suspect.

#### 306.9.2 PRECAUTIONS

The following precautions should be taken whenever any person has been placed into the WRAP:

- (a) The shoulder harness should never be tightened to the point that it interferes with the subject's ability to breath.
- (b) If the restrained subject complains of or shows of breathing distress (shortness of breath, sudden calmness, a change of facial color, ect..) medical attention should be provided immediately.

# San Benito County Sheriff's Office

### *Handcuffing and Restraints*

---

- (c) The subject shall never be left unattended.
- (d) Subjects should be placed in an upright sitting position, or on their side as soon as possible to allow for respiratory recovery.
- (e) The WRAP is to be used only by personnel trained by the agency in its use.

#### **306.9.3 REPORTING REQUIREMENTS**

Anytime the WRAP is used, the circumstances requiring the use shall be documented in the Deputy's report. Additionally, if the WRAP is used to assist an outside agency, the Deputy shall document the use of the WRAP in a report. The Deputy should include the following in the report:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's physical actions and any other reasons justifying use of the WRAP.
- (d) Any known or suspected drug use or any other medical problems.

#### **306.10 TRAINING**

Subject to available resources, the Training Sergeant should ensure that deputies receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Office.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

## Control Devices and Techniques

### 308.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### 308.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the San Benito County Sheriff's Office authorizes deputies to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

### 308.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Sheriff or the authorized designee.

Only deputies who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, deputies should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### 308.4 RESPONSIBILITIES

#### 308.4.1 WATCHCOMMANDER RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

#### 308.4.2 RANGEMASTER RESPONSIBILITIES

The Rangemaster shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Rangemaster or the designated instructor for a particular control device. The inspection shall be documented.

#### 308.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Control Devices and Techniques*

---

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to County property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

#### **308.5 IMPACT WEAPON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

When carrying a department authorized Impact weapon, uniformed personnel shall carry the impact weapon in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the impact weapon as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

#### **308.6 TEAR GAS GUIDELINES**

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Sergeant, Incident Commander or Crisis Response Unit Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

#### **308.7 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

##### **308.7.1 OC SPRAY**

Uniformed personnel carrying OC/Pepper spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC/Pepper spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

##### **308.7.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should

---

not intentionally target those areas, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

Deputies encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

#### **308.7.3 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC/Pepper spray should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

#### **308.8 USE OF KINETIC ENERGY PROJECTILES BY SWAT**

Deputies assigned to the Crisis Response Unit, who have completed a departmental training course may carry and employ 12 gauge or 37/40 mm projectiles while on duty or while performing Special Weapons and Tactics (SWAT) missions.

#### **308.9 POST-APPLICATION NOTICE**

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, deputies should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

#### **308.10 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

##### **308.10.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Deputies are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved deputy determines that deployment of these munitions cannot be done

---

safely. The safety of hostages, innocent persons and deputies takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or deputies.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

#### 308.10.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the deputy should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other deputies and individuals that the device is being deployed.

Deputies should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, deputies are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the deputy reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the deputy or others.

#### 308.10.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Control Devices and Techniques*

---

Deputies will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When not deployed, the shotgun shall be properly secured in a locking weapons rack in the patrol vehicle with the magazine loaded, the action closed on an empty chamber, the trigger pulled to release the hammer and the safety in the safe position.

Absent compelling circumstances, deputies who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second deputy watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

#### **308.11 TRAINING FOR CONTROL DEVICES**

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the deputy's training file.
- (c) Deputies who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If a deputy cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the deputy will be restricted from carrying the control device and may be subject to discipline.

#### **308.12 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

## Conducted Energy Device

### 309.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of Conducted Energy Devices (CED).

Currently, the San Benito County Sheriff's Office issues and deploys the "TASER 10" or the "TASER X26". Those devices are referred to within this policy as "CED's".

### 309.2 POLICY

The CED is intended to control a violent, potentially violent or threatening individual while minimizing the risk of serious injury. The appropriate use of such a device may result in fewer serious injuries to deputies and suspects.

### 309.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed office-approved training may be issued and may carry the CED.

The CED Coordinator should Keep a log of issued CED devices, and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the office inventory.

Deputies shall only use the CED and cartridges/magazines that have been issued by the Office. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed deputies who have been issued the CED shall wear the device in an appropriate and approved holster.

Deputies who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon (Penal Code § 13660).

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices (TASER X26), whenever practicable, deputies should carry an additional cartridge on their person when carrying the CED.
- (c) Deputies should not hold a firearm and the CED at the same time.

Non-uniformed deputies may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

#### 309.3.1 DEFINITION OF TERMS

The following terms and their definitions apply to this CED policy.

(a) **Displayed** - The CED is withdrawn from the holster and visible to the subject. Without further use of the CED, the subject complies.

(b) **Arc Display** "" The CED is withdrawn from the holster, cartridge removed from the CED and the electrical arcing is demonstrated to the subject to gain compliance.

(c) **Deployed/Used/Fired** "" The firing of the CED cartridge whether or not the probes contact the subject's body or clothing, and/or the use of a "drive stun" to effect compliance.

(d) **Enforcement Situation** "" Any situation where a Deputy is taking enforcement action when the course and scope of his/her duties as a peace officer.

(e) **Accidental Discharge** "" The accidental firing of the CED air cartridge whether or not the result of negligent handling.

(f) **Warning Alert** "" The CED ("Taser 10") is withdrawn from the holster and a warning alert is activated. A warning alert is 1000 lumens of pulsing light specifically focused on the target and a loud alert sound to serve as an auditory warning of the potential CED use.

#### 309.3.2 USER RESPONSIBILITIES

Deputies shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the deputy's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the "CED Coordinator for disposition. Deputies shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

#### 309.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of deputies or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other deputies and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with a deputy's lawful orders and it appears both reasonable and feasible under the circumstances, the deputy may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the deputy deploying the CED in the related report.

#### 309.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although

---

the CED may be effective in controlling most individuals, deputies should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, a deputy designated as lethal cover for any deputy deploying a CED may be considered for officer safety.

#### 309.5.1 APPLICATION OF THE CED

The CED may be used, when the circumstances reasonably perceived by the deputy at the time indicate that such application reasonably appears necessary to control a person who:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm deputies, themselves or others.

Mere flight from a pursuing deputy, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

#### 309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the deputy, the subject or others, and the deputy reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Any CED capable of being applied in the drive-stun mode (i.e., direct contact without probes as a primary form of pain compliance) should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between deputies and the subject, thereby giving deputies time and distance to consider other force options or actions.

#### 309.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, deputies should attempt to target the back, lower center

---

mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

#### 309.5.4 MULTIPLE APPLICATIONS OF THE CED

Deputies should apply the CED for only one standard cycle and then evaluate the situation before applying a subsequent cycle. Multiple applications of the CED against a single individual is generally not recommended and should be avoided unless the Deputy reasonably believes that the need to control the individual outweighs the potential increased risk posed by multiple applications.

Once a deputy has successfully deployed two probes on the subject, the deputy should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors deputies may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Deputies should generally not apply more than one CED at a time against a single subject. Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the deputy must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

#### 309.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Deputies should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, deputies shall notify a supervisor any time the CED has been discharged. If needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin. (This procedure is for those who have deployed the "TASER X26" CED.

#### 309.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal (such as a dog) as part of a plan to deal with a potentially dangerous animal if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

#### 309.5.7 OFF-DUTY CONSIDERATIONS

Deputies are not authorized to carry office CEDs while off-duty.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Conducted Energy Device*

---

Deputies shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

#### **309.6 DOCUMENTATION**

Deputies shall document all CED discharges in the related arrest/crime reports. Photographs should be taken of any obvious probe impact or drive-stun application sites and attached to the report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after deployment on a subject should be done as soon as practicable using a office-approved process to preserve the data such as using Data logs from "Evidence.com".

##### **309.6.1 REPORTS**

As applicable, based on the device type, the following information should be included in the applicable arrest/crime report:

- (a) The brand, model, and serial number of the CED and any cartridge/magazine serial number.
- (b) Date, time, and location of the incident.
- (c) Identification of all personnel firing CED's.
- (d) Identification of all witnesses.
- (e) Whether any warning, display, laser, or arc deterred a subject and gained compliance.
- (f) The number of probes deployed, CED activations, the duration of each cycle, the duration between activations, and (as best as can be determined) the duration that the subject received applications.
- (g) The range at which the CED was used.
- (h) The type of mode used (e.g., probe deployment, drive-stun).
- (i) Location of any probe impact.
- (j) Location of contact in drive-stun mode.
- (k) Description of where missed probes went.
- (l) Whether medical care was provided to the subject.
- (m) Observation of the subjects physical and psychological actions.
- (n) Whether the subject sustained any injuries.
- (o) Any known or suspected drug use, intoxication, or other medical problems
- (p) Whether any deputies sustained any injuries.

The Training Sergeant should periodically analyze the report forms to identify trends, including deterrence and effectiveness. The Training Sergeant should also conduct audits of CED device data downloaded to an approved location and reconcile CED report forms with

recorded activations. CED information and statistics, with identifying information removed, should periodically be made available to the public.

#### **309.6.2 AUTHORIZED TASER TRAINERS**

Authorized personnel (as TASER is the authorized CED of the San Benito County Sheriff's Office) shall be trained in the usage of the X26 TASER or TASER 10 per TASER Internationals guidelines. Additionally authorized personnel shall be re-certified each year per TASER International guidelines. Authorized employees certified to carry the TASER X26 or TASER 10 shall receive refresher training with the TASER quarterly.

Sheriff's Office TASER instructors shall attend an authorized TASER Instructors course. TASER Instructors shall attend updated training courses every two-years. (For as long as the "TASER" CED is the authorized CED of the San Benito County Sheriff's Office.

#### **309.6.3 CED MAINTENANCE**

Each X26 TASER issued by the San Benito County Sheriff's Office shall have its firing data downloaded and internal clock synchronized quarterly by the Sheriff's Office authorized CED Coordinator or Instructor. All maintenance of issued X26 TASER's shall be performed by the San Benito County Sheriff's Office authorized Technician.

For Deputies who have been trained and issued the "TASER 10" CED, once every thirty (30) days or after the CED is deployed, the Deputy shall remove the CED battery and place the battery in the charging bay in there designated workplace or substation to allow the internal data to be uploaded to "Evidence.com". Deputies will replace the battery with a fully charged battery from the charging bay.

The CED ("TASER 10") Monitoring Database will be maintained by the CED Coordinator through "Evidence.com". The Database will list each "TASER 10" device assigned to an individual deputy, including the Deputy's name and badge number. If a "TASER 10" in not assigned to an individual Deputy, the Database will include which Division or work group unit each device has been assigned too. In the event of discharge or replacement of any CED equipment, the Database will be updated by the CED Coordinator. The CED Coordinator shall also maintain an inventory of all equipment. The Database shall be audited not less than once per year by the CED Coordinator or the authorized designee.

#### **309.7 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or deputies trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken. Probes shall be placed into a "Sharps" container and be appropriately disposed of. Probes should not be booked into evidence.

All persons who have been struck by CED probes or who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically

assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.
- (f) The person was exposed to multiple or prolonged applications of the CED (i.e., more than 15 seconds).

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another deputy and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting deputy shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

#### **309.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or CED Coordinator/Instructor saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

#### **309.9 TRAINING**

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial office-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of a deputy's knowledge and/or practical skills may be required at any time, if

deemed appropriate by the Training Sergeant. All training and proficiency for CEDs will be documented in the deputy's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Deputies who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with deputies who use the device.

The Training Sergeant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Training Sergeant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.

- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.

- (j) Proper tactics and techniques related to multiple applications of CEDs.

## Officer-Involved Shootings and Deaths

### 310.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of another action of a deputy.

In other incidents not covered by this policy, the Sheriff may decide that the investigation will follow the process provided in this policy.

### 310.2 POLICY

The policy of the San Benito County Sheriff's Office is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

### 310.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved deputies.
- A civil investigation to determine potential liability.

### 310.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

#### 310.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the San Benito County Sheriff's Office would control the investigation if the suspect's crime occurred in San Benito.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Sheriff and with concurrence from the other agency.

### *Officer-Involved Shootings and Deaths*

---

#### 310.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved deputy's conduct during the incident will be determined by the employing agency's protocol. When a deputy from this office is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this office to investigate a shooting or death involving an outside agency's officer shall be referred to the Sheriff or the authorized designee for approval.

#### 310.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

### **310.5 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

#### 310.5.1 UNINVOLVED DEPUTY RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting, the first uninvolved SBSO deputy will be the deputy-in-charge and will assume the responsibilities of a supervisor until properly relieved. This deputy should, as appropriate:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any SBSO deputy to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and the Communications Center. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional SBSO members until properly relieved by another supervisor or other assigned personnel or investigator.

  2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other deputies.

#### 310.5.5 INVOLVED OFFICERS

### *Officer-Involved Shootings and Deaths*

1. Involved SBSO deputies shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  2. Requests from involved non-SBSO officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information (Government Code § 3303(i)).
- (d) A licensed psychotherapist shall be provided by the Office to each involved SBSO deputy. A licensed psychotherapist may also be provided to any other affected SBSO members, upon request.
1. Interviews with a licensed psychotherapist will be considered privileged.
  2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) Communications between the involved deputy and a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved SBSO deputy shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

#### **310.5.6 NOTIFICATION TO DEPARTMENT OF JUSTICE**

The California Department of Justice (DOJ) is required to investigate an officer-involved shooting resulting in the death of an unarmed civilian. The Shift Sergeant should promptly notify the DOJ in all incidents involving an officer-involved shooting resulting in the death of an unarmed civilian, including where it is undetermined if the civilian was unarmed.

For purposes of notification, "unarmed civilian" means anyone who is not in possession of a deadly weapon (Government Code § 12525.3).

#### **310.6 CRIMINAL INVESTIGATION**

The District Attorney's Office is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Officer-Involved Shootings and Deaths*

---

If available, investigative personnel from this office may be assigned to partner with investigators from outside agencies or the District Attorney's Office to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) SBSO supervisors and Internal Affairs Unit personnel should not participate directly in any voluntary interview of SBSO deputies. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of the officer's choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved deputies shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally, or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

#### 310.6.1 REPORTS BY INVOLVED SBSO DEPUTIES

In the event that suspects remain outstanding or subject to prosecution for related offenses, this office shall retain the authority to require involved SBSO deputies to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals (Government Code § 3304(a)).

While the involved SBSO deputy may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved SBSO deputy of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

#### 310.6.2 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Investigation Bureau supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Office investigators will be assigned to work with investigators from the District Attorney's Office and may be assigned to separately handle the investigation of any related crimes not being investigated by the District Attorney's Office.

All related office reports, except administrative and/or privileged reports, will be forwarded to the designated Investigation Bureau supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Sheriff or his designee.

#### 310.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this office will conduct an internal administrative investigation of SBSO deputies to determine conformance with office policy. The investigation will be conducted under the supervision of the Internal Affairs Unit and will be considered a confidential deputy personnel file.

Interviews of members shall be subject to office policies and applicable laws (see the Personnel Complaints Policy).

- (a) Any deputy involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the deputy, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any deputy has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved deputy.
  1. If a further interview of the deputy is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved deputy shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved deputy has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the deputy's physical and psychological needs have been addressed before commencing the interview.
  2. If requested, the deputy shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual deputy's statement, involved deputies shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed (Government Code § 3303(i)).

3. Administrative interviews should be recorded by the investigator. The deputy may also record the interview (Government Code § 3303(g)).
4. The deputy shall be informed of the nature of the investigation. If a deputy refuses to answer questions, he/she should be given his/her *Lybarger* or *Garrity* rights and ordered to provide full and truthful answers to all questions. The deputy shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The Internal Affairs Unit shall compile all relevant information and reports necessary for the Office to determine compliance with applicable policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

#### **310.8 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or County Counsel's Office, as appropriate.

#### **310.9 CIVIL LIABILITY RESPONSE**

A member of this office may be assigned to work exclusively under the direction of the legal counsel for the Office to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

#### **310.10 DEBRIEFING**

Following an officer-involved shooting or death, the San Benito County Sheriff's Office should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

#### 310.10.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Sheriff should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

#### **310.11 MEDIA RELATIONS**

Any media release shall be prepared with input and concurrence from the supervisor and office representative responsible for each phase of the investigation. Releases will be available to the Shift Sergeant, Investigation Sheriff or his designee and Public Information Officer in the event of inquiries from the media.

The Office shall not subject any involved SBSO deputy to visits by the media (Government Code § 3303(e)). No involved SBSO deputy shall make any comment to the media unless he/she is authorized by the Sheriff or a Sheriff or his designee. Office members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

#### **310.12 REPORTING**

If the death of an individual occurs in the San Benito County Sheriff's Office jurisdiction and qualifies to be reported to the state as a justifiable homicide or an in-custody death, the Patrol Sheriff or his designee will ensure that the Records Supervisor is provided with enough information to meet the reporting requirements (Penal Code § 196; Penal Code § 13022; Government Code § 12525).

## Firearms

Replacements for unserviceable or depleted ammunition issued by the Office shall be dispensed by the Rangemaster when needed, in accordance with established policy.

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.

- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Office to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Office or a Rangemaster approved by the Office for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

#### 312.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and

loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Office-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

#### 312.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit office-issued firearms to be handled by anyone not authorized by the Office to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

#### 312.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

#### 312.5.4 STORAGE IN VEHICLES

When leaving a handgun in an unattended vehicle, members shall ensure that it is locked in the trunk, or in a locked container that is placed out of view, or in a locked container that is permanently affixed to the vehicle's interior and not in plain view, or in a locked toolbox or utility box permanently affixed to the vehicle (Penal Code § 25140; Penal Code § 25452).

If the vehicle does not have a trunk or a locked container, then the firearm should be locked within the center utility console that can be locked with a padlock, keylock, combination lock, or other similar locking device (Penal Code § 25140).

Deputies are exempt from these requirements during circumstances requiring immediate aid or action in the course of official duties (Penal Code § 25140).

### **312.6 FIREARMS TRAINING AND QUALIFICATIONS**

All members who carry a firearm while on-duty are required to successfully complete training annually with their duty firearms. In addition to annual training, all members will qualify at least quarterly with their duty firearms. Members will qualify with off-duty and secondary firearms annually. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

Temporary Extra Help Deputies (Court Security) shall qualify annually.

#### 312.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
  - 1. Unauthorized range make-up
  - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

#### **312.7 FIREARM DISCHARGE**

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Sheriff or his designee or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

#### 312.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, office members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device, oleoresin capsicum (OC) spray, animal

control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

#### **312.7.2 INJURED ANIMALS**

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical.

Stray or abandoned injured animals that may be moved or taken to an available veterinarian should not be euthanized. With supervisor approval, abandoned injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made. Injured dogs and cats found without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed (Penal Code § 597.1).

#### **312.7.3 WARNING AND OTHER SHOTS**

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots should not be used.

### **312.8 RANGEMASTER DUTIES**

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-qualification.

The range shall remain operational and accessible to office members during hours established by the Office.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this office to verify proper operation. The Rangemaster has the authority to deem any office-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Office, a list of each member who completes the training. The Rangemaster should keep

accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Sergeant.

#### **312.9 FLYING WHILE ARMED**

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to deputies who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Deputies wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Office based on the law and published TSA rules.
- (b) Deputies must carry their San Benito County Sheriff's Office identification card, bearing the deputy's name, a full-face photograph, identification number, the deputy's signature and the signature of the Sheriff or the official seal of the Office and must present this identification to airline officials when requested. The deputy should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver license, passport).
- (c) The San Benito County Sheriff's Office must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the deputy's travel. If approved, TSA will send the San Benito County Sheriff's Office an NLETS message containing a unique alphanumeric identifier. The deputy must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Sheriff authorizing armed travel may also accompany the deputy. The letter should outline the deputy's need to fly armed, detail his/her itinerary, and include that the deputy has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Deputies must have completed the mandated TSA security training covering deputies flying while armed. The training shall be given by the office-appointed instructor.
- (f) It is the deputy's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any deputy flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The deputy must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Deputies should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Deputies shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

#### **312.10 CARRYING FIREARMS OUT OF STATE**

Qualified, active, full-time deputies of this office are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The deputy shall carry his/her San Benito County Sheriff's Office identification card whenever carrying such firearm.
- (b) The deputy is not the subject of any current disciplinary action.
- (c) The deputy may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The deputy will remain subject to this and all other office policies (including qualifying and training).

Deputies are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield a deputy from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

## Vehicle Pursuits

### 314.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved deputies, the public, and fleeing suspects.

#### 314.1.1 DEFINITIONS

**Blocking** - A low-speed tactic where one or more authorized sheriff's office emergency vehicles intentionally restrict the movement of a suspect vehicle, with the goal of containment or preventing a pursuit. Blocking is not boxing in or a roadblock.

**Boxing-in** - A tactic designed to stop a suspect's moving vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention** - An attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT (known as Pursuit Intervention Technique or Precision Immobilization Technique), ramming, or roadblock procedures.

**Pursuit Intervention Technique (PIT)** - A low-speed tactic intentionally applied to cause the suspect vehicle to spin out and terminate the pursuit.

**Ramming** - The deliberate act of impacting a suspect's vehicle with another vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the suspect's vehicle.

**Tire deflation device** - A device that extends across the roadway designed to puncture the tires of the pursued vehicle, sometimes referred to as spike strips.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit

**Vehicle Pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a motor vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly, or driving in a legal manner but willfully failing to yield to a deputy's signal to stop.

### 314.2 DEPUTY RESPONSIBILITIES

Vehicle pursuits shall only be conducted using authorized sheriff's office emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by Vehicle Code §

### *Vehicle Pursuits*

---

21055. Deputies are responsible for continuously driving with due regard and caution for the safety of all persons and property (Vehicle Code § 21056).

#### 314.2.1 WHEN TO INITIATE A PURSUIT

Deputies are authorized to initiate a pursuit when the deputy reasonably believes that a suspect, who has been given appropriate signal to stop by a law enforcement officer, is attempting to evade arrest or detention by fleeing in a vehicle.

Factors that should be considered in deciding whether to initiate a pursuit include:

- (a) The seriousness of the known or reasonably suspected crime and its relationship to community safety.
- (b) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to deputies, innocent motorists, and others.
- (c) The safety of the public in the area of the pursuit, including the type of area, time of day, the amount of vehicular and pedestrian traffic (e.g., school zones), and the speed of the pursuit relative to these factors.
- (d) The pursuing deputies' familiarity with the area of the pursuit, the quality of radio communications between the pursuing units and the dispatcher supervisor, and the driving capabilities of the pursuing deputies under the conditions of the pursuit.
- (e) Whether weather, traffic, and road conditions unreasonably increase the danger of the pursuit when weighed against the risk of the suspect's escape.
- (f) Whether the identity of the suspect has been verified and whether there is comparatively minimal risk in allowing the suspect to be apprehended at a later time.
- (g) The performance capabilities of the vehicles used in the pursuit in relation to the speeds and other conditions of the pursuit.
- (h) Emergency lighting and siren limitations on unmarked sheriff's office vehicles that may reduce visibility of the vehicle, such as visor or dash-mounted lights, concealable or temporary emergency lighting equipment, and concealed or obstructed siren positioning.
- (i) Suspect and deputy vehicle speeds.
- (j) Other persons in or on the pursued vehicle (e.g., passengers, co-offenders, hostages).
- (k) Availability of other resources such as air support or vehicle locator or deactivation technology.

#### 314.2.2 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the deputy or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Vehicle Pursuits*

---

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Deputies and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves, and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time and/or distance.
- (b) The pursued vehicle's location is no longer definitely known.
- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the deputies, or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence, risk of serious harm, or weapons (independent of the pursuit) are generally discouraged.

#### **314.2.3 SPEED LIMITS**

The speed of a pursuit is a factor that should be evaluated on a continuing basis by the deputy and supervisor. Evaluation of vehicle speeds should take into consideration public safety, officer safety, and the safety of the occupants of the fleeing vehicle.

Should high vehicle speeds be reached during a pursuit, deputies and supervisors should also consider these factors when determining the reasonableness of the speed of the pursuit:

- (a) Pursuit speeds have become unreasonably unsafe for the surrounding conditions.
- (b) Pursuit speeds have exceeded the driving ability of the deputy.
- (c) Pursuit speeds are beyond the capabilities of the pursuit vehicle thus making its operation unsafe.

#### **314.3 PURSUIT UNITS**

When involved in a pursuit, unmarked sheriff's office emergency vehicles should be replaced by marked emergency vehicles whenever practicable

Vehicle pursuits should be limited to three vehicles (two units and a supervisor); however, the number of units involved may vary with the circumstances.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Vehicle Pursuits*

---

A deputy or supervisor may request additional units to join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of deputies involved may be insufficient to safely arrest the suspects. All other deputies should stay out of the pursuit, but should remain alert to its progress and location. Any deputy who drops out of a pursuit may then, if necessary, proceed to the termination point at legal speeds, following the appropriate rules of the road.

#### 314.3.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT

Deputies operating vehicles not equipped with red light and siren are prohibited from initiating or joining in any pursuit.

#### 314.3.2 PRIMARY UNIT RESPONSIBILITIES

The initial pursuing unit will be designated as the primary pursuit unit and will be responsible for the conduct of the pursuit unless the deputy is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the deputy initiating the pursuit is the apprehension of the suspects without unreasonable danger to any person.

The primary unit should notify the dispatcher commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including but not limited to:

- (a) The location, direction of travel, and estimated speed of the suspect's vehicle.
- (b) The description of the suspect's vehicle including license plate number, if known.
- (c) The reason for the pursuit.
- (d) Known or suspected weapons. Threat of force, violence, injuries, hostages, or other unusual hazards.
- (e) The suspected number of occupants and identity or description.
- (f) The weather, road, and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or secondary unit, the deputy in the primary unit is responsible for the broadcasting of the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing deputy should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to a secondary unit or air support joining the pursuit to minimize distractions and allow the primary pursuing deputy to concentrate foremost on safe pursuit tactics.

#### 314.3.3 SECONDARY UNIT RESPONSIBILITIES

The second deputy in the pursuit will be designated as the secondary unit and is responsible for:

- (a) Immediately notifying the dispatcher of entry into the pursuit.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Vehicle Pursuits*

---

- (b) Remaining a safe distance behind the primary unit unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting the progress, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (d) Identifying the need for additional resources or equipment as appropriate.
- (e) Serving as backup to the primary pursuing deputy once the suspect has been stopped.

#### 314.3.4 PURSUIT DRIVING

The decision to use specific driving tactics requires the same assessment of the factors the deputy considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for units involved in the pursuit:

- (a) Deputies, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  - 1. Available units not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.
  - 2. Pursuing units should exercise due regard and caution when proceeding through controlled intersections.
- (c) As a general rule, deputies should not pursue a vehicle driving left of center (wrong way) against traffic. In the event that the pursued vehicle does so, the following tactics should be considered:
  - 1. Requesting assistance from available air support.
  - 2. Maintain visual contact with the pursued vehicle by paralleling it on the correct side of the roadway.
  - 3. Request other units to observe exits available to the suspects.
- (d) Notify the California Highway Patrol (CHP) and/or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Deputies involved in a pursuit should not attempt to pass other units unless the situation indicates otherwise or they are requested to do so by the primary unit and with a clear understanding of the maneuver process between the involved units.

#### 314.3.5 PURSUIT TRAILING

In the event the initiating unit from this agency either relinquishes control of the pursuit to another unit or jurisdiction, that initiating unit may, with permission of a supervisor, trail the pursuit to the termination point in order to provide information and assistance for the arrest of the suspects and reporting the incident.

#### 314.3.6 AIR SUPPORT ASSISTANCE

When available, air support assistance should be requested. Once the air unit has established visual contact with the pursued vehicle, the unit should assume control over the pursuit. The primary and secondary ground units, or involved supervisor, will maintain operational control but should consider whether the participation of air support warrants the continued close proximity and/or involvement of ground units in the pursuit.

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit and provide deputies and supervisors with details of upcoming traffic congestion, road hazards, or other pertinent information to evaluate whether to continue the pursuit. If ground units are not within visual contact of the pursued vehicle and the air support unit determines that it is unsafe to continue the pursuit, the air support unit should recommend terminating the pursuit.

#### 314.3.7 UNITS NOT INVOLVED IN THE PURSUIT

There should be no paralleling of the pursuit route. Deputies are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Deputies should remain in their assigned area and should not become involved with the pursuit unless directed otherwise by a supervisor.

The primary and secondary units should be the only units operating under emergency conditions (red light and siren) unless other units are assigned to the pursuit.

### **314.4 SUPERVISORY CONTROL AND RESPONSIBILITIES**

Available supervisory and management control will be exercised over all vehicle pursuits involving deputies from this office.

The field supervisor of the deputy initiating the pursuit, or if unavailable, the nearest field supervisor will be responsible for:

- (a) Immediately notifying involved unit and the dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.
- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required number of units are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in the supervisor's judgment, it is unreasonable to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines, or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Shift Sergeant is notified of the pursuit as soon as practicable.

- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this office.
- (j) Controlling and managing San Benito County Sheriff's Office units when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit.
  - 1. Supervisors should initiate follow up or additional review when appropriate.

#### 314.4.1 SHIFT SERGEANT RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. Once notified, the Shift Sergeant has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

The Shift Sergeant shall review all pertinent reports for content and forward to the Sheriff or his designee.

#### **314.5 THE COMMUNICATIONS CENTER**

If the pursuit is confined within the County limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this office or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies and units.

#### 314.5.1 THE COMMUNICATIONS CENTER RESPONSIBILITIES

Upon notification or becoming aware that a pursuit has been initiated, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved units and personnel.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notify the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

#### 314.5.2 LOSS OF PURSUED VEHICLE

When the pursued vehicle is lost, the primary unit should broadcast pertinent information to assist other units in locating suspects. The primary unit or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

#### **314.6 INTER-JURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary deputy or supervisor, taking into consideration distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit. Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary deputy or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

##### **314.6.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Deputies will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the San Benito County Sheriff's Office is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved deputies may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports. Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific.

##### **314.6.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit is responsible for conducting the pursuit. Units from this office should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single unit from the initiating agency is in pursuit. Under this circumstance, a supervisor may authorize units from this office to join the pursuit until sufficient units from the initiating agency join the pursuit or until additional information is provided allowing withdrawal of the pursuit.

When a request is made for this office to assist or take over a pursuit that has entered the jurisdiction of San Benito County Sheriff's Office, the supervisor should consider:

- (a) The public's safety within this jurisdiction.
- (b) The safety of the pursuing deputies.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Shift Sergeant should review a request for assistance from another agency. The Shift Sergeant or supervisor, after considering the above factors, may decline to assist in, or assume the other agency's pursuit.

Assistance to a pursuing allied agency by deputies of this office will terminate at the County limits provided that the pursuing officers have sufficient assistance from other sources. Ongoing participation from this office may continue only until sufficient assistance is present.

### *Vehicle Pursuits*

---

In the event that a pursuit from another agency terminates within this jurisdiction, deputies should provide appropriate assistance to officers from the allied agency including but not limited to scene control, coordination and completion of supplemental reports, and any other reasonable assistance requested or needed.

#### **314.7 WHEN PURSUIT INTERVENTION IS AUTHORIZED**

Whenever practicable, a deputy shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, deputies/supervisors should balance the risks of allowing the pursuit to continue with the potential hazards to the public arising from the use of each tactic, the deputies, and persons in or on the pursued vehicle to determine which, if any, intervention tactic may be reasonable.

##### **314.7.1 INTERVENTION STANDARDS**

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the deputies, the public, or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and subject to the policies guiding such use. Deputies should consider these facts and requirements prior to deciding how, when, where, and if an intervention tactic should be employed.

- (a) Blocking should only be used after giving consideration to the following:
  - 1. The technique should only be used by deputies who have received training in the technique.
  - 2. The need to immediately stop the suspect vehicle or prevent it from leaving reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  - 3. It reasonably appears the technique will contain or prevent the pursuit.
- (b) The PIT should only be used after giving consideration to the following:
  - 1. The technique should only be used by deputies who have received training in the technique, including speed restrictions.
  - 2. Supervisory approval should be obtained before using the technique.
  - 3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  - 4. It reasonably appears the technique will terminate or prevent the pursuit.
- (c) Ramming a fleeing vehicle should only be done after giving consideration to the following:
  - 1. Supervisory approval should be obtained before using the technique.
  - 2. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  - 3. It reasonably appears the technique will terminate or prevent the pursuit.

4. Ramming may be used only under circumstances when deadly force would be authorized.
  5. Ramming may be used when all other reasonable alternatives have been exhausted or reasonably appear ineffective.
- (d) Before attempting to box a suspect vehicle during a pursuit the following should be considered:
1. The technique should only be used by deputies who have received training in the technique.
  2. Supervisory approval should be obtained before using the technique.
  3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  4. It reasonably appears the technique will terminate or prevent the pursuit.
- (e) Tire deflation devices should only be used after considering the following:
1. Tire deflation devices should only be used by deputies who have received training in their use.
  2. Supervisory approval should be obtained before using tire deflation devices.
  3. The need to immediately stop the suspect vehicle reasonably appears to outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  4. It reasonably appears the use will terminate or prevent the pursuit.
  5. Tire deflation devices should not be used when the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials, or a school bus transporting children, except in extraordinary circumstances.
  6. Due to the increased risk to deputies deploying tire deflation devices, such deployment should be communicated to all involved personnel.
- (f) Roadblocks should only be used after considering the following:
1. Roadblocks should only be used by deputies who have received training in their use.
  2. Supervisory approval should be obtained before using the technique.
  3. The need to immediately stop the suspect vehicle reasonably appears to substantially outweigh the risks of injury or death to occupants of the suspect vehicle, deputies, or other members of the public.
  4. It reasonably appears the technique will terminate or prevent the pursuit. Roadblocks may be used only under circumstances when deadly force would be authorized.

  - 10. Name of supervisor at scene or who handled the incident.
- (d) After receiving copies of reports, logs, and other pertinent information, the Sheriff or the authorized designee should conduct or assign the completion of a post-pursuit review.

Annually, the Sheriff should direct a documented review and analysis of office vehicle pursuit reports to minimally include policy suitability, policy compliance, and training or equipment needs.

#### **314.8.1 POLICY REVIEW**

Deputies of this office shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on this policy is provided. #### **314.9 APPLICATION OF VEHICLE PURSUIT POLICY**

This policy is expressly written and adopted pursuant to the provisions of Vehicle Code § 17004.7, with additional input from the POST Vehicle Pursuit Guidelines.

#### **314.10 POLICY**

It is the policy of this office to balance the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

## Deputy Response to Calls

### 316.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to emergency and non-emergency situations whether dispatched or self-initiated.

### 316.2 RESPONSE TO CALLS

Deputies dispatched "Code-3" shall consider the call an emergency response and proceed immediately. Deputies responding Code-3 shall continuously operate emergency lighting equipment, including at minimum a steady forward facing red light, and shall sound the siren as reasonably necessary pursuant to Vehicle Code § 21055.

Responding with emergency light(s) and siren does not relieve the deputy of the duty to continue to drive with due regard for the safety of all persons. The use of any other warning equipment without a red light and siren does not provide any exemption from the Vehicle Code.

Any call that is not dispatched as Code-3 is a routine call. Deputies not authorized to respond Code-3 shall observe all traffic laws and proceed without the use of emergency lights and siren.

### 316.3 REQUESTING EMERGENCY ASSISTANCE

Requests for emergency assistance should be limited to those situations where the involved personnel reasonably believe that there is an immediate threat to the safety of deputies, or assistance is needed to prevent imminent serious harm to a citizen. In any event, where a situation has stabilized and emergency response is not required, the requesting deputy shall immediately notify the Communications Center.

If circumstances permit, the requesting deputy should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

#### 316.3.1 NUMBER OF UNITS ASSIGNED

Normally, only one unit should respond to an emergency call Code-3 unless the Shift Sergeant or the field supervisor authorizes an additional unit(s).

### 316.4 INITIATING CODE 3 RESPONSE

If a deputy believes a Code-3 response to any call is appropriate, the deputy shall immediately notify the Communications Center. Generally, only one unit should respond Code-3 to any situation. Should another deputy believe a Code-3 response is appropriate, the Communications Center shall be notified and the Shift Sergeant or field supervisor will make a determination as to whether one or more deputies driving Code-3 is appropriate.

#### **316.5 RESPONSIBILITIES OF RESPONDING DEPUTIES**

Deputies shall exercise sound judgment and care with due regard for life and property when responding to an emergency call. Deputies shall reduce speed at all street intersections to such a degree that they shall have complete control of the vehicle.

The decision to continue a Code-3 response is at the discretion of the deputy. If, in the deputy's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the deputy may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the deputy should immediately notify the Communications Center. A deputy shall also discontinue the Code-3 response when directed by a supervisor.

Upon receiving authorization or determining a Code-3 response is appropriate, a deputy shall immediately give the location from which he/she is responding.

#### **316.6 COMMUNICATIONS RESPONSIBILITIES**

A dispatcher shall assign a Code-3 response when a deputy requests emergency assistance or available information reasonably indicates that the public is threatened with serious injury or death and immediate police response is needed. In all other circumstances, the dispatcher shall obtain authorization from the Shift Sergeant or a field supervisor prior to assigning units Code-3 . The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance
- (b) Immediately notify the Shift Sergeant
- (c) Confirm the location from which the unit is responding
- (d) Notify and coordinate allied emergency services (e.g., fire and ambulance)
- (e) Continue to obtain and broadcast information as necessary concerning the response and monitor the situation until it is stabilized or terminated
- (f) Control all radio communications during the emergency and coordinate assistance under the direction of the Shift Sergeant or field supervisor

#### **316.7 SUPERVISORY RESPONSIBILITIES**

Upon being notified that a Code-3 response has been initiated, the Shift Sergeant or the field supervisor shall verify the following:

- (a) The proper response has been initiated
- (b) No more than those units reasonably necessary under the circumstances are involved in the response
- (c) Affected outside jurisdictions are being notified as practical

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment,

---

the circumstances require additional units to be assigned a Code-3 response, the supervisor may do so.

It is the supervisor's responsibility to terminate a Code-3 response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize a Code-3 response, the Shift Sergeant or the field supervisor should consider the following:

- The type of call
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

#### **316.8 FAILURE OF EMERGENCY EQUIPMENT**

If the emergency equipment on the vehicle should fail to operate, the deputy must terminate the Code-3 response and respond accordingly. In all cases, the deputy shall notify the Shift Sergeant, field supervisor, or the Communications Center of the equipment failure so that another unit may be assigned to the emergency response.

## Canines

### 318.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of canines to augment police services in the community, including but not limited to locating individuals and contraband and apprehending criminal offenders.

### 318.2 POLICY

It is the policy of the San Benito County Sheriff's Office that teams of handlers and canines meet and maintain the appropriate proficiency to effectively and reasonably carry out legitimate law enforcement objectives.

### 318.3 ASSIGNMENT

Canine teams should be assigned to assist and supplement the Patrol Division to function primarily in assist or cover assignments. However, they may be assigned by the Shift Sergeant to other functions, such as routine calls for service, based on the current operational needs.

Canine teams should generally not be assigned to handle routine matters that will take them out of service for extended periods of time. If such assignment is necessary, it should only be made with the approval of the Shift Sergeant.

### 318.4 CANINE COORDINATOR

The canine coordinator shall be appointed by and directly responsible to the Patrol Division or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Reviewing all canine use reports to ensure compliance with policy and to identify training issues and other needs of the program.
- (b) Maintaining a liaison with the vendor kennel.
- (c) Maintaining a liaison with command staff and functional supervisors.
- (d) Maintaining a liaison with other agency canine coordinators.
- (e) Maintaining accurate records to document canine activities.
- (f) Recommending and overseeing the procurement of equipment and services for the teams of handlers and canines.
- (g) Scheduling all canine-related activities.
- (h) Ensuring the canine teams are scheduled for regular training to maximize their capabilities.

### 318.5 REQUESTS FOR CANINE TEAMS

Patrol Division members are encouraged to request the use of a canine. Requests for a canine team from office units outside of the Patrol Division shall be reviewed by the Shift Sergeant.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

#### 318.5.1 OUTSIDE AGENCY REQUEST

All requests for canine assistance from outside agencies must be approved by the Shift Sergeant and are subject to the following:

- (a) Canine teams shall not be used for any assignment that is not consistent with this policy.
- (b) The canine handler shall have the authority to decline a request for any specific assignment that he/she deems unsuitable.
- (c) Calling out off-duty canine teams is discouraged.
- (d) It shall be the responsibility of the canine handler to coordinate operations with agency personnel in order to minimize the risk of unintended injury.
- (e) It shall be the responsibility of the canine handler to complete all necessary reports or as directed.

#### 318.5.2 PUBLIC DEMONSTRATION

All public requests for a canine team shall be reviewed and, if appropriate, approved by the canine coordinator prior to making any resource commitment. The canine coordinator is responsible for obtaining resources and coordinating involvement in the demonstration to include proper safety protocols. Canine handlers shall not demonstrate any apprehension work unless authorized to do so by the canine coordinator.

#### **318.6 APPREHENSION GUIDELINES**

A canine may be used to locate and apprehend a suspect if the canine handler reasonably believes that the individual has committed, is committing, or is threatening to commit any serious offense and if any of the following conditions exist:

- (a) There is a reasonable belief the suspect poses an imminent threat of violence or serious harm to the public, any deputy, or the handler.
- (b) The suspect is physically resisting or threatening to resist arrest and the use of a canine reasonably appears to be necessary to overcome such resistance.
- (c) The suspect is believed to be concealed in an area where entry by other than the canine would pose a threat to the safety of deputies or the public.

It is recognized that situations may arise that do not fall within the provisions set forth in this policy. Such events require consideration of the totality of the circumstances and the use of an objective reasonableness standard applied to the decision to use a canine.

Absent a reasonable belief that a suspect has committed, is committing, or is threatening to commit a serious offense, mere flight from a pursuing deputy, without any of the above conditions, shall not serve as the basis for the use of a canine to apprehend a suspect.

Use of a canine to locate and apprehend a suspect wanted for a lesser criminal offense than those identified above requires approval from the Shift Sergeant. Absent a change in circumstances that presents an imminent threat to deputies, the canine or the public, such canine use should

# San Benito County Sheriff's Office

---

be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual.

In all applications, once the suspect has been located and no longer reasonably appears to present a threat or risk of escape, the handler should secure the canine as soon as it becomes reasonably practicable.

If the canine has apprehended the suspect with a secure bite, and the handler believes that the suspect no longer poses a threat, the handler should promptly command the canine to release the suspect.

#### 318.6.1 PREPARATION FOR DEPLOYMENT

Prior to the use of a canine to search for or apprehend any suspect, the canine handler and/or the supervisor on-scene should carefully consider all pertinent information reasonably available at the time. The information should include but is not limited to:

- (a) The nature and seriousness of the suspected offense.
- (b) Whether violence or weapons were used or are anticipated.
- (c) The degree of resistance or threatened resistance, if any, the suspect has shown.
- (d) The suspect's known or perceived age.
- (e) The potential for injury to deputies or the public caused by the suspect if the canine is not utilized.
- (f) Any potential danger to the public and/or other deputies at the scene if the canine is released.
- (g) The potential for the suspect to escape or flee if the canine is not utilized.

As circumstances permit, the canine handler should make every reasonable effort to communicate and coordinate with other involved members to minimize the risk of unintended injury.

It is the canine handler's responsibility to evaluate each situation and determine whether the use of a canine is appropriate and reasonable. The canine handler shall have the authority to decline the use of the canine whenever he/she deems deployment is unsuitable.

A supervisor who is sufficiently apprised of the situation may prohibit deploying the canine.

Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.

#### 318.6.2 WARNINGS AND ANNOUNCEMENTS

Unless it would increase the risk of injury or escape, a clearly audible warning announcing that a canine will be used if the suspect does not surrender should be made prior to releasing a canine. The handler should allow a reasonable time for a suspect to surrender and should quiet the canine momentarily to listen for any verbal response to the warning. If feasible, other members should be in a location opposite the warning to verify that the announcement could be heard. If available, warnings given in other languages should be used as necessary.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Canines*

---

If a warning is not to be given, the canine handler, when practicable, should first advise the supervisor of his/her decision before releasing the canine. In the event of an apprehension, the handler shall document in any related report how the warning was given and, if none was given, the reasons why.

#### **318.6.3 REPORTING DEPLOYMENTS, BITES, AND INJURIES**

Handlers should document canine deployments in a canine use report. Whenever a canine deployment results in a bite or causes injury to an intended suspect, a supervisor should be promptly notified and the injuries documented in the canine use report. The injured person shall be promptly treated by Emergency Medical Services personnel and, if appropriate, transported to an appropriate medical facility for further treatment. The deployment and injuries should also be included in any related incident or arrest report.

Any unintended bite or injury caused by a canine, whether on- or off-duty, shall be promptly reported to the canine coordinator. Unintended bites or injuries caused by a canine should be documented in an administrative report, not in a canine use report.

If an individual alleges an injury, either visible or not visible, a supervisor shall be notified and both the individual's injured and uninjured areas shall be photographed as soon as practicable after first tending to the immediate needs of the injured party. Photographs shall be retained as evidence in accordance with current office evidence procedures. The photographs shall be retained until the criminal proceeding is completed and the time for any related civil proceeding has expired.

Canines used by law enforcement agencies are generally exempt from impoundment and reporting requirements. However, the canine shall be made available for examination at any reasonable time if requested by the local health department. The canine handler shall also notify the local health department if the canine exhibits any abnormal behavior after a bite (Health and Safety Code § 121685).

#### **318.7 NON-APPREHENSION GUIDELINES**

Properly trained canines may be used to track or search for non-criminals (e.g., lost children, individuals who may be disoriented or in need of medical attention). The canine handler is responsible for determining the canine's suitability for such assignments based on the conditions and the particular abilities of the canine. When the canine is deployed in a search or other non-apprehension operation, the following guidelines apply:

- (a) Absent a change in circumstances that presents an imminent threat to deputies, the canine, or the public, such applications should be conducted on-leash or under conditions that minimize the likelihood the canine will bite or otherwise injure the individual, if located.
- (b) Unless otherwise directed by a supervisor, assisting members should take direction from the handler in order to minimize interference with the canine.
- (c) Throughout the deployment, the handler should periodically give verbal assurances that the canine will not bite or hurt the individual and encourage the individual to make him/herself known.

---

- (d) Once the individual has been located, the handler should place the canine in a down-stay or otherwise secure it as soon as reasonably practicable.

#### 318.7.1 ARTICLE DETECTION

A canine trained to find objects or property related to a person or crime may be used to locate or identify articles. A canine search should be conducted in a manner that minimizes the likelihood of unintended bites or injuries.

#### 318.7.2 NARCOTICS DETECTION

A canine trained in narcotics detection may be used in accordance with current law and under certain circumstances, including:

- (a) The search of vehicles, buildings, bags, and other articles.
- (b) Assisting in the search for narcotics during a search warrant service.
- (c) Obtaining a search warrant by using the narcotics-detection trained canine in support of probable cause.

A narcotics-detection trained canine will not be used to search a person for narcotics unless the canine is trained to passively indicate the presence of narcotics.

#### 318.7.3 BOMB/EXPLOSIVE DETECTION

Because of the high risk of danger to the public and deputies when a bomb or other explosive device is suspected, the use of a canine team trained in explosive detection may be considered. When available, an explosive-detection canine team may be used in accordance with current law and under certain circumstances, including:

- (a) Assisting in the search of a building, structure, area, vehicle, or article where an actual or suspected explosive device has been reported or located.
- (b) Assisting with searches at transportation facilities and vehicles (e.g., buses, airplanes, trains).
- (c) Preventive searches at special events, VIP visits, official buildings, and other restricted areas. Searches of individuals should remain minimally intrusive and shall be strictly limited to the purpose of detecting explosives.
- (d) Assisting in the search of scenes where an explosion has occurred and an explosive device or secondary explosive device is suspected.

At no time will an explosive-detection trained canine be used to render a suspected device safe or clear.

### 318.8 HANDLER SELECTION

The minimum qualifications for the assignment of canine handler include:

- (a) A deputy who is currently off probation.
- (b) Residing in an adequately fenced single-family residence (minimum 5-foot-high fence with locking gates).

- (d) Living within 30 minutes travel time from the San Benito County limits.

#### **318.9 HANDLER RESPONSIBILITIES**

The canine handler shall ultimately be responsible for the health and welfare of the canine and shall ensure that the canine receives proper nutrition, grooming, training, medical care, affection, and living conditions.

The canine handler will be responsible for the following:

- (a) Except as required during appropriate deployment, the handler shall not expose the canine to any foreseeable and unreasonable risk of harm.
- (b) The handler shall maintain all office equipment under his/her control in a clean and serviceable condition.
- (c) When not in service, the handler shall maintain the canine vehicle in a locked garage, away from public view.
- (d) When a handler is off-duty for an extended number of days, the assigned canine vehicle should be stored at the San Benito County Sheriff's Office facility.
- (e) Handlers shall permit the canine coordinator to conduct spontaneous on-site inspections of affected areas of their homes as well as their canine vehicles to verify that conditions and equipment conform to this policy.
- (f) Any changes in the living status of the handler that may affect the lodging or environment of the canine shall be reported to the canine coordinator as soon as possible.
- (g) When off-duty, the canine shall be in a kennel provided by the County at the home of the handler. When a canine is kenneled at the handler's home, the gate shall be secured with a lock. When off-duty, the canine may be let out of the kennel while under the direct control of the handler.

- (i) Under no circumstances will the canine be lodged at another location unless approved by the canine coordinator or Shift Sergeant.
- (j) When off-duty, the handler shall not involve the canine in any law enforcement activity or official conduct unless approved in advance by the canine coordinator or Shift Sergeant.
- (k) Whenever a canine handler is off-duty for an extended number of days, it may be necessary to temporarily relocate the canine. In those situations, the handler shall give reasonable notice to the canine coordinator so that appropriate arrangements can be made.

#### 318.9.1 CANINE IN PUBLIC AREAS

The canine should be kept on a leash when in areas that allow access to the public. Exceptions to this rule would include specific law enforcement operations for which the canine is trained.

- (a) A canine shall not be left unattended in any area to which the public may have access.
- (b) When the canine vehicle is left unattended, all windows and doors shall be secured in such a manner as to prevent unauthorized access to the canine. The handler shall also ensure that the unattended vehicle remains inhabitable for the canine.

#### 318.10 CANINE INJURY AND MEDICAL CARE

In the event that a canine is injured, or there is an indication that the canine is not in good physical condition, the injury or condition will be reported to the canine coordinator or Shift Sergeant as soon as practicable and appropriately documented.

All medical attention shall be rendered by the designated canine veterinarian, except during an emergency where treatment should be obtained from the nearest available veterinarian. All records of medical treatment shall be maintained in the handler's personnel file.

#### 318.11 TRAINING

Before assignment in the field, each canine team shall be trained and certified to meet current POST guidelines or other recognized and approved certification standards. Cross-trained canine teams or those canine teams trained exclusively for the detection of narcotics and/or explosives also shall be trained and certified by the California Narcotic Canine Association (CNCA) or other recognized and approved certification standards established for their particular skills.

The canine coordinator shall be responsible for scheduling periodic training for all office members in order to familiarize them with how to conduct themselves in the presence of office canines. Because canines may be exposed to dangerous substances such as opioids, as resources are available, the canine coordinator should also schedule periodic training for the canine handlers about the risks of exposure and treatment for it.

All canine training shall be conducted while on-duty unless otherwise approved by the canine coordinator or Shift Sergeant.

##### 318.11.1 CONTINUED TRAINING

Each canine team shall thereafter be recertified to a current POST, CNCA, or other recognized and approved certification standards on an annual basis. Additional training considerations are as follows:

- (a) Canine teams should receive training as defined in the current contract with the San Benito County Sheriff's Office canine training provider.
- (b) Canine handlers are encouraged to engage in additional training with approval of the canine coordinator.
- (c) To ensure that all training is consistent, no handler, trainer, or outside vendor is authorized to train to a standard that is not reviewed and approved by the Office.

#### 318.11.2 FAILURE TO SUCCESSFULLY COMPLETE TRAINING

Any canine team failing to graduate or obtain certification shall not be deployed in the field for tasks the team is not certified to perform until graduation or certification is achieved. When reasonably practicable, pending successful certification, the canine handler shall be temporarily reassigned to regular patrol duties.

#### 318.11.3 TRAINING RECORDS

All canine training records shall be maintained in the canine handler's and the canine's training file.

#### 318.11.4 TRAINING AIDS

Training aids are required to effectively train and maintain the skills of canines. Deputies possessing, using or transporting controlled substances or explosives for canine training purposes must comply with federal and state requirements. Alternatively, the San Benito County Sheriff's Office may work with outside trainers with the applicable licenses or permits.

#### 318.11.5 CONTROLLED SUBSTANCE TRAINING AIDS

Deputies acting in the performance of their official duties may possess or transfer controlled substances for the purpose of narcotics-detection canine training in compliance with state and federal laws (Health & Safety Code § 11367.5; 21 USC § 823(g)).

The Sheriff or the authorized designee may authorize a member to seek a court order to allow controlled substances seized by the San Benito County Sheriff's Office to be possessed by the member or a narcotics-detection canine trainer who is working under the direction of this office for training purposes, provided the controlled substances are no longer needed as criminal evidence.

As an alternative, the Sheriff or the authorized designee may request narcotics training aids from the Drug Enforcement Administration (DEA).

These procedures are not required if the canine handler uses commercially available synthetic substances that are not controlled narcotics.

#### 318.11.6 CONTROLLED SUBSTANCE PROCEDURES

Due to the responsibilities and liabilities involved with possessing readily usable amounts of controlled substances and the ever-present danger of the canine's accidental ingestion of these controlled substances, the following procedures shall be strictly followed:

- (a) All controlled substance training samples shall be weighed and tested prior to dispensing to the individual canine handler or trainer.
- (b) The weight and test results shall be recorded and maintained by this office.
- (c) Any person possessing controlled substance training samples pursuant to court order or DEA registration shall maintain custody and control of the controlled substances and shall keep records regarding any loss of, or damage to, those controlled substances.
- (d) All controlled substance training samples will be inspected, weighed, and tested quarterly. The results of the quarterly testing shall be recorded and maintained by the canine coordinator with a copy forwarded to the dispensing agency.

- (e) All controlled substance training samples will be stored in locked, airtight, and watertight cases at all times, except during training. The locked cases shall be secured in the trunk of the canine handler's assigned patrol vehicle during transport and stored in an appropriate locked container. There are no exceptions to this procedure.
- (f) The canine coordinator shall periodically inspect every controlled substance training sample for damage or tampering and take any appropriate action.
- (g) Any unusable controlled substance training samples shall be returned to the Property and Evidence Room or to the dispensing agency.
- (h) All controlled substance training samples shall be returned to the dispensing agency upon the conclusion of the training or upon demand by the dispensing agency.

#### 318.11.7 EXPLOSIVE TRAINING AIDS

Deputies may possess, transport, store, or use explosives or destructive devices in compliance with state and federal laws (Penal Code § 18800; 18 USC § 842; 27 CFR 555.41).

Explosive training aids designed specifically for canine teams should be used whenever feasible. Due to the safety concerns in the handling and transportation of explosives, inert or non-hazardous training aids should be employed whenever feasible. The use of explosives or destructive devices for training aids by canine teams is subject to the following:

- (a) All explosive training aids, when not in use, shall be properly stored in a secure facility appropriate for the type of materials.
- (b) An inventory ledger shall be maintained to document the type and quantity of explosive training aids that are stored.
- (c) The canine coordinator shall be responsible for verifying the explosive training aids on hand against the inventory ledger once each quarter.
- (d) Only members of the canine team shall have access to the explosive training aids storage facility.
- (e) A primary and secondary custodian will be designated to minimize the possibility of loss of explosive training aids during and after the training. Generally, the handler will be designated as the primary custodian while the trainer or authorized second person on-scene will be designated as the secondary custodian.
- (f) Any lost or damaged explosive training aids shall be promptly reported to the canine coordinator, who will determine if any further action will be necessary. Any loss of explosives will be reported to the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF).

## Domestic Violence

### 320.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this office to take enforcement action when appropriate, to provide assistance to victims and to guide deputies in the investigation of domestic violence.

#### 320.1.1 DEFINITIONS

Definitions related to this policy include:

**Court order** - All forms of orders related to domestic violence that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

### 320.2 POLICY

The San Benito County Sheriff's Office's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this office to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### 320.3 OFFICER SAFETY

The investigation of domestic violence cases often places deputies in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all deputies to exercise due caution and reasonable care in providing for the safety of any deputies and parties involved.

### 320.4 INVESTIGATIONS

The following guidelines should be followed by deputies when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, deputies should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Deputies should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

# San Benito County Sheriff's Office

### *Domestic Violence*

---

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigation Bureau in the event that the injuries later become visible.
- (f) Deputies should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, deputies should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence. If the domestic violence involved threats of bodily harm, any firearm discovered in plain view or pursuant to consent or other lawful search must be taken into temporary custody (Penal Code § 18250).
- (i) When completing an incident or arrest report for violation of a court order, deputies should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order, and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting deputy should attach a copy of the order to the incident or arrest report.
- (j) Deputies should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Whether the suspect lives on the premises with the victim.
  - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 3. The potential financial or child custody consequences of arrest.
  - 4. The physical or emotional state of either party.
  - 5. Use of drugs or alcohol by either party.
  - 6. Denial that the abuse occurred where evidence indicates otherwise.
  - 7. A request by the victim not to arrest the suspect.
  - 8. Location of the incident (public/private).
  - 9. Speculation that the complainant may not follow through with the prosecution.
  - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
  - 11. The social status, community status, or professional position of the victim or suspect.

#### 320.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, deputies should:

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Domestic Violence*

---

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

#### **320.4.2 IF NO ARREST IS MADE**

If no arrest is made, the deputy should:

- (a) Advise the parties of any options, including but not limited to:
  - 1. Voluntary separation of the parties.
  - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

#### **320.5 VICTIM ASSISTANCE**

Because victims may be traumatized or confused, deputies should be aware that a victim's behavior and actions may be affected:

- (a) Victims should be provided with the office's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (b) Victims should also be alerted to any available victim advocates, shelters, and community resources.
- (c) When an involved person requests law enforcement assistance while removing essential items of personal property, deputies should stand by for a reasonable amount of time.
- (d) If the victim has sustained injury or complaints of pain, deputies should seek medical assistance as soon as practicable.
- (e) Deputies should ask the victim whether the victim has a safe place to stay and assist in arranging transportation to an alternate shelter if the victim expresses a concern for the victim's safety or if the deputy determines that a need exists.
- (f) Deputies should make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (g) If appropriate, deputies should seek or assist the victim in obtaining an emergency order if appropriate.

A deputy shall advise an individual protected by a Canadian domestic violence protection order of available local victim services (Family Code § 6452).

#### **320.6 DISPATCH ASSISTANCE**

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Domestic Violence*

---

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Deputies should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

#### **320.7 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe, or territory shall be enforced by deputies as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court or foreign order shall be enforced, regardless of whether the order has been properly registered with this state (Family Code § 6403).

Canadian domestic violence protection orders shall also be enforced in the same manner as if issued in this state (Family Code § 6452).

#### **320.8 VERIFICATION OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, deputies should carefully review the actual order when available, and where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
  1. If a determination is made that a valid foreign order cannot be enforced because the subject has not been notified or served the order, the deputy shall inform the subject of the order, make a reasonable effort to serve the order upon the subject, and allow the subject a reasonable opportunity to comply with the order before enforcing the order. Verbal notice of the terms of the order is sufficient notice (Family Code § 6403).
- (b) Check available records or databases that may show the status or conditions of the order.
  1. Registration or filing of an order in California is not required for the enforcement of a valid foreign order (Family Code § 6403).
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Deputies should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Deputies should contact a supervisor for clarification when needed.

#### **320.9 STANDARDS FOR ARRESTS**

Deputies investigating a domestic violence report should consider the following:

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Domestic Violence*

---

- (a) An arrest should be made when there is probable cause to believe that a felony or misdemeanor domestic violence offense has been committed (Penal Code § 13701). Any decision to not arrest an adult when there is probable cause to do so requires supervisor approval.
  - 1. Deputies are only authorized to make an arrest without a warrant for a misdemeanor domestic violence offense if the deputy makes the arrest as soon as probable cause arises (Penal Code § 836).
- (b) A deputy responding to a domestic violence call who cannot make an arrest will advise the victim of the victim's right to make a private person's arrest. The advisement should be made out of the presence of the suspect and shall include advising the victim how to safely execute the arrest. Deputies shall not dissuade victims from making a lawful private person's arrest. Deputies should refer to the provisions in the Private Persons Arrests Policy for options regarding the disposition of private person's arrests (Penal Code § 836(b)).
- (c) Deputies shall not cite and release a person for the following offenses (Penal Code § 853.6(a)(3)):
  - 1. Penal Code § 243(e)(1) (battery against spouse, cohabitant)
  - 2. Penal Code § 273.5 (corporal injury on spouse, cohabitant, fiancé/fiancée, person of a previous dating or engagement relationship, mother/father of the offender's child)
  - 3. Penal Code § 273.6 (violation of protective order) if violence or threats of violence have occurred or the suspect has gone to the workplace or residence of the protected party
  - 4. Penal Code § 646.9 (stalking)
  - 5. Other serious or violent felonies specified in Penal Code § 1270.1
- (d) In responding to domestic violence incidents, including mutual protective order violations, deputies should generally be reluctant to make dual arrests. Deputies shall make reasonable efforts to identify the dominant aggressor in any incident. The dominant aggressor is the person who has been determined to be the most significant, rather than the first, aggressor (Penal Code § 13701). In identifying the dominant aggressor, a deputy shall consider:
  - 1. The intent of the law to protect victims of domestic violence from continuing abuse.
  - 2. The threats creating fear of physical injury.
  - 3. The history of domestic violence between the persons involved.
  - 4. Whether either person acted in self-defense.
- (e) An arrest shall be made when there is probable cause to believe that a violation of a domestic violence court order has been committed (Penal Code § 13701; Penal Code § 836), regardless of whether the offense was committed in the deputy's presence. After arrest, the deputy shall confirm that a copy of the order has been registered, unless the victim provides a copy (Penal Code § 836).

#### **320.10 REPORTS AND RECORDS**

- (a) A written report shall be completed on all incidents of domestic violence. All such reports should be documented on the appropriate form, which includes information and notations specific to domestic violence incidents as required by Penal Code § 13730.
- (b) Reporting deputies should provide the victim with the case number of the report. The case number may be placed in the space provided on the domestic violence victim information handout provided to the victim. If the case number is not immediately available, an explanation should be given regarding how the victim can obtain the information at a later time.
- (c) Deputies who seize any firearm, ammunition, or other deadly weapon in a domestic violence incident shall issue the individual possessing such weapon a receipt that includes the name and residential mailing address of the owner or person who possessed the weapon and notice of where the weapon may be recovered, along with the applicable time limit for recovery (Penal Code § 18250; Penal Code § 18255; Penal Code § 33800; Family Code § 6389(c)).

#### **320.11 RECORD-KEEPING AND DATA COLLECTION**

This office shall maintain records of court orders related to domestic violence and the service status of each (Penal Code § 13710), as well as records on the number of domestic violence related calls reported to the Office, including whether weapons were used in the incident or whether the incident involved strangulation or suffocation (Penal Code § 13730). This information is to be reported to the Attorney General monthly. It shall be the responsibility of the Records Supervisor to maintain and report this information as required.

#### **320.12 SERVICE OF COURT ORDERS**

- (a) A deputy who obtains an emergency protective order from the court shall serve it on the restrained person if the person can be reasonably located and shall provide the person protected or the person's parent/guardian with a copy of the order. The deputy shall file a copy with the court as soon as practicable and shall have the order entered into the computer database system for protective and restraining orders maintained by the Department of Justice (Family Code § 6271; Penal Code § 646.91).
- (b) A temporary restraining order, emergency protective order, or an order issued after a hearing shall, at the request of the petitioner, be served on the restrained person by a deputy who is present at the scene of a reported domestic violence incident or when the deputy receives a request from the petitioner to provide service of the order (Family Code § 6383; Penal Code § 13710).
- (c) Any deputy serving a protective order that indicates that the respondent possesses weapons or ammunition shall request that the firearm/ammunition be immediately surrendered (Family Code § 6389(c)).
- (d) During the service of a protective order any firearm discovered in plain view or pursuant to consent or other lawful search shall be taken into temporary custody (Penal Code § 18250).

1. A deputy should ensure that the Records Center is notified of any firearm obtained for entry into the Automated Firearms System (Family Code § 6383) (see the Records Center Policy for additional guidance).
- (e) If a valid Canadian order cannot be enforced because the person subject to the order has not been notified or served with the order, the deputy shall notify the protected individual that reasonable efforts shall be made to contact the person subject to the order. The deputy shall make a reasonable effort to inform the person subject to the order of the existence and terms of the order and provide the person with a record of the order, if available, and shall allow the person a reasonable opportunity to comply with the order before taking enforcement action (Family Code § 6452).

#### **320.13 PUBLIC ACCESS TO POLICY**

A copy of this domestic violence policy will be provided to members of the public upon request (Penal Code § 13701).

#### **320.14 DECLARATION IN SUPPORT OF BAIL INCREASE**

Any deputy who makes a warrantless arrest for a felony or misdemeanor violation of a domestic violence restraining order shall evaluate the totality of the circumstances to determine whether reasonable cause exists to seek an increased bail amount. If there is reasonable cause to believe that the scheduled bail amount is insufficient to assure the arrestee's appearance or to protect the victim or family member of a victim, the deputy shall prepare a declaration in support of increased bail (Penal Code § 1269c).

#### **320.15 DOMESTIC VIOLENCE DEATH REVIEW TEAM**

This office should cooperate with any interagency domestic violence death review team investigation. Written and oral information relating to a domestic violence death that would otherwise be subject to release restrictions may be disclosed to the domestic violence death review team upon written request and approval of a supervisor (Penal Code § 11163.3).

## Search and Seizure

### 322.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for San Benito County Sheriff's Office personnel to consider when dealing with search and seizure issues.

### 322.2 POLICY

It is the policy of the San Benito County Sheriff's Office to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to deputies as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

### 322.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, deputies are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

#### **322.4 SEARCH PROTOCOL**

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Deputies should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching deputy, a reasonable effort should be made to summon a deputy of the same sex as the subject to conduct the search. When it is not practicable to summon a deputy of the same sex as the subject, the following guidelines should be followed:
  1. Another deputy or a supervisor should witness the search.
  2. The deputy should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

#### **322.5 DOCUMENTATION**

Deputies are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon a deputy of the same sex as the person being searched and the identification of any witness deputy

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 324.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the San Benito County Sheriff's Office (34 USC § 11133).

Guidance regarding contacting juveniles at schools or who may be victims is provided in the Child Abuse Policy.

#### 324.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person. Juveniles 11 years of age or younger are considered juvenile non-offenders even if they have committed an offense that would subject an adult to arrest.

**Juvenile offender** - A juvenile 12 to 17 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (Welfare and Institutions Code § 602). It also includes an offense under Penal Code § 29610 for underage possession of a handgun or concealable firearm (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of a deputy or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation (Welfare and Institutions Code § 207.1; 15 CCR 1150).

**Safety checks** - Direct, visual observation personally by a member of this office performed at random intervals within time frames prescribed in this policy to provide for the health and welfare of juveniles in temporary custody.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object (15 CCR 1146).

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.

- (d) A juvenile being processed in a secure booking area when a non-secure booking area is available.

- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact that is more than brief or inadvertent.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender. This includes the habitually disobedient or truant juvenile under Welfare and Institutions Code § 601 and any juvenile suspected of an offense that would not subject an adult to arrest (e.g., fine-only offense).

#### **324.2 POLICY**

The San Benito County Sheriff's Office is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the San Benito County Sheriff's Office. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer, or release.

#### **324.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit any of the following conditions should not be held at the San Benito County Sheriff's Office:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated except when approved by the Shift Sergeant. A medical clearance shall be obtained for minors who are under the influence of drugs, alcohol, or any other intoxicating substance to the extent that they are unable to care for themselves (15 CCR 1151).
- (e) Extremely violent or continuously violent

### *Temporary Custody of Juveniles*

---

These juveniles should not be held at the San Benito County Sheriff's Office unless they have been evaluated by a qualified medical and/or mental health professional (15 CCR 1142).

If the deputy taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release, or a transfer is completed (15 CCR 1142).

#### **324.3.1 EMERGENCY MEDICAL CARE OF JUVENILES IN CUSTODY**

When emergency medical attention is required for a juvenile, medical assistance will be called immediately. The Shift Sergeant shall be notified of the need for medical attention for the juvenile. Office members should administer first aid as applicable (15 CCR 1142).

#### **324.3.2 SUICIDE PREVENTION OF JUVENILES IN CUSTODY**

Office members should be alert to potential symptoms based upon exhibited behavior that may indicate the juvenile is a suicide risk. These symptoms may include depression, refusal to communicate, verbally threatening to kill themselves, or any unusual behavior which may indicate the juvenile may harm themselves while in either secure or non-secure custody (15 CCR 1142).

#### **324.4 CUSTODY OF JUVENILES**

Deputies should take custody of a juvenile and temporarily hold the juvenile at the San Benito County Sheriff's Office when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile that is suspected of being a victim.

No juvenile should be held in temporary custody at the San Benito County Sheriff's Office without authorization of the arresting deputy's supervisor or the Shift Sergeant. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as practicable and in no event shall a juvenile be held beyond six hours from the time of the juvenile's entry into the San Benito County Sheriff's Office (34 USC § 11133; Welfare and Institutions Code § 207.1).

#### **324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS**

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the San Benito County Sheriff's Office. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders shall not be held in secure custody (34 USC § 11133; Welfare and Institutions Code § 206).

Juveniles 11 years of age or younger who have committed an offense that would subject an adult to arrest may be held in non-secure custody for the offenses listed in Welfare and Institutions Code § 602(b) (murder and the sexual assault offenses) and should be referred to a probation officer for a placement determination (Welfare and Institutions Code § 602.1).

#### 324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, deputies may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders shall not be held in secure custody (34 USC § 11133).

#### 324.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the San Benito County Sheriff's Office unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, a juvenile offender may be taken into custody when authorized by a court order or when there is probable cause to believe the juvenile has committed an offense that would subject an adult to arrest (Welfare and Institutions Code § 625).

A juvenile offender who is 14 years of age or older and taken into custody for committing or attempting to commit a felony with a firearm shall not be released and be transported to a juvenile facility (Welfare and Institutions Code § 625.3).

A juvenile offender suspected of committing murder, a sex offense described in Welfare and Institutions Code § 602(b) that may subject the juvenile to criminal jurisdiction under Welfare and Institutions Code § 707, or a serious or violent felony should be referred to a probation officer for a decision on further detention.

In all other cases the juvenile offender may be:

- (a) Released upon warning or citation.
- (b) Released to a parent or other responsible adult after processing at the Office.
- (c) Referred to a probation officer for a decision regarding whether to transport the juvenile offender to a juvenile facility.
- (d) Transported to the juvenile offender's home or to the place where the juvenile offender was taken into custody (Welfare and Institutions Code § 207.2).

In determining which disposition is appropriate, the investigating deputy or supervisor shall prefer the alternative that least restricts the juvenile's freedom of movement, provided that alternative is compatible with the best interests of the juvenile and the community (Welfare and Institutions Code § 626).

Whenever a juvenile offender under the age of 14 is taken into custody, the deputy should take reasonable steps to verify and document the child's ability to differentiate between right and wrong, particularly in relation to the alleged offense (Penal Code § 26).

#### **324.5 ADVISEMENTS**

Deputies shall take immediate steps to notify the juvenile's parent, guardian, or a responsible relative that the juvenile is in custody, the location where the juvenile is being held, and the intended disposition (Welfare and Institutions Code § 627).

Whenever a juvenile is taken into temporary custody, the juvenile shall be given the *Miranda* rights advisement regardless of whether questioning is intended. This does not apply to juvenile non-offenders taken into temporary custody for their safety or welfare (Welfare and Institutions Code § 625).

Anytime a juvenile offender is placed in secure custody, the juvenile offender shall be informed of the purpose of the secure custody, the length of time the secure custody is expected to last, and of the maximum six-hour limitation (Welfare and Institutions Code § 207.1).

Juveniles taken into custody for an offense shall immediately be advised (or at least within one hour from being taken into custody, if possible) that they may make three telephone calls: one call completed to their parent or guardian; one to a responsible relative or their employer; and another call completed to an attorney. The calls shall be at no expense to the juvenile when completed to telephone numbers within the local calling area. Juveniles should be asked whether they are a caregiver and provided two more phone calls in the same manner as provided to adults in the Temporary Custody of Adults Policy (Welfare and Institutions Code § 627; Penal Code § 851.5).

#### **324.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is held in custody at the Office, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (f) Time of all safety checks.

- (h) Circumstances that justify any secure custody (Welfare and Institutions Code § 207.1; 15 CCR 1145).
- (i) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

The Shift Sergeant shall initial the log to approve the custody, including any secure custody, and shall also initial the log when the juvenile is released.

There should also be sight and sound separation between non-offenders and juvenile and status offenders.

However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening (15 CCR 1142).

#### **324.11 SECURE CUSTODY**

Only juvenile offenders 14 years of age or older may be placed in secure custody (Welfare and Institutions Code § 207; 15 CCR 1145). Shift Sergeant approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to themselves or others. Factors to be considered when determining if the juvenile offender presents a serious security risk to themselves or others include the following (15 CCR 1145):

- (a) Age, maturity, and delinquent history
- (b) Severity of offense for which the juvenile was taken into custody
- (c) The juvenile offender's behavior
- (d) Availability of staff to provide adequate supervision or protection of the juvenile offender
- (e) Age, type, and number of other individuals in custody at the facility

Members of this office shall not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option (15 CCR 1145).

When practicable and when no locked enclosure is available, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object (15 CCR 1148).

Juveniles shall not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter (15 CCR 1148). Supervisor approval should be documented.

The decision for securing a minor to a stationary object for longer than 60 minutes and every 30 minutes thereafter shall be based upon the best interests of the juvenile offender (15 CCR 1148).

#### **324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS**

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent, to an interview or interrogation.

Prior to conducting a custodial interrogation, including the waiver of *Miranda* rights, a deputy shall permit a juvenile 17 years of age or younger to consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived by the juvenile (Welfare and Institutions Code § 625.6).

### Temporary Custody of Juveniles

Threats, physical harm, deception, or psychologically manipulative interrogation tactics shall not be used by a deputy during a custodial interrogation of a juvenile (Welfare and Institutions Code § 625.7).

The requirements to consult with legal counsel or to refrain from the use of prohibited interrogation techniques do not apply when (Welfare and Institutions Code § 625.6; Welfare and Institutions Code § 625.7):

- (a) Information is necessary to protect life or property from an imminent threat.
  - 1. The questions are limited to what is reasonably necessary to obtain the information relating to the threat.

#### 324.13.1 MANDATORY RECORDINGS OF JUVENILES

Any interrogation of an individual under 18 years of age who is in custody and suspected of committing murder shall be audio and video recorded when the interview takes place at a office facility, jail, detention facility, or other fixed place of detention. The recording shall include the entire interview and a *Miranda* advisement preceding the interrogation (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.
- (b) The individual refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated, or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

These recordings shall be retained until a conviction is final and all direct and habeas corpus appeals are exhausted, a court no longer has any jurisdiction over the individual, or the prosecution for that offense is barred (Penal Code § 859.5; Welfare and Institutions Code § 626.8).

Any juvenile 14 years of age or older who is taken into custody for a felony, or any juvenile whose acts amount to a sex crime, shall be booked, fingerprinted, and photographed.

#### **324.15 RELEASE OF INFORMATION CONCERNING JUVENILES**

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Members of this office shall not divulge any information regarding juveniles unless they are certain of the legal authority to do so.

Welfare and Institutions Code § 828 authorizes the release of certain information to other agencies. It shall be the responsibility of the Records Supervisor and the appropriate Investigation Bureau supervisors to ensure that personnel of those bureaus act within legal guidelines.

#### **324.16 BOARD OF STATE AND COMMUNITY CORRECTIONS CERTIFICATION**

Any supervisor who determines and approves a deputy's deviation from this policy shall provide a written report to the Sheriff that states the unusual compelling circumstances regarding the deviation. A copy of this report will be made available to the alleged victim and reporting party pursuant to office protocols (Penal Code § 368.6(c)(27)).

#### **326.3.1 ADDITIONAL INVESTIGATIVE CONSIDERATIONS**

The following factors as provided in Penal Code § 368.6 should be considered when investigating incidents of elder and dependent adult abuse:

- (a) Elder and dependent adult abuse, sex crimes, child abuse, domestic violence, and any other criminal act, when committed in whole or in part because of the victim's actual or perceived disability, including disability caused by advanced age, is also a hate crime (Penal Code § 368.6) (see the Hate Crimes Policy for additional guidance).
- (b) Senior and disability victimization crimes are also domestic violence subject to the mandatory arrest requirements of Penal Code § 836 if they meet the elements described in Penal Code § 273.5, including but not limited to a violation by a caretaker or other person who is or was a cohabitant of the victim, regardless of whether the cohabitant is or was a relative of, or in an intimate personal relationship with, the victim (Penal Code § 368.6(c)(10)).
- (c) Many victims of sexual assault and other sex crimes delay disclosing the crimes for reasons including but not limited to shame, embarrassment, self-doubt, fear of being disbelieved, and fear of retaliation by the perpetrator or others (Penal Code § 368.6(c)(11)).
- (d) Victims and witnesses with disabilities, including cognitive and communication disabilities, can be highly credible witnesses when interviewed appropriately by trained officers or other trained persons (Penal Code § 368.6(c)(14)).

Qualified investigators should be available to investigate cases of elder and dependent adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to elder and dependent adult abuse investigations.

- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

#### **326.6 PROTECTIVE CUSTODY**

Before taking an elder or dependent adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the deputy should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove an elder or dependent adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an elder or dependent adult abuse victim into protective custody, the deputy should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the deputy shall ensure that the adult is delivered to APS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking an elder or dependent adult abuse victim into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking the adult into protective custody.

When elder or dependent adult abuse victims are under state control, have a state-appointed guardian, or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

##### **326.6.1 EMERGENCY PROTECTIVE ORDERS**

In any situation which a deputy reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the deputy may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

##### **326.6.2 VERIFICATION OF PROTECTIVE ORDER**

Whenever a deputy verifies that a relevant protective order has been issued, the deputy shall make reasonable efforts to determine if the order prohibits the person from possession of firearms or requires the relinquishment of firearms, and if the order does so, the deputy shall make reasonable efforts to (Penal Code § 368.6(c)(19)):

- (a) Inquire whether the restrained person possesses firearms. The deputy should make this effort by asking the restrained person and the protected person.
- (b) Query the California Law Enforcement Telecommunications System to determine if any firearms are registered to the restrained person.

- (c) Receive or seize prohibited firearms located in plain view or pursuant to a consensual or other lawful search in compliance with Penal Code § 18250 et seq. and in accordance with office procedures.

### **326.7 INTERVIEWS**

#### **326.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, deputies should audio record the preliminary interview with a suspected elder or dependent adult abuse victim. Deputies should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available.

#### **326.7.2 DETAINING VICTIMS FOR INTERVIEWS**

A deputy should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
  - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

#### **326.7.3 INTERVIEWS WITH A PERSON WITH DEAFNESS OR HEARING LOSS**

A deputy who is interviewing a victim or witness who reports or demonstrates deafness or hearing loss should secure the services of a qualified interpreter (as defined by Evidence Code § 754) prior to the start of the interview (Penal Code § 368.6) (see the Communications with Persons with Disabilities Policy for additional guidance).

### **326.8 MEDICAL EXAMINATIONS**

When an elder or dependent adult abuse investigation requires a medical examination, the investigating deputy should obtain consent for such examination from the victim, guardian, agency, or entity having legal custody of the adult. The deputy should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, agency, or entity having legal custody and is refusing to give consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

#### **326.9 DRUG-ENDANGERED VICTIMS**

- (a) Document the environmental, medical, social, and other conditions of the adult, using photography as appropriate and the checklist or form developed for this purpose.
- (b) Notify the Investigation Bureau supervisor so an interagency response can begin.

##### **326.9.2 SUPERVISOR RESPONSIBILITIES**

The Investigation Bureau supervisor should:

- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social, and other conditions that may affect the adult.

#### **326.10 TRAINING**

The Office should provide training on best practices in elder and dependent adult abuse investigations to members tasked with investigating these cases. The training should include:

- (a) Participating in multidisciplinary investigations, as appropriate.
- (b) Conducting interviews.
- (c) Availability of therapy services for adults and families.

Adult protective services agencies and local long-term care ombudsman programs also have jurisdiction within their statutory authority to investigate elder and dependent adult abuse and criminal neglect and may assist in criminal investigations upon request, if consistent with federal law, in such cases. However, this office will retain responsibility for the criminal investigations (Penal Code § 368.5).

## Discriminatory Harassment

### 328.1 PURPOSE AND SCOPE

The purpose of this policy is to prevent office members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

### 328.2 POLICY

The San Benito County Sheriff's Office is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation (Government Code § 12940(k); 2 CCR 11023). The Office will not tolerate discrimination against a member in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Office will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The nondiscrimination policies of the Office may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

### 328.3 DEFINITIONS

Definitions related to this policy include:

#### 328.3.1 DISCRIMINATION

The Office prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes, stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or office equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to office policy and to a work environment that is free of discrimination.

#### 328.3.2 SEXUAL HARASSMENT

The Office prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

#### 328.3.3 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the California Civil Rights Council guidelines.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with County or office rules or regulations, or any other appropriate work-related communication between supervisor and member.

#### 328.3.4 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

### **328.4 RESPONSIBILITIES**

This policy applies to all office personnel. All members shall follow the intent of these guidelines in a manner that reflects office policy, professional standards, and the best interest of the Office and its mission.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline, in a manner that is consistent with established procedures.

#### **328.4.3 QUESTIONS OR CLARIFICATION**

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Sheriff, the Personnel Director, the County Administrator, or the California Civil Rights Department for further information, direction, or clarification (Government Code § 12950).

#### **328.5.1 SUPERVISOR RESOLUTION**

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. #### **328.5.2 FORMAL INVESTIGATION**

If the complaint cannot be satisfactorily resolved through the supervisory resolution process, a formal investigation will be conducted.

The person assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but is not limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

## Child Abuse

### 330.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation of suspected child abuse. This policy also addresses when San Benito County Sheriff's Office members are required to notify the county Child Protective Services (CPS) of suspected child abuse.

#### 330.1.1 DEFINITIONS

Definitions related to this policy include:

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency or law enforcement (Penal Code § 11165.9; Penal Code § 11166).

### 330.2 POLICY

The San Benito County Sheriff's Office will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

### 330.3 MANDATORY NOTIFICATION

The child protection agency shall be notified when (Penal Code § 11166):

- (a) There is a known or suspected instance of child abuse or neglect reported, which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or
- (b) A person responsible for the child's welfare fails to adequately protect the child from abuse when the person knew or reasonably should have known that the child was in danger of abuse.

The District Attorney's office shall be notified in all instances of known or suspected child abuse or neglect reported to this office. Notification of the District Attorney is not required for reports only involving neglect by a person, who has the care or custody of a child, to provide adequate food, clothing, shelter, medical care, or supervision where no physical injury to the child has occurred (Penal Code § 11166).

When the abuse or neglect occurs at a licensed facility or is alleged to have resulted from the actions of a person who is required to have a state license (e.g., foster homes, group homes, day care), notification shall also be made to the California Department of Social Services or other applicable licensing authority. When the alleged abuse or neglect involves a child of a minor parent or a dependent adult, notification shall also be made to the attorney of the minor or the dependent adult within 36 hours (Penal Code 11166.1; Penal Code 11166.2).

Child abuse or neglect does not include a mutual affray between minors, nor does it include an injury caused by the reasonable and necessary force used by a peace officer acting within the course and scope of the peace officer's employment as a peace officer.

#### **330.3.1 NOTIFICATION PROCEDURE**

Notification should occur as follows (Penal Code § 11166):

#### **330.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, a report will be written. Deputies shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected child abuse victim was contacted.
- (b) The exigent circumstances that existed if deputies interviewed the child victim without the presence of a parent or guardian.

#### 330.5.1 EXTRA JURISDICTIONAL REPORTS

If a report of known or suspected child abuse or neglect that is alleged to have occurred outside this jurisdiction is received, office members shall ensure that the caller is immediately transferred to the agency with proper jurisdiction for the investigation of the case. #### **330.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the deputy should make reasonable attempts to contact CPS. Generally, removal of a child from the child's family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this office should remove a child from the child's parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the deputy should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the deputy shall ensure that the child is delivered to CPS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking a child into protective custody.

Children may only be removed from a parent or guardian in the following situations when a court order cannot reasonably be obtained in a timely manner (Welfare and Institutions Code § 305):

- (a) The deputy reasonably believes the child is a person described in Welfare and Institutions Code § 300, and further has good cause to believe that any of the following conditions exist:
  - 1. The child has an immediate need for medical care.
  - 2. The child is in immediate danger of physical or sexual abuse.
  - 3. The physical environment or the fact that the child is left unattended poses an immediate threat to the child's health or safety. In the case of a child left unattended, the deputy shall first attempt to locate and determine if a responsible parent or guardian is available and capable of assuming custody before taking the child into protective custody.
- (b) The deputy reasonably believes the child requires protective custody under the provisions of Penal Code § 279.6, in one of the following circumstances:
  - 1. It reasonably appears to the deputy that a person is likely to conceal the child, flee the jurisdiction with the child or, by flight or concealment, evade the authority of the court.
  - 2. There is no lawful custodian available to take custody of the child.
  - 3. There are conflicting custody orders or conflicting claims to custody and the parties cannot agree which party should take custody of the child.
  - 4. The child is an abducted child.
- (c) The child is in the company of, or under the control of, a person arrested for Penal Code § 278 (Detainment or concealment of child from legal custodian) or Penal Code § 278.5 (Deprivation of custody of a child or right to visitation) (Penal Code § 279.6).

A child taken into protective custody shall be delivered to CPS unless otherwise directed by court order.

#### **330.6.1 CALIFORNIA SAFELY SURRENDERED BABY LAW**

An individual having lawful custody of an infant less than 72 hours old is not guilty of abandonment if the individual voluntarily surrenders physical custody of the infant to personnel on-duty at a safe-surrender site, such as a hospital or fire department (Penal Code § 271.5). The law requires the surrender site to notify CPS.

#### **330.6.2 NEWBORNS TESTING POSITIVE FOR DRUGS**

Under certain circumstances, deputies can be prohibited from taking a newborn who is the subject of a proposed adoption into protective custody, even when the newborn has tested positive for illegal drugs or the birth mother tested positive for illegal drugs.

Deputies shall instead follow the provisions of Welfare and Institutions Code § 305.6 to ensure that the newborn is placed with the adoptive parents when it is appropriate.

### **330.7 INTERVIEWS**

#### **330.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, deputies should record the preliminary interview with suspected child abuse victims. Deputies should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating deputies should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

#### **330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW**

A deputy should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the child need to be addressed immediately.
  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

#### 330.7.3 INTERVIEWS AT A SCHOOL

Any student at school who is a suspected victim of child abuse shall be afforded the option of being interviewed in private or selecting any qualified available adult member of the school staff to be present. The purpose of the staff member's presence is to provide comfort and support. The staff member shall not participate in the interview. The selection of a staff member should be such that it does not burden the school with costs or hardship (Penal Code § 11174.3).

#### **330.8 MEDICAL EXAMINATIONS**

If the child has been the victim of abuse that requires a medical examination, the investigating deputy should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The deputy should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, deputies should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for deputies to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

#### **330.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

##### 330.9.1 SUPERVISOR RESPONSIBILITIES

The Investigation Bureau supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when a deputy notifies the Investigation Bureau supervisor that the deputy has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.
- (c) Develop a report format or checklist for use when deputies respond to drug labs or other narcotics crime scenes. The checklist will help deputies document the environmental, medical, social and other conditions that may affect the child.

##### 330.9.2 DEPUTY RESPONSIBILITIES

Deputies responding to a drug lab or other narcotics crime scene where a child is present or where there is evidence that a child lives should:

#### **330.10 STATE MANDATES AND OTHER RELEVANT LAWS**

California requires or permits the following:

##### **330.10.1 RELEASE OF REPORTS**

##### **330.10.2 REQUESTS FOR REMOVAL FROM THE CHILD ABUSECENTRAL INDEX (CACI)**

Any person whose name has been forwarded to the California Department of Justice (DOJ) for placement in California's CACI, as a result of an investigation, may request that his/her name be removed from the CACI list. Requests shall not qualify for consideration if there is an active case, ongoing investigation or pending prosecution that precipitated the entry to CACI (Penal Code § 11169). All requests for removal shall be submitted in writing by the requesting person and promptly routed to the CACI hearing officer.

##### **330.10.3 CACI HEARING OFFICER**

The Investigation Bureau supervisor will normally serve as the hearing officer but must not be actively connected with the case that resulted in the person's name being submitted to CACI. Upon receiving a qualified request for removal, the hearing officer shall promptly schedule a hearing to take place during normal business hours and provide written notification of the time and place of the hearing to the requesting party.

##### **330.10.4 CACI HEARING PROCEDURES**

The hearing is an informal process where the person requesting removal from the CACI list will be permitted to present relevant evidence (e.g., certified copy of an acquittal, factual finding of innocence) as to why his/her name should be removed. The person requesting the hearing may record the hearing at his/her own expense.

Formal rules of evidence will not apply and the hearing officer may consider, in addition to evidence submitted by the person requesting the hearing, any relevant information including, but not limited to, the following:

- (a) Case reports including any supplemental reports
- (b) Statements by investigators
- (c) Statements from representatives of the District Attorney's Office
- (d) Statements by representatives of a child protective agency who may be familiar with the case

After considering all information presented, the hearing officer shall make a determination as to whether the requesting party's name should be removed from the CACI list. Such determination shall be based on a finding that the allegations in the investigation are not substantiated (Penal Code § 11169).

If, after considering the evidence, the hearing officer finds that the allegations are not substantiated, he/she shall cause a request to be completed and forwarded to the DOJ that the person's name be removed from the CACI list. A copy of the hearing results and the request for removal will be attached to the case reports.

The findings of the hearing officer shall be considered final and binding.

#### **330.10.5 CHILD DEATH REVIEW TEAM**

This office should cooperate with any interagency child death review team investigation. Written and oral information relating to the death of a child that would otherwise be subject to release restrictions may be disclosed to the child death review team upon written request and approval of a supervisor (Penal Code § 11174.32).

#### **330.11 TRAINING**

The Office should provide training on best practices in child abuse investigations to members tasked with investigating these cases. The training should include:

## 338.1 POLICY

It is the policy of this office to safeguard the rights of all individuals irrespective of their disability, gender, nationality, race or ethnicity, religion, sexual orientation, and/or association with a person or group with one or more of these actual or perceived characteristics. Any acts or threats of violence, property damage, harassment, intimidation, or other crimes motivated by hate or bias should be viewed very seriously and given high priority.

This office will employ reasonably available resources and vigorous law enforcement action to identify and arrest hate crime perpetrators. Also, recognizing the particular fears and distress typically suffered by victims, the potential for reprisal and escalation of violence, and the far-reaching negative consequences of these crimes on the community, this office should take all reasonable steps to attend to the security and related concerns of the immediate victims and their families as feasible.

All deputies are required to be familiar with the policy and use reasonable diligence to carry out the policy unless directed by the Sheriff or other command-level officer to whom the Sheriff formally delegates this responsibility.

## 338.2 PURPOSE AND SCOPE

This policy is designed to assist in identifying and handling crimes motivated by hate or other bias toward individuals and groups with legally defined protected characteristics, to define appropriate steps for assisting victims, and to provide a guide to conducting related investigations. It outlines the general policy framework for prevention, response, accessing assistance, victim assistance and follow-up, and reporting as related to law enforcement's role in handling hate crimes. It also serves as a declaration that hate crimes are taken seriously and demonstrates how the San Benito County Sheriff's Office may best use its resources to investigate and solve an offense, in addition to building community trust and increasing police legitimacy (Penal Code § 13519.6; Penal Code § 422.87).

### 338.2.1 DEFINITION AND LAWS

In accordance with Penal Code § 422.55; Penal Code § 422.56; Penal Code § 422.6; and Penal Code § 422.87, for purposes of all other state law, unless an explicit provision of law or the context clearly requires a different meaning, the following shall apply:

**Bias motivation** - Bias motivation is a pre-existing negative attitude toward actual or perceived characteristics referenced in Penal Code § 422.55. Depending on the circumstances of each case, bias motivation may include but is not limited to hatred, animosity, discriminatory selection of victims, resentment, revulsion, contempt, unreasonable fear, paranoia, callousness, thrill-seeking, desire for social dominance, desire for social bonding with those of one's "own kind," or a perception of the vulnerability of the victim due to the victim being perceived as being weak, worthless, or fair game because of a protected characteristic, including but not limited to disability or gender.

# San Benito County Sheriff's Office

### *Hate Crimes*

---

**Disability** - Disability includes mental disability and physical disability as defined in Government Code § 12926, regardless of whether those disabilities are temporary, permanent, congenital, or acquired by heredity, accident, injury, advanced age, or illness.

**Disability bias** - In recognizing suspected disability-bias hate crimes, deputies should consider whether there is any indication that the perpetrator was motivated by hostility or other bias, occasioned by factors such as but not limited to dislike of persons who arouse fear or guilt, a perception that persons with disabilities are inferior and therefore "deserving victims," a fear of persons whose visible traits are perceived as being disturbing to others, or resentment of those who need, demand, or receive alternative educational, physical, or social accommodations.

In recognizing suspected disability-bias hate crimes, deputies should consider whether there is any indication that the perpetrator perceived the victim to be vulnerable and, if so, if this perception is grounded, in whole or in part, in anti-disability bias. This includes but is not limited to situations where a perpetrator targets a person with a particular perceived disability while avoiding other vulnerable-appearing persons, such as inebriated persons or persons with perceived disabilities different from those of the victim. Such circumstances could be evidence that the perpetrator's motivations included bias against persons with the perceived disability of the victim and that the crime must be reported as a suspected hate crime and not a mere crime of opportunity.

**Gender** - Gender means sex and includes a person's gender identity and gender expression.

**Gender expression** - Gender expression means a person's gender-related appearance and behavior, regardless of whether it is stereotypically associated with the person's assigned sex at birth.

**Gender identity** - Gender identity means each person's internal understanding of their gender, or the perception of a person's gender identity, which may include male, female, a combination of male and female, neither male nor female, a gender different from the person's sex assigned at birth, or transgender (2 CCR § 11030).

**Hate crime** - "Hate crime" includes but is not limited to a violation of Penal Code § 422.6, and means a criminal act committed, in whole or in part, because of one or more of the following actual or perceived characteristics of the victim:

- (a) Disability
- (b) Gender
- (c) Nationality
- (d) Race or ethnicity
- (e) Religion
- (f) Sexual orientation
- (g) Association with a person or group with one or more of these actual or perceived characteristics:

## Standards of Conduct

### 340.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the San Benito County Sheriff's Office and are expected of all office members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this office or a member's supervisors.

### 340.2 POLICY

The continued employment or appointment of every member of the San Benito County Sheriff's Office shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

### 340.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any office supervisor or person in a position of authority, absent a reasonable and bona fide justification.

#### 340.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or office policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, office policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

### 342.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to emails, texts, or anything published, shared, transmitted, or maintained through file-sharing software or any internet site that is accessed, transmitted, received, or reviewed on any office computer system.

This includes records of all keystrokes or Web-browsing history made at any office computer or over any office network. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through office computers, electronic devices, or networks.

The Office shall not require a member to disclose a personal username or password for accessing personal social media or to open a personal social website; however, the Office may request access when it is reasonably believed to be relevant to the investigation of allegations of work-related misconduct (Labor Code § 980).

Introduction of software by members should only occur as part of the automated maintenance or update process of office- or County-approved or installed programs by the original manufacturer, producer or developer of the software.

Any other introduction of software requires prior authorization from IT staff and a full scan for malicious attachments.

#### 342.4.2 HARDWARE

Data stored on or available through office computer systems shall only be accessed by authorized members who are engaged in an active investigation or assisting in an active investigation, or who otherwise have a legitimate law enforcement or office-related purpose to access such data. Any exceptions to this policy must be approved by a supervisor.

Internet access provided by or through the Office shall be strictly limited to office-related activities. Internet sites containing information that is not appropriate or applicable to office use and which shall not be intentionally accessed include but are not limited to adult forums, pornography, gambling, chat rooms, and similar or related internet sites. Downloaded information shall be limited to messages, mail, and data files.

#### 342.4.4 OFF-DUTY USE

Members shall only use technology resources provided by the Office while on-duty or in conjunction with specific on-call assignments unless specifically authorized by a supervisor. Password length, format, structure, and content shall meet the prescribed standards required by the computer system or as directed by a supervisor and shall be changed at intervals as directed by IT staff or a supervisor.

It is prohibited for a member to allow an unauthorized user to access the computer system at any time or for any reason. Members shall promptly report any unauthorized access to the computer system or suspected intrusion from outside sources (including the internet) to a supervisor.

Level I reserve deputies may function under the authority of Penal Code § 832.6(a)(1) only for the duration of the assignment or purpose for which the authorization was granted.

In the absence of the Reserve Coordinator and the Sheriff or his designee, the Shift Sergeant may assign a certified Level I reserve deputy to function under the authority of Penal Code § 832.6(a)(1) for specific purposes and duration.

#### 350.5.2 RESERVE DEPUTY MEETINGS

All reserve deputy meetings will be scheduled and conducted by the Reserve Coordinator. All reserve deputies are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

#### 350.5.3 IDENTIFICATION OF RESERVE DEPUTIES

All reserve deputies will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time deputy. #### **350.6 FIREARMS REQUIREMENTS**

Penal Code § 830.6(a)(1) designates a reserve deputy as having peace officer powers during his/her assigned tour of duty, provided the reserve deputy qualifies or falls within the provisions of Penal Code § 832.6.

##### **350.6.1 CARRYING WEAPON ON DUTY**

Penal Code § 830.6(a)(1) permits qualified reserve deputies to carry a loaded firearm while on-duty. It is the policy of this department to allow reserves to carry firearms only while on-duty or to and from duty.

##### **350.6.2 CONCEALED FIREARMS PROHIBITED**

No reserve deputy will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve deputies who possess a valid CCW permit. An instance may arise where a reserve deputy is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve deputy may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve deputy who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to departmental standards. The weapon must be registered by the reserve deputy and be inspected and certified as fit for service by a departmental armorer.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve deputy shall have demonstrated his/her proficiency with said weapon.

When a reserve deputy has satisfactorily completed all three phases of training (as outlined in the Field Training section), he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Sheriff with input from the Reserve Program Coordinator and administrative staff. In issuing a concealed weapon permit a reserve deputy's qualification will be individually judged. A reserve deputy's dedication to the program and demonstrated maturity, among other factors, will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve deputy remains in good standing as a Reserve Deputy with the San Benito County Sheriff's Office.

##### **350.6.3 RESERVE DEPUTY FIREARM TRAINING**

All reserve deputies are required to maintain proficiency with firearms used in the course of their assignments. Reserve deputies shall comply with all areas of the firearms training section of the Policy Manual, with the following exceptions:

## Outside Agency Assistance

### 352.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members when requesting or responding to a request for mutual aid or when assisting another law enforcement agency.

### 352.2 POLICY

It is the policy of the San Benito County Sheriff's Office to promptly respond to requests for assistance by other law enforcement agencies, subject to available resources and consistent with the applicable laws and policies of this office.

### 352.3 ASSISTING OUTSIDE AGENCIES

Generally, requests for any type of assistance from another agency should be routed to the Shift Sergeant's office for approval. In some instances, a memorandum of understanding or other established protocol may exist that eliminates the need for approval of individual requests.

When another law enforcement agency requests assistance from this office, the Shift Sergeant may authorize, if available, an appropriate number of personnel to assist. Members are reminded that their actions when rendering assistance must conform with applicable laws and be consistent with the policies of this office.

Deputies may respond to a request for emergency assistance, however, they shall notify a supervisor of their activity as soon as practicable.

Arrestees may be temporarily detained by this office until arrangements for transportation are made by the outside agency. Probation violators who are temporarily detained by this office will not ordinarily be booked at this office. Only in exceptional circumstances, and subject to supervisor approval, will this office provide transportation of arrestees to other facilities on behalf of another agency.

When transportation assistance is rendered, a report shall be prepared and submitted by the handling member unless otherwise directed by a supervisor.

#### 352.3.1 INITIATED ACTIVITY

Any on-duty deputy who engages in law enforcement activities of any type that are not part of a mutual aid request and take place outside the jurisdiction of the San Benito County Sheriff's Office shall notify his/her supervisor or the Shift Sergeant and the Communications Center as soon as practicable. This requirement does not apply to special enforcement details or multi-agency units that regularly work in multiple jurisdictions.

### 352.4 REQUESTING OUTSIDE ASSISTANCE

If assistance is needed from another agency, the member requesting assistance should, if practicable, first notify a supervisor. The handling member or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

#### **352.6 MANDATORY SHARING**

Equipment and supplies purchased with federal funds or grants that require such equipment and supplies be shared with other agencies should be documented and updated as necessary by the Administration Sheriff or his designee or the authorized designee.

The documentation should include:

- (a) The conditions relative to sharing.
- (b) The training requirements for:
  - 1. The use of the supplies and equipment.

The Training Sergeant should maintain documentation that the appropriate members have received the required training.

## Registered Offender Information

### 356.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the San Benito County Sheriff's Office will address issues associated with certain offenders who are residing in the jurisdiction and how the Office will disseminate information and respond to public inquiries for information about registered sex, arson and drug offenders.

### 356.2 POLICY

It is the policy of the San Benito County Sheriff's Office to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

### 356.3 REGISTRATION

The Investigation Bureau supervisor shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. If it is reasonable to do so, an investigator assigned to related investigations should conduct the registration in order to best evaluate any threat the person may pose to the community. Those assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the investigator shall ensure that the registration information is provided to the California Department of Justice (DOJ) in accordance with applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

#### 356.3.1 CONTENTS OF REGISTRATION

The information collected from the registering offenders shall include a signed statement as required by the California DOJ, fingerprints and a photograph, and any other information required by applicable law (Penal Code § 457.1; Penal Code § 290 et seq.).

### 356.4 MONITORING OF REGISTERED OFFENDERS

The Investigation Bureau supervisor should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on the California DOJ website for sex offenders.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the California DOJ.

### *Registered Offender Information*

---

The Investigation Bureau supervisor should also establish a procedure to routinely disseminate information regarding registered offenders to San Benito County Sheriff's Office personnel, including timely updates regarding new or relocated registrants.

#### **356.5 DISSEMINATION OF PUBLIC INFORMATION**

Members will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Members who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisor. The supervisor should evaluate the request and forward the information to the Sheriff if warranted. A determination will be made by the Sheriff, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on sex registrants should be provided the Megan's Law website or the San Benito County Sheriff's Office's website. Information on sex registrants placed on the San Benito County Sheriff's Office's website shall comply with the requirements of Penal Code § 290.46.

The Records Supervisor may release local registered offender information to residents only in accordance with applicable law and in compliance with a California Public Records Act request (Government Code § 7920.000 et seq.; Penal Code § 290.45; Penal Code § 290.46; Penal Code § 457.1).

#### **356.5.1 LIMITED RELEASE WITHIN COLLEGE CAMPUS COMMUNITY**

## Death Investigation

### 360.1 PURPOSE AND SCOPE

The investigations of cases involving death include those ranging from natural cause to homicide. Some causes of death may not be readily apparent and some cases differ substantially from what they appeared to be initially. The thoroughness of death investigations cannot be emphasized enough.

### 360.2 INVESTIGATION CONSIDERATIONS

Death investigation cases require certain actions be taken. Paramedics shall be called in all suspected death cases unless the death is obvious (e.g., decapitated, decomposed). A supervisor shall be notified in all death investigations.

#### 360.2.1 CORONER REQUEST

Government Code § 27491 and Health & Safety Code § 102850 direct the Coroner to inquire into and determine the circumstances, manner and cause of certain deaths. The Coroner shall be called in any of the following cases:

- (a) Unattended deaths (No physician in attendance or during the continued absence of the attending physician. Also, includes all deaths outside hospitals and nursing care facilities).
- (b) Deaths where the deceased has not been attended by either a physician or a registered nurse, who is a member of a hospice care interdisciplinary team, as defined by Health and Safety Code § 1746 in the 20 days prior to death.

#### 360.2.2 SEARCHING DEAD BODIES

The Coroner or Deputy Coroner is generally the only person permitted to search a body known to be dead from any of the circumstances set forth in Government Code § 27491. If such a donor card is located, the Coroner or a designee shall be promptly notified. Should exigent circumstances indicate to a deputy that any search of a known dead body is warranted prior to the arrival of the Coroner or a designee; the investigating deputy shall first obtain verbal consent from the Coroner or a designee (Government Code § 27491.2).

Whenever possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain at the scene with the deputy pending the arrival of the Coroner or a designee. The name and address of this person shall be included in the narrative of the death report. Whenever personal effects are removed from the body of the deceased by the Coroner or a designee, a receipt shall be obtained. This receipt shall be attached to the death report.

#### 360.2.3 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the deputy assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Any member of this agency who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment shall ensure that the nearest office of Cal-OSHA is notified by telephone immediately or as soon as practicable with all pertinent information (8 CCR 342(b)).

## ORGAN/TISSUE DONATION PROCEDURES

### 361.1 PURPOSE AND SCOPE

Organ and tissue donations shall be approved pursuant to this Policy and Procedure and the law and generally in those cases where the Coroner's investigation and the Police investigation will not be compromised.

#### 361.1.1 PROCEDURE

I. The directives set forth in this policy and procedure are not intended to relieve a physician or any other person from their legal duty to immediately report the death of someone who comes under the jurisdiction of the Coroner pursuant to Government Code Section 27491. Failure to immediately report such a death is a misdemeanor.

Pursuant to Health and Safety Code Section 7151.5, and this Policy and Procedure, the Coroner may release and permit the removal of a part from a body within his custody, for transplant, therapy, or reconditioning, if the request for the part comes from a hospital, physician, surgeon, or procurement organization or, in the case of a pacemaker, from a person who reconditions pacemakers. When such a request is received the following procedures will be used to review the request.

A. Responsibilities of the Transplant Coordinator, physician or hospital requesting organ/tissue donation.

1. For each such request there is to be a physician, or a designated "Transplant Coordinator", familiar with all relevant facts of the case, who will continue to act as liaison with this office throughout processing of the case.

2. The "Transplant Coordinator" may make preliminary contact (prior to death) with the Coroner's Division regarding a potential organ donation for the purpose of determining if the death must be reported to the Coroner pursuant to Government Code Section 27491. The Coroner will not, however, evaluate the case for donation at this time, except in cases being evaluated for Donation After Cardiac Death (DCD)

3. The "Transplant Coordinator" is responsible for ensuring that written or audio recorded permission for the donation is obtained from either the potential donor or his or her next of kin in compliance with the Uniform Anatomical Gift Act. Copies of the signed consent forms or a transcription of the audio recorded consent are to be "FAXED" to the Coroner's Bureau.

4. If the Coroner approves organ donation, then the Transplant Coordinator shall be responsible for the following steps:

a. The "Transplant Coordinator" will be responsible for notifying the Coroner's Division of any new significant information concerning the prospective donor's medical condition or circumstances related to the donor's death. No organ removal will take place without a release by the Coroner's Division based upon the newly reported information.

### *ORGAN/TISSUE DONATION PROCEDURES*

---

b. The "Transplant Coordinator" will ensure that only the organs originally specified are removed, and that all such organs are removed with as little disturbance to the remainder of the body as possible.

c. The "Transplant Coordinator" will ensure that 50 cc of blood is drawn from the prospective donor, preserved in a fluoride solution in a gray top tube and taped to the decedent's body so that it is available at the time the Coroner removes the decedent from the hospital. This blood will be drawn as requested by the investigator.

d. The "Transplant Coordinator" is responsible for submitting to the Coroner's Division, a written operative report on the condition of the removed organs, as well as any irregularities or other significant observations concerning the body which were noted during the organ removal. In child abuse or suspected child abuse cases, full body x-rays shall be taken, prior to organ recovery and shall be made available for pick up with the decedent at the time the Coroner removes the decedent from the hospital. In all other cases, if x-rays are taken by the hospital, they must also be made available to the Coroner at the time the decedent is removed from the hospital.

B. Procedure to be followed by Coroner's personnel:

1. When a request has been made for organ donation involving a prospective donor who is or will be under the jurisdiction of the San Benito County Coroner (death must be declared in this county), the Coroner Investigator is to obtain the name and phone number of the liaison physician or "Transplant Coordinator", and as many facts as possible concerning the prospective donor and the circumstances leading to his or her death.

2. THE CORONER INVESTIGATOR WILL EVALUATE THE CASE, WHILE WAITING FOR A SIGNED COPY OF THE CONSENT FORM TO BE FAXED TO THE CORONER'S DIVISION.

The consent form must be signed by the appropriate next of kin as specified in Health and Safety Code Section 7151(a), or as provided in 7151(c). Note that pursuant to section 7151(a)(3)&(5), minor children or minor brothers or sisters are not extended the authority to make an anatomical gift.

Once a copy of the consent form has been received, the Coroner Investigator will then evaluate the case to ensure that the donation will not interfere with any autopsy or investigation by the Coroner or any law enforcement agency. Child abuse cases are to be reviewed on a case by case basis. In order to comply with this section, the Coroner Investigator shall:

a. Conduct a thorough investigation into the circumstances of death, including a review of the decedent's medical history. Given the nature of deaths associated with accidents or crimes, and the Coroner's responsibility to properly determine the cause of death as well as preserve evidence for future criminal and civil litigation, an extraordinary review should be done in these situations. The extent of both internal and external injuries and particularly their proximity to the organs which have been requested, should be recorded by the Investigator and discussed with the pathologist when considering the pathologist's ability to determine the cause of death if the donation should

occur. The pathologist may also speak directly to the attending physician of the potential organ donor.

b. Contact all of the agencies or individuals listed below, being careful to note in the Coroner's report the date, time, name and title of each person contacted, and ask the following question:

"My name is Coroner Investigator XXXXXX, with the San Benito County Sheriff's Department/ Coroner's Division. XXXXXX Hospital has reported the death of XXXXX and the family would like to proceed with organ donation. Pursuant to H&S 7151.5, it is the sole responsibility of the Coroner to either approve or deny the family's request to proceed with donation. It is our policy, however, to ask agencies or individuals who may be involved in investigating the decedent's death, if they object to donation.

Do you endorse the Coroner allowing the family to proceed with organ donation?"

[If anyone does object, then the reason why should be noted in the Coroner's report]

1. Police agency (officer/supervisor assigned to the case)
2. Pathologist (Dr. Hain first; then any of the other pathologists)
3. District Attorney (criminal cases only). On-call DA phone number available through Sheriff's Dispatch.
3. It is the policy of this County to release each case for organ donation. If the Coroner Investigator or any one of the above agencies or individuals objects to the Coroner allowing the family to proceed with organ donation, then the Unit Commander of the Coroner's Division, shall be contacted. The Unit Commander, shall evaluate any objections raised and make the final determination to either proceed or not to proceed with the family's request for organ donation. If the final determination by the Coroner is to either deny the donation or to limit the donation, then the Coroner Investigator shall inform the "Transplant Coordinator" of this decision as well as the reason for the denial or limitation. The Sheriff will be contacted before the final determination of a denial.
4. If, after careful evaluation, the Coroner Investigator and all agencies or individuals listed in Section B, Paragraphs b, 1,2,3, agree to proceed with the donation, then the Coroner Investigator will inform the "Transplant Coordinator" that the Coroner approves the donation. The Coroner Investigator shall note in the Coroner's report the date, time, name and title of each person contacted and the fact that they agreed to proceed.
5. The Coroner's Investigator will remind the "Transplant Coordinator" of their responsibilities as described in this policy and procedure.
6. The Coroner's Investigator will see that the donor information is included on the investigator's report, along with a copy of the California Transplant Donor Network Form. This should be done even when the request has been denied.

7. The date and time of death sections on the Coroner Investigator's report, shall reflect the dates and times of declared and confirmed brain death pursuant to H&S 7181 & 7182. For reporting purposes, the date and time of death shall be at the second brain death pronouncement.

8. Some cases for organ donation may fall under the Donation After Cardiac Death (DCD) program. preliminary release for organ donation may be granted by the investigator in the case prior to documentation of death by the attending physician. CTDN will notify the investigator as per usual policy, obtain release and inform the investigator of the proposed time for recovery of organs. CTDN will also notify the investigator with information regarding the actual time of death (asystole) when the patient is pronounced. (All usual procedures for reporting and investigation will be conducted as previously stated in policy)

9. In cases where no next of kin are located after a Diligent Search is conducted by the hospital, with assistance of CTDN and the San Benito Coroners office and any Police Agencies; the policy of this agency will be to release organs for donation. The Diligent Search will have been conducted for at least 12 hours. The Sheriff will be contacted to discuss release of the case for organ donation. The office will assist with identification of the deceased either through finger printing or review of police records. In all cases the Sheriff will have the final decision making authority.

## Identity Theft

### 362.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

### 362.2 REPORTING

- (a) In an effort to maintain uniformity in reporting, deputies presented with the crime of identity theft (Penal Code § 530.6) shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, deputies should observe the following:
  - 1. For any victim not residing within this jurisdiction, the deputy may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he or she resides.
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, deputies of this department should investigate and report crimes occurring within this jurisdiction which have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the credit card fraud occurred and is reported in this jurisdiction).
- (c) Deputies should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Deputies should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and DMV) with all known report numbers.
- (e) The reporting deputy should inform victims of identity theft that the California Identity Theft Registry is available to help those who are wrongly linked to crimes. The registry can be checked by law enforcement and other authorized persons to investigate whether a criminal history or want was created in the victim's name (Penal Code § 530.7). Information regarding the California Identity Theft Registry can be obtained by calling toll free (888) 880-0240.
- (f) Following supervisory review and departmental processing, the initial report should be forwarded to the appropriate detective for follow up investigation, coordination with other agencies and prosecution as circumstances dictate.

## Private Persons Arrests

### 364.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for the handling of private person's arrests made pursuant to Penal Code § 837.

### 364.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Penal Code § 836(b) expressly mandates that all deputies shall advise victims of domestic violence of the right to make a private person's arrest, including advice on how to safely execute such an arrest. In all other situations, deputies should use sound discretion in determining whether or not to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, deputies should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest, and absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

### 364.3 ARRESTS BY PRIVATE PERSONS

Penal Code § 837 provides that a private person may arrest another:

- (a) For a public offense committed or attempted in his or her presence;
- (b) When the person arrested has committed a felony, although not in his or her presence;
- (c) When a felony has been in fact committed, and he or she has reasonable cause for believing the person arrested has committed it.

Unlike peace officers, private persons may not make an arrest on suspicion that a felony has been committed - the felony must in fact have taken place.

### 364.4 DEPUTY RESPONSIBILITIES

Any deputy presented with a private person wishing to make an arrest must determine whether or not there is reasonable cause to believe that such an arrest would be lawful (Penal Code § 847).

- (a) Should any deputy determine that there is no reasonable cause to believe that a private person's arrest is lawful, the deputy should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, determine the lawfulness of the arrest and protect the public safety.
  1. Any deputy who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual pursuant to Penal Code § 849(b) (1). The deputy must include the basis of such a determination in a related report.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Private Persons Arrests*

---

2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the deputy, the deputy should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever a deputy determines that there is reasonable cause to believe that a private person's arrest is lawful, the deputy may exercise any of the following options:
1. Take the individual into physical custody for booking
  2. Release the individual pursuant to a Notice to Appear
  3. Release the individual pursuant to Penal Code § 849

#### **364.5 REPORTING REQUIREMENTS**

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a department Private Person's Arrest form under penalty of perjury.

In addition to the Private Person's Arrest Form (and any other related documents such as citations, booking forms, etc.), deputies shall complete a narrative report regarding the circumstances and disposition of the incident.

## Limited English Proficiency Services

### 368.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 368.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the San Benito County Sheriff's Office, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 368.2 POLICY

It is the policy of the San Benito County Sheriff's Office to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 368.3 LEP COORDINATOR

The Sheriff shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Patrol Sheriff or his designee or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

### *Limited English Proficiency Services*

---

- (a) Coordinating and implementing all aspects of the San Benito County Sheriff's Office's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Sergeant and Communications Manager. The list should include information regarding the following:
  - 1. Languages spoken
  - 2. Contact information
  - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### 368.3.1 FAMILY AND FRIENDS OF LEP INDIVIDUAL

While family and friends of an LEP individual may frequently offer to assist with interpretation, deputies should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in emergency or critical situations. Further, the nature of the contact and relationship between the LEP individual and the individual offering services must be carefully considered (e.g., victim/suspect).

### *Limited English Proficiency Services*

---

#### 368.3.2 POSTING OF AVAILABLE SERVICES

Forms printed in available languages should be maintained in a conspicuous location at the front counter and other appropriate areas such as a booking area. When such forms are either unavailable or inappropriate, the Department will post a conspicuous notice that LEP services may be available.

#### **368.4 FOUR-FACTOR ANALYSIS**

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

#### **368.5 TYPES OF LEP ASSISTANCE AVAILABLE**

San Benito County Sheriff's Office members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

#### **368.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

# San Benito County Sheriff's Office

### *Limited English Proficiency Services*

---

#### **368.7 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other County departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

#### **368.8 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

##### **368.8.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other County departments.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Limited English Proficiency Services*

---

- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

#### **368.8.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

#### **368.9 CONTACT AND REPORTING**

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

#### **368.10 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The San Benito County Sheriff's Office will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

##### **368.10.1 EMERGENCY CALLS TO 9-1-1**

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Limited English Proficiency Services*

---

individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in the Communications Center, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

#### **368.11 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the deputy is unable to effectively communicate with an LEP individual.

If available, deputies should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

#### **368.12 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, deputies should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Limited English Proficiency Services*

---

- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

#### **368.13 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **368.14 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

#### **368.15 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

#### **368.16 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **368.17 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

##### **368.17.1 TRAINING FOR AUTHORIZED INTERPRETERS**

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

## Communications with Persons with Disabilities

### 370.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

#### 370.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include, but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, translators, sign language interpreters and intermediary interpreters.

### 370.2 POLICY

It is the policy of the San Benito County Sheriff's Office to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

### 370.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Sheriff shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Patrol Sheriff or his designee or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the County ADA coordinator regarding the San Benito County Sheriff's Office's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

### *Communications with Persons with Disabilities*

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Sergeant and Communications Manager. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

#### **370.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

#### **370.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

## San Benito County SO Policy Manual

### *Communications with Persons with Disabilities*

---

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the San Benito County Sheriff's Office, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

#### **370.6 TYPES OF ASSISTANCE AVAILABLE**

San Benito County Sheriff's Office members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

#### **370.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

#### **370.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or investigation involving the disabled individual. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

#### **370.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

#### **370.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

#### **370.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

#### **370.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

#### **370.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Communications with Persons with Disabilities*

---

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the deputy is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, deputies should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **370.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

#### **370.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that he/she understands the process and desires to proceed without an interpreter. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter or by providing a written *Miranda* warning card.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Communications with Persons with Disabilities*

---

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

#### **370.15 ARREST AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting deputy shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the deputy reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

#### **370.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

#### **370.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

#### **370.18 TRAINING**

To ensure that all members who may have contact with individuals who are disabled are properly trained, the Department will provide periodic training that should include:

- (a) Awareness and understanding of this policy and related procedures, related forms and available resources.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Communications with Persons with Disabilities*

---

- (b) Procedures for accessing qualified interpreters and other available resources.
- (c) Working with in-person and telephone interpreters and related equipment.

The Training Sergeant shall be responsible for ensuring new members receive training related to interacting with individuals who have disabilities, including individuals who are deaf, hard of hearing, who have impaired speech or vision, or are blind. Those who may have contact with such individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

#### 370.18.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of TTY equipment protocols for communicating with individuals who are deaf, hard of hearing or who have speech impairments. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing TTY or TDD calls, including the importance of recognizing silent TTY or TDD calls, using proper syntax, abbreviations and protocol when responding to TTY or TDD calls.
- (d) Hands-on experience in TTY and TDD communications, including identification of TTY or TDD tones.

Training should be mandatory for all the Communications Center members who may have contact with individuals from the public who are deaf, hard of hearing or have impaired speech. Refresher training should occur every six months.

## Biological Samples

### 374.1 PURPOSE AND SCOPE

This policy provides guidelines for the collection of biological samples from those individuals required to provide samples upon conviction or arrest for certain offenses. This policy does not apply to biological samples collected at a crime scene or taken from a person in conjunction with a criminal investigation. Nor does it apply to biological samples from those required to register, for example, sex offenders.

### 374.2 POLICY

- (b) Verify that a biological sample has not been previously collected from the offender by querying the individual's criminal history record for a DNA collection flag or, during regular business hours, calling the California Department of Justice (DOJ) designated DNA laboratory. There is no need to obtain a biological sample if one has been previously obtained.
- (c) Use a DNA buccal swab collection kit provided by the California DOJ to perform the collection and take steps to avoid cross contamination.

### 374.5 USE OF FORCE TO OBTAIN SAMPLES

with the approval of a supervisor. Methods to consider when seeking voluntary compliance include contacting:

#### **374.5.2 CELL EXTRACTIONS**

Chaplains may be assigned to other areas within the Department as needed. Chaplains should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

All chaplains will be assigned to duties by the chaplain coordinator or the authorized designee.

Chaplains may not proselytize or attempt to recruit members of the Department or the public into a religious affiliation while representing themselves as chaplains with this department. If there is any question as to the receiving person's intent, chaplains should verify that the person is desirous of spiritual counseling or guidance before engaging in such discussion.

Chaplains may not accept gratuities for any service or any subsequent actions or follow-up contacts that were provided while functioning as a chaplain for the San Benito County Sheriff's Office.

## Child and Dependent Adult Safety

### 380.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this office (Penal Code § 833.2(a)).

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Senior and Disability Victimization policies.

### 380.2 POLICY

It is the policy of this office to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The San Benito County Sheriff's Office will endeavor to create a strong, cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected, including call-out availability and follow-up responsibilities.

### 380.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, deputies should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, deputies should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken (Penal Code § 13517.7(b)(1)):

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Deputies should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, deputies should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, deputies should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the deputy at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

#### 380.3.1 AFTER AN ARREST

Whenever an arrest is made, the deputy should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Deputies should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Deputies should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), deputies should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the deputy should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify Child Protective Services or the Division of Aging and Adult Services, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting deputy should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

#### 380.3.2 DURING THE BOOKING PROCESS

During the booking process the arrestee shall be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law (Penal Code § 851.5(c)).

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Child and Dependent Adult Safety*

---

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

#### 380.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Special needs (e.g., medical, mental health)
  - 5. How, where and with whom or which agency the child was placed
  - 6. Identities and contact information for other potential caregivers
  - 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
  - 1. Name
  - 2. Sex
  - 3. Age
  - 4. Whether he/she reasonably appears able to care for him/herself
  - 5. Disposition or placement information if he/she is unable to care for him/herself

#### 380.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling deputies, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

#### **380.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling deputy should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate (Welfare and Institutions Code § 305).

Only when other reasonable options are exhausted should a child or dependent adult be transported to the sheriff's facility, transported in a marked patrol car, or taken into formal protective custody.

## Volunteer Program

### 385.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn deputies and civilian personnel. Volunteers can be an important part of any organization and are proven to be a valuable asset to law enforcement agencies. Volunteers help to increase departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

#### 385.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve deputies, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

### 385.2 VOLUNTEER MANAGEMENT

#### 385.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Administration Sheriff or his designee. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator should work with other Department staff on an ongoing basis to assist in the development and implementation of volunteer-staffed positions.

The Volunteer Coordinator, or his/her designee, shall be responsible for the following:

- (e) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers.
- (f) Maintaining a record of volunteer schedules and work hours.
- (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.

- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

#### 385.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time-frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

#### 385.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and processed through the California Criminal Information Index.
- (b) Employment
- (c) References
- (d) Credit check

A polygraph exam may be required of each applicant depending on the type of assignment.

#### 385.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

#### 385.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn deputies or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

#### 385.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn deputies. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

#### **385.3 SUPERVISION OF VOLUNTEERS**

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

#### **385.4 CONFIDENTIALITY**

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

#### **385.5 PROPERTY AND EQUIPMENT**

Volunteers will be issued an identification card that must be worn at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

##### **385.5.1 VEHICLE USE**

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

# San Benito County Sheriff's Office

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and are not authorized to operate a Department vehicle Code-3.

#### **385.5.2 RADIO AND MDC USAGE**

Volunteers shall successfully complete CLETS and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and CLETS training is provided for volunteers whenever necessary.

#### **385.6 DISCIPLINARY PROCEDURES/TERMINATION**

A volunteer may be removed from the volunteer program at the discretion of the Sheriff or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Sheriff or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

##### **385.6.1 EXIT INTERVIEWS**

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

#### **385.7 EVALUATION**

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

# Generative Artificial Intelligence Use

## 394.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for office use of generative artificial intelligence (GenAI). This policy does not apply to artificial intelligence that is integrated into facial recognition applications, voice recognition applications, biometric access controls, or software that redacts documents or video or similar applications.

Additional guidelines for the use of office information technology resources are found in the Information Technology Use Policy.

### 394.1.1 DEFINITIONS

Definitions related to this policy include:

**Generative artificial intelligence (GenAI)** - A type of artificial intelligence that is algorithmically trained on one or more large data sets and designed to generate new and unique data (e.g., text, pictures, video) in response to a prompt (generally questions, instructions, images, or video) input by the user.

## 394.2 POLICY

The use of GenAI systems carries unique benefits within a law enforcement agency, providing ways to increase operational efficiency, enhance office procedures, and improve the overall effectiveness of the San Benito County Sheriff's Office.

However, the prompts input into GenAI systems can present risks to both individuals and law enforcement agencies by making accessible to the public information such as office tactics, investigative and training techniques, confidential information (e.g., confidential informants, protected information), active investigations, and security procedures. In addition, without safeguards in place, GenAI can produce unintended discriminatory or biased output as well as content that is inaccurate, misleading, or copyrighted.

It is the policy of the Office to develop, implement, and use GenAI ethically and responsibly in a way that minimizes potential risk and harm in accordance with the guidelines set forth below.

Any function carried out by a member of the Office using GenAI is subject to the same laws, rules, and policies as if carried out without the use of GenAI. The use of GenAI does not permit any law, rule, or policy to be bypassed or ignored.

## 394.3 RESPONSIBILITIES

### 394.3.1 SHERIFF

The Sheriff or an authorized designee shall approve all GenAI systems, their acceptable uses, and their authorized user groups prior to the use, implementation, or development for any office functions.

The responsibilities of the AI coordinator include but are not limited to:

- (a) Evaluating potential GenAI systems and recommending those GenAI systems that appear to be appropriate and trustworthy to the Sheriff or the authorized designee. The trustworthiness of GenAI systems should be evaluated by balancing the following characteristics:
  1. Validity and reliability - The system's apparent ability to meet the intended purpose and fulfill the needs of the Office consistently over time.
  2. Safety - Any apparent risk to human life, health, property, or the environment that could result from the office's use of the system.
  3. Security and resiliency - The system's capability to prevent unauthorized access and misuse and its ability to return to normal function should misuse occur.
  4. Accountability and transparency - The ability to track and measure the system's use and activity through histories, audit logs, and other processes to provide insight about the system and identify potential sources of error, bias, or vulnerability.
  5. Explainability and interpretability - The ability of the user to understand the purpose and impact of the system, how and why the system reached the resulting output, and what the output means for the user.
  6. Privacy - The ability of the system to protect confidentiality and meet applicable privacy standards for the types of data intended to be input into the system (e.g., state privacy laws, Criminal Justice Information Services (CJIS), Health Insurance Portability and Accountability Act (HIPAA)).
  7. Fairness - The ability of the system to operate in a way that avoids or minimizes bias and discrimination.
- (b) Ensuring appropriate contractual safeguards are in place to manage third-party use of office data and to restrict the use of input in AI training data sets. If the input of protected information is necessary for the proper use of the GenAI system, an information-exchange agreement in compliance with applicable rules and standards (e.g., CJIS requirements) should be used to outline the roles, responsibilities, and data ownership between the Office and third-party vendor.
- (c) Coordinating with others within the Office and County, such as the information technology or legal departments, as appropriate to ensure GenAI systems are procured, implemented, and used appropriately.
- (d) Maintaining a list or inventory of office-approved GenAI systems and, when appropriate for office transparency, making the list or inventory available to the public.
- (e) Developing and maintaining appropriate procedures related to the use of GenAI systems, including procedures for editing and fact-checking output.

- (h) Ensuring access to office GenAI systems is limited to authorized users and establishing requirements for user credentials such as two-factor authentication and appropriate password parameters.
- (i) Conducting audits at reasonable time intervals for each of the GenAI systems utilized by the Office to evaluate the performance and effectiveness of each approved system and to determine if it continues to meet the office's needs and expectations of trustworthiness. The coordinator should arrange for audits to be conducted by an external source, as needed.
- (j) Ensuring each GenAI system is updated and undergoes additional training as reasonably appears necessary in an effort to avoid the use of outdated information or technologies.
- (k) Keeping abreast of advancements in GenAI and any GenAI-related legal developments.
- (l) Reviewing this policy and office practices and proposing updates as needed to the Sheriff.
- (m) Developing procedures in coordination with the *Brady* information coordinator and the Records Supervisor for the compilation and potential release of any discovery or records related to the use of GenAI systems consistent with *Brady* and the California Public Records Act.

The use of office GenAI systems by office members shall be limited to official work-related purposes, and members shall only access and use GenAI systems for which they have been authorized and received proper training.

Members shall use AI-generated content as an informational tool and not as a substitution for human judgment or decision-making. Members should not represent AI-generated content as their own original work.

AI-generated content should be considered draft material only and shall be thoroughly reviewed prior to use. Before relying on AI-generated content, members should:

- (a) Obtain independent sources for information provided by GenAI and take reasonable steps to verify that the facts and sources provided by GenAI are correct and reliable.
- (b) Review prompts and output for indications of bias and discrimination and take steps to mitigate its inclusion when reasonably practicable (see the Bias-Based Policing Policy).
- (c) Include a statement in the final document or work product that GenAI was used to aid in its production.

#### **394.4.1 PRIVACY CONSIDERATIONS**

Information not otherwise available to the public, including data reasonably likely to compromise an investigation, reveal confidential law enforcement techniques, training, or procedures, or risk the safety of any individual if it were to become publicly accessible, should not be input into a GenAI system unless contractual safeguards are in place to prevent such information from becoming publicly accessible. Members should instead use generic unidentifiable inputs, such as "suspect" or "victim," and hypothetical scenarios whenever possible.

Protected information should only be input into GenAI systems that have been approved for such use and comply with applicable privacy laws and standards (see the Protected Information Policy).

#### **394.5 PROHIBITED USE**

Members shall not use GenAI systems to rationalize a law enforcement decision, or as the sole basis of research, interpretation, or analysis of the law or facts related to a law enforcement contact or investigation.

Members shall not create user accounts in their official capacity or input work-related data (including information learned solely in the scope of their employment) into publicly available GenAI systems unless the system has been approved by the Sheriff or the authorized designee for the intended use.

#### **394.6 TRAINING**

The AI coordinator should ensure that all members authorized to use GenAI have received appropriate initial training that is suitable for their role and responsibilities prior to their use of GenAI and receive periodic refresher training. - (c) The interpretation, review, and verification of GenAI output
- (d) Checking GenAI output for bias or protected information

### 409.2 PROCEDURE TO REQUEST A RIDE-ALONG

Generally, ride-along requests will be scheduled by the Watch Commander. The participant will complete a ride-along waiver form. Information requested will include a valid ID or California driver's license, address, and telephone number. If the participant is under 18 years of age, a parent/guardian must be present to complete the Ride-Along Form.

The Watch Commander will schedule a date, based on availability, at least one week after the date of application. If approved, a copy will be forwarded to the respective Shift Sergeant as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Office will contact the applicant and advise him/her of the denial.

#### 409.2.1 PROGRAM REQUIREMENTS

Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: Cadets, Explorers, RSVP, Chaplains, Reserves, sheriff's applicants, and all others with approval of the Shift Sergeant.

### *Ride-Along Policy*

---

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. Normally, no more than one ride-along will be allowed in the deputy's vehicle at a given time.

Ride-along requirements for sheriff's cadets are covered in the Sheriff's Cadets Policy.

#### 409.2.2 SUITABLE ATTIRE

Any person approved to ride along is required to be suitably dressed in collared shirt, blouse or jacket, slacks and shoes. Sandals, T-shirts, tank tops, shorts and ripped or torn blue jeans are not permitted. Hats and ball caps will not be worn in the sheriff's vehicle. The Shift Sergeant or field supervisor may refuse a ride along to anyone not properly dressed.

#### 409.2.3 PEACE OFFICER RIDE-ALONGS

Off-duty members of this office or any other law enforcement agency will not be permitted to ride-along with on-duty deputies without the expressed consent of the Shift Sergeant. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

#### 409.2.4 RIDE-ALONG CRIMINAL HISTORY CHECK

All Ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Department of Justice Automated Criminal History System check through CLETS prior to their approval as a ride-along with a law enforcement officer (provided that the ride-along is not an employee of the San Benito County Sheriff's Office) (CLETS Policies, Practices and Procedures Manual § 1.6.1.F.2.).

### **409.3 DEPUTY'S RESPONSIBILITY**

The deputy shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Deputies shall consider the safety of the ride-along at all times. Deputies should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practical have another sheriff's unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

The Shift Sergeant is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the yellow form shall be returned to the Shift Sergeant with any comments which may be offered by the deputy.

### **409.4 CONTROL OF RIDE-ALONG**

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

- (a) The ride-along will follow the directions of the deputy
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any sheriff's equipment

---

- (c) The ride-along may terminate the ride at any time and the deputy may return the observer to their home or to the station if the ride-along interferes with the performance of the deputy's duties
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety
- (e) Deputies will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen
- (f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with a deputy without the expressed consent of the resident or other authorized person

# Hazardous Material Response

## 411.1 PURPOSE AND SCOPE

Exposure to hazardous materials presents potential harm to office members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities. To comply with 8 CCR § 5194, the following is to be the policy of this office.

### 411.1.1 DEFINITIONS

Definitions related to this policy include:

**Hazardous material** – A substance which, by its nature, containment, or reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 411.2 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic accident, chemical spill, or fire. When members come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and citizens.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Attempt to identify the type of hazardous substance. (Identification can be determined by placard, driver's manifest, or statements from the person transporting).
- (b) Notify the fire department.
- (c) Provide first-aid for injured parties if it can be done safely and without contamination.
- (d) Begin evacuation of the immediate area and surrounding areas, depending on the substance. Voluntary evacuation should be considered; however, depending on the substance, mandatory evacuation may be necessary.
- (e) Notify the local health authority. Such notification is mandatory when a spilled or released item is a pesticide (Health and Safety Code § 105215).
- (f) Notify the Department of Toxic Substances Control. This is mandatory when a deputy comes in contact with, or is aware of, the presence of a suspected hazardous substance at a site where an illegal controlled substance is or was manufactured (Health and Safety Code § 79355).

## 411.3 REPORTING EXPOSURE

Office members who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an employee memorandum that shall be forwarded via chain of command to the Shift Sergeant as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Hazardous Material Response*

---

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report as applicable.

#### 411.3.1 SUPERVISOR RESPONSIBILITY

When a supervisor has been informed that a member has been exposed to a hazardous material, the supervisor shall ensure that immediate medical treatment is obtained and appropriate action is taken to lessen the exposure.

To ensure the safety of members, safety equipment is available through supervisory personnel. Safety items not maintained by the Office will be obtained through the fire department.

## Hostage and Barricade Incidents

### 413.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where deputies have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the deputies by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that deputies encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

#### 413.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is:

- (a) Unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.
- (b) Unlawfully held against his/her will under threat or actual use of force.

### 413.2 POLICY

It is the policy of the San Benito County Sheriff's Office to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

### 413.3 COMMUNICATION

When circumstances permit, initial responding deputies should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Deputies should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, office-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

#### 413.3.1 EMERGENCY COMMUNICATIONS

Only a deputy who has been designated by the District Attorney or Attorney General may use or authorize the use of an electronic amplifying or recording device to eavesdrop on or record,

or both, oral communication in response to an emergency situation involving a hostage or the barricading of a location, and only when (Penal Code § 633.8(b)):

- (a) The deputy reasonably determines an emergency situation exists that involves the immediate danger of death or serious physical injury to any person within the meaning of 18 USC § 2518(7)(a)(i),
- (b) The deputy reasonably determines that the emergency situation requires that eavesdropping on oral communication occur immediately, and
- (c) There are grounds upon which an order could be obtained pursuant to 18 USC § 2516(2).
- (d) An application for an order approving the eavesdropping and complying with the requirements of Penal Code § 629.50 is made within 48 hours of the beginning of the eavesdropping.
- (e) The contents of any oral communications overheard are recorded on tape or other comparable device.

#### **413.4 FIRST RESPONDER CONSIDERATIONS**

First responding deputies should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding deputy should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding deputy shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The deputy shall continually evaluate the situation, including the level of risk to deputies, to the persons involved and to bystanders, and the resources currently available.

The handling deputy should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

##### **413.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, deputies handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.

- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the Public Information Officer (PIO).
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

#### 413.4.2 HOSTAGE SITUATION

Deputies presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that deputies react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate uninjured persons in the immediate threat area if it is reasonably safe to do so.

- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt to obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Office, such as command officers and the PIO.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

#### **413.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Crisis Response Unit (CRU) response if appropriate and apprising the CRU Commander of the circumstances. In addition, the following options should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
  - (b) Ensure the completion of necessary first responder responsibilities or assignments.
  - (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
  - (d) Establish a command post location as resources and circumstances permit.
  - (e) Designate assistants who can help with intelligence information and documentation of the incident.
  - (f) If it is practicable to do so, arrange for video documentation of the operation.
  - (g) Consider contacting utility and communication providers to restrict such services (e.g., restricting electric power, gas, telephone service).
1. When considering restricting communication services, a supervisor should make the determination that there is reason to believe an emergency situation exists involving immediate danger of death or great bodily harm and that an interruption to communication services is necessary to protect public safety (Penal Code § 11471). The supervisor must ensure the Office obtains a court order, in accordance with Penal Code § 11472, prior to requesting the interruption. In the case of an extreme emergency when there is insufficient time to obtain an order prior to the request, application for the order must be submitted within six hours after initiating the interruption. If six hours is not possible, then the application for the court order shall be made at the first reasonably available opportunity, but no later than 24 hours in accordance with Penal Code § 11475.

- (h) Ensure adequate law enforcement coverage for the remainder of the County during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or the Communications Center.
- (i) Identify a media staging area outside the outer perimeter and have the office Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

#### **413.6 CRU RESPONSIBILITIES**

The Incident Commander will decide, with input from the CRU Commander, whether to deploy the CRU during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the CRU Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter security and evacuation, media access and support for the CRU. The Incident Commander and the CRU Commander or the authorized designee shall maintain communications at all times.

#### **413.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling deputy at the scene is responsible for completion and/or coordination of incident reports.

## Response to Bomb Calls

### **415.1 PURPOSE AND SCOPE**

The purpose of this policy is to provide guidelines to assist members of the San Benito County Sheriff's Office in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

### **415.2 POLICY**

It is the policy of the San Benito County Sheriff's Office to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### **415.3 RECEIPT OF BOMB THREAT**

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Sergeant is immediately advised and informed of the details. This will enable the Shift Sergeant to ensure that the appropriate personnel are dispatched, and, as appropriate, the threatened location is given an advance warning.

### **415.4 GOVERNMENT FACILITY OR PROPERTY**

A bomb threat targeting a government facility may require a different response based on the government agency.

#### **415.4.1 SAN BENITO COUNTY SHERIFF'S OFFICE FACILITY**

If the bomb threat is against the San Benito County Sheriff's Office facility, the Shift Sergeant will direct and assign deputies as required for coordinating a general building search or evacuation of the sheriff's department, as he/she deems appropriate.

#### **415.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY**

If the bomb threat is against a county or municipal facility within the jurisdiction of the San Benito County Sheriff's Office that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant deems appropriate.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Response to Bomb Calls*

---

#### 415.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

#### 415.5 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the County of San Benito, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting sheriff's assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  1. No evacuation of personnel and no search for a device.
  2. Search for a device without evacuation of personnel.
  3. Evacuation of personnel without a search for a device.
  4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Sergeant is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

#### 415.5.1 ASSISTANCE

The Shift Sergeant should be notified when sheriff's assistance is requested. The Shift Sergeant will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including sheriff's control over the facility.

Should the Shift Sergeant determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Response to Bomb Calls*

---

- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request sheriff's assistance to clear the interior of a building, based upon the circumstances and known threat, deputies may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

#### **415.6 FOUND DEVICE**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
  - 1. Two-way radios
  - 2. Cell phones
  - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Sergeant including:
  - 1. The time of discovery.

---

2. The exact location of the device.
3. A full description of the device (e.g., size, shape, markings, construction).
4. The anticipated danger zone and perimeter.
5. The areas to be evacuated or cleared.

#### **415.7 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding deputies. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

##### **415.7.1 CONSIDERATIONS**

Deputies responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

##### **415.7.2 NOTIFICATIONS**

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Field supervisor
- Shift Sergeant
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

#### 415.7.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

#### 415.7.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Sergeant should assign deputies to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

## Mental Illness Commitments

### 417.1 PURPOSE AND SCOPE

This policy provides guidelines for when deputies may take a person into custody for psychiatric evaluation and treatment (5150 commitment) (Welfare and Institutions Code § 5150).

### 417.2 POLICY

It is the policy of the San Benito County Sheriff's Office to protect the public and individuals through legal and appropriate use of the 72-hour treatment and evaluation commitment (5150 commitment) process.

### 417.3 AUTHORITY

A deputy having probable cause may take a person into custody and place the person in an approved mental health facility for 72-hour treatment and evaluation when the deputy believes that, as a result of a mental disorder, the person is a danger to him/herself or others or the person is gravely disabled (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5585.50).

When determining whether to take a person into custody, deputies are not limited to determining the person is an imminent danger and shall consider reasonably available information about the historical course of the person's mental disorder, which may include evidence presented from any of the following (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05):

- (a) An individual who is providing or has provided mental health treatment or related support services to the person
- (b) A family member
- (c) The person subject to the determination or anyone designated by the person

#### 417.3.1 VOLUNTARY EVALUATION

If a deputy encounters an individual who may qualify for a 5150 commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the person so desires, the deputies should:

- (a) Transport the person to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a 5150 commitment.
- (b) If at any point the person changes his/her mind regarding voluntary evaluation, deputies should proceed with the 5150 commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

### 417.4 CONSIDERATIONS AND RESPONSIBILITIES

Any deputy handling a call involving an individual who may qualify for a 5150 commitment should consider, as time and circumstances reasonably permit:

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Mental Illness Commitments*

---

- (a) Available information that might assist in determining the cause and nature of the person's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade deputies from taking reasonable action to ensure the safety of the deputies and others.

Deputies should consider a 5150 commitment over arrest when mental health issues appear to be a mitigating factor for people who are suspected of committing minor crimes or creating other public safety issues.

#### **417.4.1 SECURING OF PROPERTY**

When a person is taken into custody for evaluation, or within a reasonable time thereafter, and unless a responsible relative, guardian or conservator is in possession of the person's personal property, the deputy shall take reasonable precautions to safeguard the individual's personal property in his/her possession or on the premises occupied by the person (Welfare and Institutions Code § 5150).

The deputy taking the person into custody shall provide a report to the court that describes the person's property and its disposition in the format provided in Welfare and Institutions Code § 5211, unless a responsible person took possession of the property, in which case the deputy shall only include the name of the responsible person and the location of the property (Welfare and Institutions Code § 5150).

#### **417.5 TRANSPORTATION**

When transporting any individual for a 5150 commitment, the transporting deputy should have the Communications Center notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Deputies may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of a deputy during the transport, Shift Sergeant approval is required before transport commences.

#### **417.6 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the deputy will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the deputy should provide the staff member with the written application for a 5150 commitment and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting deputy should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported

and delivered while restrained, the deputy may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, deputies will not apply facility-ordered restraints.

#### **417.7 DOCUMENTATION**

The deputy shall complete an application for a 72-Hour detention for evaluation and treatment, provide it to the facility staff member assigned to that patient and retain a copy of the application for inclusion in the case report.

The application shall include the circumstances for deputy involvement; the probable cause to believe the person is, as a result of a mental health disorder, a danger to others or him/herself or gravely disabled; and all information used for the determination of probable cause (Welfare and Institutions Code § 5150; Welfare and Institutions Code § 5150.05).

The deputy should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

##### **417.7.1 ADVISEMENT**

The deputy taking a person into custody for evaluation shall advise the person of:

- (a) The deputy's name and agency.
- (b) The fact that the person is not under criminal arrest but is being taken for examination by mental health professionals and the mental health staff will advise him/her of their rights.
- (c) The name of the facility to which the person is being taken.
- (d) If the person is being taken into custody at his/her residence, he/she should also be advised that he/she may take a few personal items, which the deputy must approve, and may make a telephone call or leave a note indicating where he/she is being taken. The deputy should also ask if the person needs assistance turning off any appliance or water.

The advisement shall be given in a language the person understands. If the person cannot understand an oral advisement, the information shall be provided in writing (Welfare and Institutions Code § 5150).

#### **417.8 CRIMINAL OFFENSES**

Deputies investigating an individual who is suspected of committing a minor criminal offense and who is being taken on a 5150 commitment should resolve the criminal matter by issuing a warning or a Notice to Appear as appropriate.

When an individual who may qualify for a 5150 commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the deputy should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the 5150 commitment.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Mental Illness Commitments*

---

- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a 5150 commitment.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this office to regain custody of the individual, office resources (e.g., posting a guard) and other relevant factors in making this decision.

#### **417.9 FIREARMS AND OTHER WEAPONS**

Whenever a person is taken into custody for a 5150 commitment, the handling deputies should seek to determine if the person owns or has access to any firearm or other deadly weapon defined in Welfare and Institutions Code § 8100. Deputies should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Deputies are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A search warrant may also be needed before searching for or seizing weapons

The handling deputies shall issue a receipt describing the deadly weapon or any firearm seized, and list any serial number or other identification that is on the firearm. Deputies shall advise the person of the procedure for the return of any firearm or other weapon that has been taken into custody (Welfare and Institutions Code § 8102 (b)) (see Property and Evidence Policy).

##### **417.9.1 PETITION FOR RETURN OF FIREARMS AND OTHER WEAPONS**

Whenever the handling deputy has cause to believe that the future return of any confiscated weapon might endanger the person or others, the deputy shall detail those facts and circumstances in a report. The report shall be forwarded to the Investigation Bureau, which shall be responsible for initiating a petition to the Superior Court for a hearing in accordance with Welfare and Institutions Code § 8102(c), to determine whether the weapon will be returned.

The petition to the Superior Court shall be initiated within 30 days of the release of the individual from whom such weapon has been confiscated, unless the Office makes an ex parte application to the court to extend the time to file such a petition, up to a maximum of 60 days. At the time any such petition is initiated, the Office shall send written notice to the individual informing him/her of the right to a hearing on the issue, that he/she has 30 days to confirm with the court clerk any desire for a hearing and that the failure to do so will result in the forfeiture of any confiscated weapon.

#### **417.10 TRAINING**

This office will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, 5150 commitments and crisis intervention.

## Cite and Release Policy

### 418.1 PURPOSE AND SCOPE

This policy provides guidance on when to release adults who are arrested for a criminal misdemeanor offense on a written notice to appear (citation) and when to hold for court or bail.

### 418.2 POLICY

It is the policy of the San Benito County Sheriff's Office to release all persons arrested on misdemeanor or other qualifying charges on a citation with certain exceptions (Penal Code § 853.6).

If there is a reason for non-release, the Office's mission to protect the community will be the primary consideration when determining whether to release any individual in lieu of holding for court or bail.

### 418.3 RELEASE BY CITATION

Except in cases where a reason for non-release as described below exists, adults arrested for a misdemeanor offense, including a private person's arrest, shall be released from custody on a citation (Penal Code § 853.6).

The citing deputy shall, at the time the defendant signs the notice to appear, call attention to the time and place for appearance and take any other steps they deem necessary to ensure that the defendant understands their written promise to appear.

#### 418.3.1 FIELD CITATIONS

In most cases an adult arrested for a misdemeanor offense may be released in the field on a citation in lieu of physical arrest when booking and fingerprinting is not practicable or immediately required provided the individual can be satisfactorily identified, there is no outstanding arrest warrant for the individual and none of the below described disqualifying circumstances are present (Penal Code § 853.6; Penal Code § 1270.1). In such cases the arresting deputy should check the booking required box on the citation form to indicate that the person will be photographed and fingerprinted at a later time when ordered by the court.

When a booking photo or fingerprints are needed for the furtherance of any investigation, the person should be released on citation after booking instead of on a field citation.

#### 418.3.2 RELEASE AFTER BOOKING

In some cases it may not be feasible or desirable to release a person in the field. The person should instead be released on citation after booking at the jail. All bookings shall be approved by the Shift Sergeant or the authorized designee.

### 418.4 NON-RELEASE

#### 418.4.1 DISQUALIFYING OFFENSES

An adult arrested on any of the following disqualifying charges shall not be released on citation and shall be transported to the appropriate detention facility or held for court or bail after booking (Penal Code § 1270.1):

- (a) Misdemeanor domestic battery (Penal Code § 243(e)(1))
- (b) Felony domestic battery (Penal Code § 273.5)
- (c) Serious or violent felonies (Penal Code § 1270.1(a)(1))
- (d) Felony intimidation of witnesses and victims (Penal Code § 136.1)
- (e) Violation of a protective order and the arrested person has made threats, used violence, or has gone to the protected person's workplace or residence (Penal Code § 273.6)
- (f) Stalking (Penal Code § 646.9)
- (g) Misdemeanor violations of a protective order relating to domestic violence if there is a reasonable likelihood the offense will continue or the safety of the individuals or property would be endangered (Penal Code § 853.6)

#### 418.4.2 REASONS FOR NON-RELEASE

A person arrested for a misdemeanor shall be released on a citation unless there is a reason for non-release. The Shift Sergeant may authorize a release on citation regardless of whether a reason for non-release exists when it is determined to be in the best interest of the Office and does not present an unreasonable risk to the community (e.g., release of an intoxicated or ill person to a responsible adult).

Reasons for non-release include (Penal Code § 853.6(i)):

- (a) The person arrested is so intoxicated that they could be a danger to themselves or to others. Release may occur as soon as this condition no longer exists.
- (b) The person arrested requires medical examination or medical care or is otherwise unable to care for their own safety.
- (c) The person is arrested for one or more of the offenses listed in Vehicle Code § 40302, Vehicle Code § 40303, and Vehicle Code § 40305.
- (d) There are one or more outstanding arrest warrants for the person (see Misdemeanor Warrants elsewhere in this policy).
- (e) The person could not provide satisfactory evidence of personal identification.
  - 1. If a person released on citation does not have satisfactory identification in their possession, a right thumbprint or fingerprint should be obtained on the citation form.
- (f) The prosecution of the offense or offenses for which the person was arrested or the prosecution of any other offense or offenses would be jeopardized by the immediate release of the person arrested.

- (g) There is a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by the release of the person arrested.
- (h) The person arrested demands to be taken before a magistrate or has refused to sign the notice to appear.
- (i) There is reason to believe that the person would not appear at the time and place specified in the notice to appear. The basis for this determination shall be specifically documented. Reasons may include:
  - 1. Previous failure to appear is on record
  - 2. The person lacks ties to the area, such as a residence, job, or family
  - 3. Unusual circumstances lead the deputy responsible for the release of arrested persons to conclude that the suspect should be held for further investigation
- (j) A previous conviction, citation, or arrest for misdemeanor or felony retail theft from a store in the previous six months.
- (k) There is probable cause to believe that the person arrested is guilty of committing organized retail theft.

When a person is arrested on a misdemeanor offense and is not released by criminal citation, the reason for non-release shall be noted on the booking form. This form shall be submitted to the Shift Sergeant for approval and included with the case file in the Records Center.

#### **418.5 MISDEMEANOR WARRANTS**

An adult arrested on a misdemeanor warrant may be released, subject to Shift Sergeant approval, unless any of the following conditions exist:

- (a) The misdemeanor cited in the warrant involves violence.
- (b) The misdemeanor cited in the warrant involves a firearm.
- (c) The misdemeanor cited in the warrant involves resisting arrest.
- (d) The misdemeanor cited in the warrant involves giving false information to a peace deputy.

- (f) The person requires medical examination or medical care or was otherwise unable to care for their own safety.
- (g) The person has other ineligible charges pending against themselves.
- (h) There is reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be immediately endangered by the release of the person.
- (i) The person refuses to sign the notice to appear.
- (j) The person cannot provide satisfactory evidence of personal identification.

- (k) The warrant of arrest indicates that the person is not eligible to be released on a notice to appear.

Release under this section shall be done in accordance with the provisions of this policy.

#### **418.6 REQUESTING CASE NUMBERS**

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. Most Penal Code sections will require a case number to document the incident properly in a report. This section does not preclude a deputy from requesting a case number if the deputy feels the situation should be documented more thoroughly in a case report.

# Foreign Diplomatic and Consular Representatives

## 420.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the San Benito County Sheriff's Office extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

## 420.2 POLICY

The San Benito County Sheriff's Office respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

## 420.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

## 420.4 ENFORCEMENT

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

If the individual wants his/her government notified, the deputy shall begin the notification process.

## Rapid Response and Deployment

### 422.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist responding deputies in situations that call for rapid response and deployment.

### 422.2 POLICY

The San Benito County Sheriff's Office will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Office in protecting themselves or others from death or serious injury.

### 422.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding deputies should consider reasonable options to reduce, prevent or eliminate the threat. Deputies must decide, often under a multitude of difficult and rapidly evolving circumstances, whether to advance on the suspect, take other actions to deal with the threat or wait for additional resources.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, deputies should take immediate action, if reasonably practicable, while requesting additional assistance.

Deputies should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action deputies should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual deputy from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the deputies have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Rapid Response and Deployment*

---

- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

In a case of a barricaded suspect with no hostages and no immediate threat to others, deputies should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

#### **422.3.1 RESPONSE TO SCHOOL THREATS**

Upon receiving a threat or perceived threat from a school official that involves grades 6 to 12, deputies shall immediately investigate and conduct a threat assessment. The investigation shall include a review of the firearm registry of the California Department of Justice. A reasonable search of the school at issue shall be conducted when the search is justified by reasonable suspicion that it would produce evidence related to the threat or perceived threat (Education Code § 49394).

For purposes of this subsection a "threat" or "perceived threat" means any writing or action of a pupil that creates a reasonable suspicion that the pupil is preparing to commit a homicidal act related to school or a school activity. This may include possession, use, or depictions of firearms, ammunition, shootings, or targets in association with infliction of physical harm, destruction, or death in a social media post, journal, class note, or other media associated with the pupil. It may also include a warning by a parent, pupil, or other individual (Education Code § 49390).

#### **422.4 CONSIDERATIONS**

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

#### **422.5 PLANNING**

The Sheriff or his designee should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.

- (j) Coordination with private security providers in critical incident target sites.

#### **422.6 TRAINING**

The Training Sergeant should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.
- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
  - (a) This should include the POST terrorism incident training required for deputies assigned to field duties (Penal Code § 13519.12).
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

# Immigration Violations

## 425.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the San Benito County Sheriff's Office relating to immigration and interacting with federal immigration officials.

### 425.1.1 DEFINITIONS

The following definitions apply to this policy (Government Code § 7284.4):

**Criminal immigration violation** - Any federal criminal immigration violation that penalizes a person's presence in, entry, or reentry to, or employment in, the United States. This does not include any offense where a judicial warrant already has been issued.

**Immigration enforcement** - Any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal civil immigration law, including any and all efforts to investigate, enforce, or assist in the investigation or enforcement of any federal criminal immigration law that penalizes a person's presence in, entry or reentry to, or employment in the United States.

**Judicial warrant** - An arrest warrant for a violation of federal criminal immigration law and issued by a federal judge or a federal magistrate judge.

## 425.2 POLICY

It is the policy of the San Benito County Sheriff's Office that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this office in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their national origin or immigration status.

## 425.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and not in any way that would violate the United States or California constitutions.

### 425.3.1 DETERMINATION OF IMMIGRANT STATUS

Determination of immigration status is primarily the jurisdiction of the U.S. Immigration and Customs Enforcement. Title 8, United States Code, § 1304(e), provides: "Every alien, 18-years of age and over, shall at all times carry with him and have in his or her personal possession any certificate of alien registration or alien registration receipt card issued to him pursuant to subsection (d) of this section. Any alien who fails to comply with the provisions of this subsection shall be guilty of a misdemeanor and shall upon conviction for each offense be fined not to exceed \$100 or be imprisoned not more than 30 days, or both."

#### **425.4 IMMIGRATION INQUIRIES PROHIBITED**

Deputies shall not inquire into an individual's immigration status for immigration enforcement purposes (Government Code § 7284.6).

##### **425.4.1 CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS)**

Members shall not use information transmitted through CLETS for immigration enforcement purposes except for criminal history information and only when consistent with the California Values Act (Government Code § 15160).

Members shall not use the system to investigate immigration violations of 8 USC § 1325 (improper entry) if that violation is the only criminal history in an individual's record (Government Code § 15160).

##### **425.4.2 CALIFORNIA DEPARTMENT OF MOTOR VEHICLES**

Members shall not obtain, access, use, or otherwise disclose noncriminal history information maintained by the DMV for immigration enforcement (Vehicle Code § 1808.48).

#### **425.5 DETENTIONS AND ARRESTS**

A deputy shall not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant (Government Code § 7284.6).

A deputy who has a reasonable suspicion that an individual already lawfully contacted or detained has committed a criminal violation of 8 USC § 1326(a) (unlawful reentry) that may be subject to an enhancement due to a previous conviction of an aggravated felony under 8 USC § 1326(b) (2), may detain the person for a reasonable period of time to contact federal immigration officials to verify whether the United States Attorney General has granted the individual permission for reentry and whether the violation is subject to enhancement (Government Code § 7284.6). No individual who is otherwise ready to be released should continue to be detained only because questions about the individual's status are unresolved.

If the deputy has facts that establish probable cause to believe that a person already lawfully detained has violated 8 USC § 1326(a) and the penalty may be subject to enhancement due to prior conviction for specified aggravated felonies, he/she may arrest the individual for that offense (Government Code § 7284.6).

A deputy shall not detain any individual, for any length of time, for any other criminal immigration violation of federal immigration laws (Government Code § 7284.6).

A deputy should notify a supervisor as soon as practicable whenever an individual is arrested for violation of 8 USC § 1326(a).

##### **425.5.1 SUPERVISOR RESPONSIBILITIES**

When notified that a deputy has arrested an individual for violation of 8 USC § 1326(a) or under the authority of a judicial warrant, the supervisor should determine whether it is appropriate to:

The supervisor is responsible for determining whether the requested assistance would be permitted under the California Values Act (Government Code § 7284.2 et seq.).

#### **425.7 INFORMATION SHARING**

No member of this office will prohibit, or in any way restrict, any other member from doing any of the following regarding the citizenship or immigration status, lawful or unlawful, of any individual (8 USC § 1373; Government Code § 7284.6):

- (a) Sending information to, or requesting or receiving such information from federal immigration officials
- (b) Maintaining such information in office records
- (c) Exchanging such information with any other federal, state, or local government entity

Nothing in this policy restricts sharing information that is permissible under the California Values Act.

##### **425.7.1 IMMIGRATION DETAINERS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 (Government Code § 7284.6).

Notification to a federal authority may be made prior to release of an individual who is the subject of a notification request only if the individual meets one of the following conditions (Government Code § 7282.5; Government Code § 7284.6):

- (a) The individual has been arrested and had a judicial probable cause determination for a serious or violent felony identified in Penal Code § 667.5(c) or Penal Code § 1192.7(c).

##### **425.7.2 NOTICE TO INDIVIDUALS**

Individuals in custody shall be given a copy of documentation received from U.S. Immigration and Customs Enforcement (ICE) regarding a hold, notification, or transfer request along with information as to whether the San Benito County Sheriff's Office intends to comply with the request (Government Code § 7283.1).

#### 425.7.3 ICE INTERVIEWS

Before any interview regarding civil immigration violations takes place between ICE personnel and an individual in custody, the San Benito County Sheriff's Office shall provide the individual with a written consent form that explains the purpose of the interview, that the interview is voluntary, and that he/she may decline to be interviewed or may choose to be interviewed only with his/her attorney present. ## Emergency Utility Service

### 427.1 PURPOSE AND SCOPE

The County Public Works Department has personnel available to handle emergency calls 24 hours per day. Calls for service during non-business hours are frequently directed to the Sheriff's Department. Requests for such service received by this department should be handled in the following manner.

#### 427.1.1 BROKEN WATER LINES

The County's responsibility ends at the water meter; any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the County side of the meter, emergency personnel should be called as soon as practical by the Communications Center.

#### 427.1.2 ELECTRICAL LINES

County Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, a deputy should be dispatched to protect against personal injury or property damage that might be caused by power lines. The Electric Company or Public Works should be promptly notified, as appropriate.

#### 427.1.3 RESERVOIRS, PUMPS, WELLS, ETC.

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

#### 427.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies is maintained by the Communications Center.

### 427.2 TRAFFIC SIGNAL MAINTENANCE

The County of San Benito County contracts with a private maintenance company to furnish maintenance for all traffic signals within the County, other than those maintained by the State of California.

#### 427.2.1 DEPUTY'S RESPONSIBILITY

Upon observing a damaged or malfunctioning signal, the deputy will advise the the Communications Center of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

## Aircraft Accidents

### 430.1 PURPOSE AND SCOPE

The purpose of this policy is to provide office members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

#### 430.1.1 DEFINITIONS

Definitions related to this policy include:

**Aircraft** - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

### 430.2 POLICY

It is the policy of the San Benito County Sheriff's Office to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

### 430.3 ARRIVAL AT SCENE

Deputies or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

### 430.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

#### **430.5 NOTIFICATIONS**

When an aircraft accident is reported to this office, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

#### **430.6 CONTROLLING ACCESS AND SCENE AUTHORITY**

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this office will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene office supervisor should ensure the accident is still appropriately investigated and documented.

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.

Suspected criminal activity should be documented on the appropriate crime report.

##### **430.8.1 WRECKAGE**

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.

- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

#### **430.9 MEDIA RELATIONS**

## Obtaining Air Support

### 434.1 PURPOSE AND SCOPE

The use of a police helicopter can be invaluable in certain situations. This policy specifies potential situations where the use of a helicopter may be requested and the responsibilities for making a request.

### 434.2 REQUEST FOR HELICOPTER ASSISTANCE

If a supervisor or deputy in charge of an incident determines that the use of a helicopter would be beneficial, a request to obtain helicopter assistance may be made.

#### 434.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for a helicopter, the Shift Sergeant, or his/her designee, will call the closest agency having helicopter support available. The Shift Sergeant on duty will apprise that agency of the specific details of the incident prompting the request.

#### 434.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Police helicopters may be requested under any of the following conditions:

- (a) When the helicopter is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the helicopters may reduce such hazard
- (c) When the use of the helicopters will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When a helicopter is needed to locate a person who has strayed or is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits

While it is recognized that the availability of helicopter support will generally provide valuable assistance to ground personnel, the presence of a helicopter will rarely replace the need for deputies on the ground.

## Contacts and Temporary Detentions

### 436.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

#### 436.1.1 DEFINITIONS

Definitions related to this policy include:

**Consensual encounter** - When a deputy contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the deputy is voluntary.

**Field interview** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the deputy's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by deputies in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the deputy, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, a deputy has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When a deputy intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when a deputy actually restrains a person's freedom of movement.

### 436.2 POLICY

The San Benito County Sheriff's Office respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the deputy, the decision to temporarily detain a person and complete a field interview (FI), pat-down search, or field photograph shall be left to the deputy based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Contacts and Temporary Detentions*

---

#### **436.3 FIELD INTERVIEWS**

Based on observance of suspicious circumstances or upon information from investigation, a deputy may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the deputy's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the San Benito County Sheriff's Office to strengthen community involvement, community awareness, and problem identification.

##### **436.3.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the deputy should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act
- (b) Actions suggesting that he/she is engaged in a criminal activity
- (c) Presence in an area at an inappropriate hour of the day or night
- (d) Presence in a particular area is suspicious
- (e) Carrying of suspicious objects or items
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon
- (g) Location in proximate time and place to an alleged crime
- (h) Physical description or clothing worn that matches a suspect in a recent crime
- (i) Prior criminal record or involvement in criminal activity as known by the deputy

#### **436.4 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the deputy's training and experience, a deputy may pat a suspect's outer clothing for weapons if the deputy has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the deputy to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single deputy.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Contacts and Temporary Detentions*

---

- (f) Visual indications which suggest that the suspect is carrying a firearm or other weapon.

Whenever practicable, a pat-down search should not be conducted by a lone deputy. A cover deputy should be positioned to ensure safety and should not be involved in the search.

#### **436.5 FIELD PHOTOGRAPHS**

Before photographing any field detainee, the deputy shall carefully consider, among other things, the factors listed below.

##### **436.5.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT**

Field photographs may be taken when the subject being photographed knowingly and voluntarily gives consent. When taking a consensual photograph, the deputy should have the individual read and sign the appropriate form accompanying the photograph.

##### **436.5.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT**

Field photographs may be taken without consent only if they are taken during a detention that is based upon reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The deputy must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the deputy's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

##### **436.5.3 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs must be adequately labeled and submitted to the Shift Sergeant with either an associated FI card or other documentation explaining the nature of the contact. If an individual is photographed as a suspect in a particular crime, the photograph should be submitted as an evidence item in the related case, following standard evidence procedures.

If a photograph is not associated with an investigation where a case number has been issued, the Shift Sergeant should review and forward the photograph to one of the following locations:

- (a) If the photograph and associated FI or documentation is relevant to criminal organization/enterprise enforcement, the Shift Sergeant will forward the photograph and documents to the designated criminal intelligence system supervisor. The supervisor will ensure the photograph and supporting documents are retained as prescribed in the Criminal Organizations Policy.
- (b) Photographs that do not qualify for retention in a criminal intelligence system or temporary information file shall be forwarded to the Records Center.

When a photograph is taken in association with a particular case, the investigator may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part

---

of the case file. All other photographs shall be retained in accordance with the established records retention schedule.

#### **436.5.4 SUPERVISOR RESPONSIBILITIES**

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

#### **436.6 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, deputies should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, deputies should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by San Benito County Sheriff's Office members.
  - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

## Criminal Organizations

### 438.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the San Benito County Sheriff's Office appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

#### 438.1.1 DEFINITIONS

Definitions related to this policy include:

**Criminal intelligence system** - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

### 438.2 POLICY

The San Benito County Sheriff's Office recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this office to collect and share relevant information while respecting the privacy and legal rights of the public.

### 438.3 CRIMINAL INTELLIGENCE SYSTEMS

No office member may create, submit to or obtain information from a criminal intelligence system unless the Sheriff has approved the system for office use.

Any criminal intelligence system approved for office use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for office use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

#### 438.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, field interview (FI), photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this office, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Center. Any supporting documentation for an entry shall be retained by the Records Center in accordance with

---

the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Center are appropriately marked as intelligence information. The Records Supervisor may not purge such documents without the approval of the designated supervisor.

#### 438.3.2 GANG DATABASES

The Sheriff may approve participation by the gang unit in a shared criminal gang intelligence database, such as CALGANG®. Members must obtain the requisite training before accessing any such database (11 CCR 751.6).

It is the gang unit supervisor's responsibility to determine whether any report or FI contains information that would qualify for entry into the database. Prior to designating any person as a suspected gang member, associate, or affiliate in a shared gang database; or submitting a document to the Attorney General's office for the purpose of designating a person in a shared gang database; or otherwise identifying the person in a shared gang database, the gang unit supervisor shall provide written notice to the person and, if the person is under the age of 18, to his/her parent or guardian of the designation and the basis for the designation, unless providing that notification would compromise an active criminal investigation or compromise the health or safety of a minor. Notice shall also describe the process to contest the designation (Penal Code § 186.34).

The person, an attorney working on his/her behalf, or his/her parent or guardian (if the person is under 18 years of age) may request, in writing, information as to whether the person is designated as a suspected gang member, associate, or affiliate in a shared gang database accessible by the Office, the basis for that designation, and the name of the agency that made the designation. The Office shall respond to a valid request in writing within 30 days, and shall provide the information requested unless doing so would compromise an active investigation or compromise the health and safety of the person if he/she is under 18 years of age (Penal Code § 186.34).

The person, or his/her parent or guardian if the person is under 18 years of age, may contest the designation by submitting written documentation, which shall be reviewed by the gang unit supervisor. If it is determined that the person is not a suspected gang member, associate, or affiliate, the person shall be removed from the database. The person and the parent or guardian shall be provided written verification of the office's decision within 30 days of receipt of the written documentation contesting the designation and shall include the reason for a denial when applicable (Penal Code § 186.34).

The gang unit supervisor should forward reports or FIs to the Records Center after appropriate database entries are made. The supervisor should clearly mark the report/FI as gang intelligence information.

It is the responsibility of the Records Center supervisor to retain reports and FIs in compliance with the database rules and any applicable end user agreement.

---

Records contained in a shared gang database shall not be disclosed for employment or military screening purposes, and shall not be disclosed for the purpose of enforcing federal immigration law unless required by state or federal statute or regulation (Penal Code § 186.36).

#### **438.4 TEMPORARY INFORMATION FILE**

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the office-approved criminal intelligence system only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of criminal intelligence system entries.

##### **438.4.1 FILE CONTENTS**

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible office supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Center or Property and Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, FI forms, the Communications Center records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

##### **438.4.2 FILE REVIEW AND PURGING**

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

#### **438.5 INFORMATION RECOGNITION**

Office members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.

- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Office supervisors who utilize an authorized criminal intelligence system should work with the Training Sergeant to train members to identify information that may be particularly relevant for inclusion.

#### **438.6 RELEASE OF INFORMATION**

Office members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to office members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

#### **438.7 REVIEW AND PURGING OF GANG PARTICIPANT FILE**

The file shall be reviewed annually by the unit supervisor. Each individual file having no entry indicating law enforcement contact for the preceding year's period shall be purged from the file and disposed of in accordance with the Department purge criteria.

Exception: In the event there is a legitimate law enforcement reason to retain the information in the file, an explanation for doing so shall be entered in the file by the unit supervisor. Files that are retained beyond the one-year period shall be reviewed every six months to determine if they should be purged.

#### **438.8 CRIMINAL STREET GANGS**

The Investigation Bureau supervisor should ensure that there are an appropriate number of office members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with:
  1. Any organization, associate or group of three or more persons that meets the definition of a criminal street gang under Penal Code § 186.22(f).
  2. Identification of a person as a criminal street gang member and criminal street gang-related crimes.

3. The California Street Terrorism Enforcement and Prevention Act (Penal Code § 186.21 et seq.), associated crimes and what defines a criminal street gang (Penal Code § 186.22).
  - (b) Coordinate with other agencies in the region regarding criminal street gang-related crimes and information.
  - (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

#### **438.9 TRAINING**

The Training Sergeant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

##### **438.9.1 SHARED GANG DATABASE TRAINING**

The Training Sergeant should ensure that members who are authorized users of a shared gang database receive the required training from the California Department of Justice (DOJ) or an instructor certified by the DOJ that includes comprehensive and standardized training on the use of shared gang databases, and any other associated training required by the Office (Penal Code § 186.36; 11 CCR 751.6).

## Shift Sergeants

### **440.1 PURPOSE AND SCOPE**

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with departmental policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each watch.

### **440.2 DESIGNATION AS ACTING WATCH COMMANDER**

When a Sergeant is unavailable for duty as Shift Sergeant, in most instances the senior qualified senior deputy shall be designated as acting Shift Sergeant. This policy does not preclude designating a less senior senior deputy as an acting Shift Sergeant when operational needs require or training permits or as assigned by the Patrol Captain.

## Mobile Audio/Video

### 442.1 PURPOSE AND SCOPE

The San Benito County Sheriff's Office has equipped marked patrol cars with Mobile Audio Video (MAV) recording systems to provide records of events and assist deputies in the performance of their duties. This policy provides guidance on the use of these systems.

#### 442.1.1 DEFINITIONS

Definitions related to this policy include:

**Activate** - Any process that causes the MAV system to transmit or store video or audio data in an active mode.

**In-car camera system and Mobile Audio/Video (MAV) system**- Synonymous terms which refer to any system that captures audio and video signals, that is capable of installation in a vehicle, and that includes at minimum, a camera, microphone, recorder and monitor.

**MAV technician** -Personnel certified or trained in the operational use and repair of MAVs, duplicating methods, storage and retrieval methods and procedures, and who have a working knowledge of video forensics and evidentiary procedures.

**Recorded media** - Audio-video signals recorded or digitally stored on a storage device or portable media.

### 442.2 POLICY

It is the policy of the San Benito County Sheriff's Office to use mobile audio and video technology to more effectively fulfill the department's mission and to ensure these systems are used securely and efficiently.

### 442.3 DEPUTY RESPONSIBILITIES

Prior to going into service, each deputy will properly equip him/herself to record audio and video in the field. At the end of the shift, each deputy will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each deputy should have adequate recording media for the entire duty assignment. In the event a deputy works at a remote location and reports in only periodically, additional recording media may be issued. Only San Benito County Sheriff's Office identified and labeled media with tracking numbers is to be used.

At the start of each shift, deputies should test the MAV system's operation in accordance with manufacturer specifications and department operating procedures and training.

System documentation is accomplished by the deputy recording his/her name, serial number, badge or PIN number and the current date and time at the start and again at the end of each shift. If the system is malfunctioning, the deputy shall take the vehicle out of service unless a supervisor requests the vehicle remain in service.

#### **442.4 ACTIVATION OF THE MAV**

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually. The audio portion is independently controlled and should be activated manually by the deputy whenever appropriate. When audio is being recorded, the video will also record.

##### **442.4.1 REQUIRED ACTIVATION OF MAV**

This policy is not intended to describe every possible situation in which the MAV system may be used, although there are many situations where its use is appropriate. A deputy may activate the system any time the deputy believes it would be appropriate or valuable to document an incident.

In some circumstances it is not possible to capture images of the incident due to conditions or the location of the camera. However, the audio portion can be valuable evidence and is subject to the same activation requirements as the MAV. The MAV system should be activated in any of the following situations:

- (a) All field contacts involving actual or potential criminal conduct within video or audio range:
  - 1. Traffic stops (to include, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops)
  - 2. Priority responses
  - 3. Vehicle pursuits
  - 4. Suspicious vehicles
  - 5. Arrests
  - 6. Vehicle searches
  - 7. Physical or verbal confrontations or use of force
  - 8. Pedestrian checks
  - 9. DWI/DUI investigations including field sobriety tests
  - 10. Consensual encounters
  - 11. Crimes in progress
  - 12. Responding to an in-progress call
- (b) All self-initiated activity in which a deputy would normally notify the Communications Center
- (c) Any call for service involving a crime where the recorder may aid in the apprehension and/or prosecution of a suspect:
  - 1. Domestic violence calls
  - 2. Disturbance of peace calls

3. Offenses involving violence or weapons
  - (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording
  - (e) Any other circumstance where the deputy believes that a recording of an incident would be appropriate

#### 442.4.2 CESSATION OF RECORDING

Once activated, the MAV system should remain on until the incident has concluded. For purposes of this section, conclusion of an incident has occurred when all arrests have been made, arrestees have been transported and all witnesses and victims have been interviewed. Recording may cease if a deputy is simply waiting for a tow truck or a family member to arrive, or in other similar situations.

Members shall cease audio recording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

#### 442.4.3 WHEN ACTIVATION IS NOT REQUIRED

Activation of the MAV system is not required when exchanging information with other deputies or during breaks, lunch periods, when not in service or actively on patrol.

No member of this department may surreptitiously record a conversation of any other member of this department except with a court order or when lawfully authorized by the Sheriff or the authorized designee for the purpose of conducting a criminal or administrative investigation.

#### 442.4.4 SUPERVISOR RESPONSIBILITIES

Supervisors should determine if vehicles with non-functioning MAV systems should be placed into service. If these vehicles are placed into service, the appropriate documentation should be made, including notification of the Communications Center.

At reasonable intervals, supervisors should validate that:

- (a) Beginning and end-of-shift recording procedures are followed.
- (b) Logs reflect the proper chain of custody, including:
  1. The tracking number of the MAV system media.
  2. The date it was issued.
  3. The law enforcement operator or the vehicle to which it was issued.
  4. The date it was submitted.
  5. Law enforcement operators submitting the media.
  6. Holds for evidence indication and tagging as required.

- (c) The operation of MAV systems by new employees is assessed and reviewed no less than biweekly.

When an incident arises that requires the immediate retrieval of the recorded media (e.g., serious crime scenes, officer-involved shootings, department-involved collisions), a supervisor shall respond to the scene and ensure that the appropriate supervisor, MAV technician or crime scene investigator properly retrieves the recorded media. The media may need to be treated as evidence and should be handled in accordance with current evidence procedures for recorded media.

Supervisors may activate the MAV system remotely to monitor a developing situation, such as a chase, riot or an event that may threaten public safety, officer safety or both, when the purpose is to obtain tactical information to assist in managing the event. Supervisors shall not remotely activate the MAV system for the purpose of monitoring the conversations or actions of a deputy.

#### **442.5 REVIEW OF MAV RECORDINGS**

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of deputy conduct
- (c) By a supervisor to assess deputy performance
- (d) To assess proper functioning of MAV systems
- (e) By department investigators who are participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By a deputy who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Sheriff or the authorized designee
- (i) By the media through proper process or with permission of the Sheriff or the authorized designee
- (j) To assess possible training value

- (k) Recordings may be shown for training purposes. If an involved deputy objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the deputy's objection

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

#### **442.6 DOCUMENTING MAV USE**

If any incident is recorded with either the video or audio system, the existence of that recording shall be documented in the deputy's report. If a citation is issued, the deputy shall make a notation on the back of the records copy of the citation, indicating that the incident was recorded.

#### **442.7 RECORDING MEDIA STORAGE AND INTEGRITY**

Once submitted for storage, all recording media will be labeled and stored in a designated secure area. All recording media that is not booked as evidence will be retained for a minimum of one year after which time it will be erased, destroyed or recycled in accordance with the established records retention schedule (Government Code § 34090.6).

##### **442.7.1 COPIES OF ORIGINAL RECORDING MEDIA**

Original recording media shall not be used for any purpose other than for initial review by a supervisor. Upon proper request, a copy of the original recording media will be made for use as authorized in this policy.

Original recording media may only be released in response to a court order or upon approval by the Sheriff or the authorized designee. In the event that an original recording is released to a court, a copy shall be made and placed in storage until the original is returned.

##### **442.7.2 MAV RECORDINGS AS EVIDENCE**

Deputies who reasonably believe that a MAV recording is likely to contain evidence relevant to a criminal offense, potential claim against the deputy or against the San Benito County Sheriff's Office should indicate this in an appropriate report. Deputies should ensure relevant recordings are preserved.

#### **442.8 SYSTEM OPERATIONAL STANDARDS**

- (a) MAV system vehicle installations should be based on officer safety requirements and the vehicle and device manufacturer's recommendations.
- (b) The MAV system should be configured to minimally record for 30 seconds prior to an event.
- (c) The MAV system may not be configured to record audio data occurring prior to activation.

- (d) Unless the transmitters being used are designed for synchronized use, only one transmitter, usually the primary initiating deputy's transmitter, should be activated at a scene to minimize interference or noise from other MAV transmitters.
- (e) Deputies using digital transmitters that are synchronized to their individual MAV shall activate both audio and video recordings when responding in a support capacity. This is to obtain additional perspectives of the incident scene.
- (f) With the exception of law enforcement radios or other emergency equipment, other electronic devices should not be used inside MAV-equipped law enforcement vehicles to minimize the possibility of causing electronic or noise interference with the MAV system.
- (g) Deputies shall not erase, alter, reuse, modify or tamper with MAV recordings. Only a supervisor, MAV technician or other authorized designee may erase and reissue previous recordings and may only do so pursuant to the provisions of this policy.
- (h) To prevent damage, original recordings shall not be viewed on any equipment other than the equipment issued or authorized by the MAV technician.

#### **442.9 MAV TECHNICIAN RESPONSIBILITIES**

The MAV technician is responsible for:

- (a) Ordering, issuing, retrieving, storing, erasing and duplicating of all recorded media.
- (b) Collecting all completed media for oversight and verification of wireless downloaded media. Once collected, the MAV technician:

  - 1. Pursuant to a court order.
  - 2. In accordance with established records retention policies, including reissuing all other media deemed to be of no evidentiary value.
- (d) Assigning all media an identification number prior to issuance to the field:
  - 1. Maintaining a record of issued media.
- (e) Ensuring that an adequate supply of recording media is available.
- (f) Managing the long-term storage of media that has been deemed to be of evidentiary value in accordance with the department evidence storage protocols and the records retention schedule.

#### **442.10 TRAINING**

All members who are authorized to use the MAV system shall successfully complete an approved course of instruction prior to its use.

## Mobile Digital Computer Use

### 444.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Digital Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and the Communications Center.

### 444.2 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### 444.3 POLICY

San Benito County Sheriff's Office members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

### 444.4 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Sergeants.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

#### 444.4.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Mobile Digital Computer Use*

---

Short transmissions, such as a license plate check, are permitted if it reasonably appears that it can be done safely. In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

#### **444.5 DOCUMENTATION OF ACTIVITY**

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the sheriff's radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

##### **444.5.1 STATUS CHANGES**

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the sheriff's radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

##### **444.5.2 EMERGENCY ACTIVATION**

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available deputy should respond in accordance with the Deputy Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Deputies not responding to the emergency shall refrain from transmitting on the sheriff's radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

#### **444.6 EQUIPMENT CONSIDERATIONS**

##### **444.6.1 MALFUNCTIONING MDC**

Whenever possible, members will not use vehicles with malfunctioning MDCs. Whenever members must drive a vehicle in which the MDC is not working, they shall notify the Communications Center. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the sheriff's radio.

#### 444.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their MDCs when in the evacuation area of a suspected explosive device. Radio frequency emitted by the MDC could cause some devices to detonate.

## Portable Audio/Video Recorders

### 446.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this officewhile in the performance of their duties. Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any San Benito County Sheriff's Office facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

### 446.2 POLICY

The San Benito County Sheriff's Office may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Office by capturing an audio/video record of the contacts between the member(s) of this department and citizens in the community.

This policy is not intended to describe every possible situation where the system may be used; however, there are many situations where the use of a portable audio/video device is recommended. Portable audio/video devices are an important tool for collecting evidence and documentation of police/public encounters and in maintaining public trust. Video cannot always show the full story nor does it capture an entire scene. The use of portable audio/video devices does not reduce the requirement to provide thorough written documentation. Persons reviewing recordings must also be cautious before conclusions are reached about what the video shows.

### 446.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any office-issued device at any time, and any recording made while acting in an official capacity for this office, regardless of ownership of the device it was made on, shall remain the property of the Office. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

### 446.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/ she is equipped with a portable recorder issued by the Office, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and attempt to obtain a functioning device as soon as reasonably practicable. Uniformed members shall wear the recorder above the midline of their torso and/ or in a position that provides effective recording.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Portable Audio/Video Recorders*

---

When using a portable recorder, the assigned member shall record his/her name, SBSO identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation, unless the incident is complete and no longer fits the criteria for activation.

Members are not required to wear a portable audio/video recorder when attending training, funerals, awards ceremonies, or other events approved by a supervisor.

#### **446.4.1 SUPERVISOR RESPONSIBILITIES**

Supervisors should take custody of a portable audio/video recording device as soon as practicable when the device may have captured an incident involving the use of force, an officer-involved shooting or death or other serious incident, and ensure the data is downloaded (Penal Code § 832.18).

#### **446.5 ACTIVATION OF THE PORTABLE RECORDER**

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify the Communications Center
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Portable Audio/Video Recorders*

---

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

#### 446.5.1 SURREPTITIOUS USE OF THE PORTABLE RECORDER

Members of the Office may surreptitiously record any conversation during the course of a criminal investigation in which the member reasonably believes that such a recording will be lawful and beneficial to the investigation (Penal Code § 633).

Members shall not surreptitiously record another office member without a court order unless lawfully authorized by the Sheriff or the authorized designee.

#### 446.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

Members should cease audio/videorecording whenever necessary to ensure conversations are not recorded between a person in custody and the person's attorney, religious advisor or physician, unless there is explicit consent from all parties to the conversation (Penal Code § 636).

#### 446.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

#### 446.5.4 SUSPECT, VICTIM AND WITNESS INTERVIEWS

Deputies are encouraged to fully record suspect interviews. Deputies should not stop and start the recording during a suspect interview if possible. When recording suspect interviews, deputies should ensure they record any admonishments prior to the start of the interview.

Domestic violence victims often recant their statements after the crime. Victims may also make their children unavailable for investigators or courts to avoid providing their statements. For these reasons, domestic violence victims should be recorded. Deputies should also record the statements of children of domestic violence victims who are witnesses in these types of cases.

Generally, deputies should not record informal or casual encounters with members of the public. Deputies should consider that recording people in some circumstances may inhibit sharing information or developing strong ties between members of the community and members of the Sheriff's Office.

#### 446.5.5 ADVISEMENT ABOUT RECORDING

Private citizens do not have a reasonable expectation of privacy when talking with peace officers during the scope of an officer's official duties, even when the contact is in a private residence. Deputies are not required to give notice that they are recording. However, if asked, the deputy

- (f) When possible, deputies should avoid recording exposed areas of the body that could cause embarrassment or humiliation, such as exposed breasts, groin, etc...
- (g) In order to protect a patient's right to privacy, deputies should generally not record in a medical environment unless there is a compelling law enforcement reason to do so. Deputies should attempt to avoid recording people in medical facilities who are unrelated to the law enforcement purpose.
- (h) Members of this Department shall not surreptitiously record another Department member without a court order, unless lawfully authorized by the Sheriff or authorized designee.
- (i) Portable audio/video recorders should not be activated while communicating with confidential Informants (CIs).
- (j) Portable audio/video recorders should not be used to take a statement in lieu of a written statement documented in a report. Deputies should not substitute "refer to video" for a detailed and thorough report. Deputies are expected to write a summarized narrative detailing the pertinent information in the report.
- (k) Portable audio/video recorders shall not be activated when exchanging information, discussing tactics and strategy among other law enforcement personnel.
- (l) Deputies are not permitted to show citizens any recordings without permission from the Sheriff or his designee.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

#### **446.9 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Office who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Sheriff or the authorized designee.

- (e) Any sworn personnel conducting an investigation which is captured by the portable recorder should review the video evidence prior to completing an investigative/ supplemental report. If an unforeseen circumstance (e.g. exigent circumstances or technical situations which would not allow the sworn personnel involved to review the video evidence prior to completing the investigative/ supplemental report) occurs, the sworn personnel will be required to complete their report as current Sheriff's Office policy dictates. Once the unforeseen circumstance is resolved, the sworn personnel will review the recorded video. If there are any additional observations, the sworn personnel shall document those observations in a supplemental report.
- (f) By the Sheriff, Captains, Sergeants or designated supervisor who is conducting a review of an incident, such as a use of force, vehicle pursuit, citizen complaint or evaluation of Sheriff's Office business practices.
- (g) Recordings may be used for the purposes of training with the approval of the Training Manager or their designee. The involved Sheriff's Office personnel, depicted in the video, will be given a (10) day notice prior to this video being used for training. If the involved Sheriff's Office personnel object to the use of the video for training, they may submit a written request through their respective chain of command to contest the use of the video. The sheriff or their designee will review the objection and determine if the objection outweighs the training value.

All other recordings should be retained for a period consistent with the requirements of the organization's records retention schedule but in no event for a period less than 180 days.

1. **NON EVENT-** A miscellaneous activation of the recording device which does not meet the requirements of any other classification. Retention period will be no longer than (7) days.
2. **INCIDENT ONLY-** Activation of the recording device where there may be some liability or possibility of a complaint or future action. Example may include assisting motorists, traffic control, general citizen contacts, contacts where there was a violation of the law but the deputy has chosen to issue a verbal warning. These recordings should be available for a period of time to address any complaints or issues that could be resolved by reviewing the recording. Retention period will be no less than 180 days per the penal code and county retention schedule.
3. **TRAFFIC-** Traffic stops involving a citizen, vehicle, bicycle, pedestrian, etc. where the deputy issues a citation for a court appearance. Retention is no less than 180 days per the penal code and county retention schedule.

This status would be deemed necessary by a supervisor and entered by the system Coordinator. Examples could include cases involving use of force resulting in great bodily injury, officer involved shootings, allegations of criminal actions by a member of this agency or by a citizen with a member of this agency, and investigations involving misconduct. Access to a restricted portable audio/video recording must be approved by the Sheriff (or designee) overseeing the investigation. These recordings are subject to general rules and policies regarding the retention of case related evidence.

## Medical Marijuana

### 448.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this office with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under California's medical marijuana laws.

#### 448.1.1 DEFINITIONS

Definitions related to this policy include:

**Cardholder** - A person issued a current identification card.

**Compassionate Use Act (CUA)** (Health and Safety Code § 11362.5) - California law intended to provide protection from prosecution to those who are seriously ill and whose health would benefit from the use of marijuana in the treatment of illness for which marijuana provides relief. The CUA does not grant immunity from arrest but rather provides an affirmative defense from prosecution for possession of medical marijuana.

**Identification card** - A valid document issued by the California Department of Public Health to both persons authorized to engage in the medical use of marijuana and also to designated primary caregivers.

**Medical marijuana** - Marijuana possessed by a patient or primary caregiver for legitimate medical purposes.

**Medical Marijuana Program (MMP)** (Health and Safety Code § 11362.7 et seq.) - California laws passed following the CUA to facilitate the prompt identification of patients and their designated primary caregivers in order to avoid unnecessary arrests and provide needed guidance to law enforcement officers. MMP prohibits arrest for possession of medical marijuana in certain circumstances and provides a defense in others.

**Patient** - A person who is entitled to the protections of the CUA because he/she has received a written or oral recommendation or approval from a physician to use marijuana for medical purposes or any person issued a valid identification card.

**Primary caregiver** - A person designated by the patient, who has consistently assumed responsibility for the patient's housing, health or safety, who may assist the patient with the medical use of marijuana under the CUA or the MMP (Health and Safety Code § 11362.5; Health and Safety Code § 11362.7).

**Statutory amount** - No more than 8 ounces of dried, mature, processed female marijuana flowers ("bud") or the plant conversion (e.g., kief, hash, hash oil), and no more than six mature or 12 immature marijuana plants (roots, stems and stem fibers should not be considered) (Health and Safety Code § 11362.77).

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Medical Marijuana*

---

#### **448.2 POLICY**

It is the policy of the San Benito County Sheriff's Office to prioritize resources to forgo making arrests related to marijuana that the arresting deputy reasonably believes would not be prosecuted by state or federal authorities.

California's medical marijuana laws are intended to provide protection to those who are seriously ill and whose health would benefit from the use of medical marijuana.

However, California medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana. The San Benito County Sheriff's Office will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under California law and public resources.

#### **448.3 INVESTIGATION**

Investigations involving the possession, delivery, production or use of marijuana generally fall into one of several categories:

- (a) Investigations when no person makes a medicinal claim.
- (b) Investigations when a medicinal claim is made by a cardholder.
- (c) Investigations when a medicinal claim is made by a non-cardholder.

##### **448.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is used for medicinal purposes, the deputy should proceed with a criminal investigation if the amount is greater than permitted for personal use under the Control, Regulate and Tax Adult Use of Marijuana Act (Health and Safety Code § 11362.1; Health and Safety Code § 11362.2). A medicinal defense may be raised at any time, so deputies should document any statements and observations that may be relevant to whether the marijuana was possessed or produced for medicinal purposes.

##### **448.3.2 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A CARDHOLDER**

A cardholder or designated primary caregiver in possession of an identification card shall not be arrested for possession, transportation, delivery or cultivation of medical marijuana at or below the statutory amount unless there is probable cause to believe that (Health and Safety Code § 11362.71; Health and Safety Code § 11362.78):

- (a) The information contained in the card is false or falsified.
- (b) The card has been obtained or used by means of fraud.
- (c) The person is otherwise in violation of the provisions of the MMP.
- (d) The person possesses marijuana but not for personal medical purposes.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Medical Marijuana*

---

Deputies who reasonably believe that a person who does not have an identification card in his/her possession has been issued an identification card may treat the investigation as if the person had the card in his/her possession.

Cardholders may possess, transport, deliver or cultivate medical marijuana in amounts above the statutory amount if their doctor has concluded that the statutory amount does not meet the patient's medical needs (Health and Safety Code § 11362.71; Health and Safety Code § 11362.77). Investigations involving cardholders with more than the statutory amount of marijuana should be addressed as provided in this policy for a case involving a medicinal claim made by a non-cardholder.

#### 448.3.3 INVESTIGATIONS INVOLVING A MEDICINAL CLAIM MADE BY A NON-CARDHOLDER

No patient or primary caregiver should be arrested for possession or cultivation of an amount of medical marijuana if the deputy reasonably believes that marijuana is in a form and amount reasonably related to the qualified patient's current medical needs (Health and Safety Code § 11362.5). This arrest guidance also applies to sales, transportation or delivery of medical marijuana, or maintaining/renting a drug house or building that may be a nuisance if otherwise in compliance with MMP (Health and Safety Code § 11362.765).

Deputies are not obligated to accept a person's claim of having a physician's recommendation when the claim cannot be readily verified with the physician but are expected to use their judgment to assess the validity of the person's medical-use claim.

Deputies should review any available written documentation for validity and whether it contains the recommending physician's name, telephone number, address and medical license number for verification.

Deputies should generally accept verified recommendations by a physician that statutory amounts do not meet the patient's needs (Health and Safety Code § 11362.77).

#### 448.3.4 ADDITIONAL CONSIDERATIONS

Deputies should consider the following when investigating an incident involving marijuana possession, delivery, production, or use:

- (a) Because enforcement of medical marijuana laws can be complex, time consuming, and call for resources unavailable at the time of initial investigation, deputies may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
  1. The suspect has been identified and can be easily located at a later time.
  2. The case would benefit from review by a person with expertise in medical marijuana investigations.
  3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Medical Marijuana*

---

4. Other relevant factors, such as available office resources and time constraints prohibit making an immediate arrest.
- (b) Whenever the initial investigation reveals an amount of marijuana greater than the statutory amount, deputies should consider the following when determining whether the form and amount is reasonably related to the patient's needs:
1. The amount of marijuana recommended by a medical professional to be ingested.
  2. The quality of the marijuana.
  3. The method of ingestion (e.g., smoking, eating, nebulizer).
  4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
  5. Whether the marijuana is being cultivated indoors or outdoors.
- (c) Before proceeding with enforcement related to collective gardens or dispensaries, deputies should consider conferring with a supervisor, an applicable state regulatory agency or other member with special knowledge in this area, and/or appropriate legal counsel (Business and Professions Code § 26010; Business and Professions Code § 26060). Licensing, zoning, and other related issues can be complex. Patients, primary caregivers, and cardholders who collectively or cooperatively cultivate marijuana for medical purposes may be licensed or may have a defense in certain circumstances (Business and Professions Code § 26032; Business and Professions Code § 26033).
- (d) Investigating members should not order a patient to destroy marijuana plants under threat of arrest.

#### 448.3.5 EXCEPTIONS

This policy does not apply to, and deputies should consider taking enforcement action for the following:

- (a) Persons who engage in illegal conduct that endangers others, such as driving under the influence of marijuana in violation of the Vehicle Code (Health and Safety Code § 11362.5).
- (b) Marijuana possession in jails or other correctional facilities that prohibit such possession (Health and Safety Code § 11362.785).
- (c) Smoking marijuana (Health and Safety Code § 11362.79):
  1. In any place where smoking is prohibited by law.
  2. In or within 1,000 feet of the grounds of a school, recreation center or youth center, unless the medical use occurs within a residence.
  3. On a school bus.
  4. While in a motor vehicle that is being operated.
  5. While operating a boat.

### *Medical Marijuana*

---

- (d) Use of marijuana by a person on probation or parole, or on bail and use is prohibited by the terms of release (Health and Safety Code § 11362.795).

#### **448.3.6 INVESTIGATIONS INVOLVING A STATE LICENSEE**

No person issued a state license under the Business and Professions Code shall be arrested or cited for cultivation, possession, manufacture, processing, storing, laboratory testing, labeling, transporting, distribution or sale of medical cannabis or a medical cannabis product related to qualifying patients and primary caregivers when conducted lawfully. Whether conduct is lawful may involve questions of license classifications, local ordinances, specific requirements of the Business and Professions Code and adopted regulations. Deputies should consider conferring with a supervisor, the applicable state agency or other member with special knowledge in this area and/or appropriate legal counsel before taking enforcement action against a licensee or an employee or agent (Business and Professions Code § 26032).

#### **448.4 FEDERAL LAW ENFORCEMENT**

Deputies should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the deputy believes those authorities would have a particular interest in the information.

#### **448.5 PROPERTY AND EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES**

The Property and Evidence Room supervisor should ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed pending any charges and without a court order. The Property and Evidence Room supervisor is not responsible for caring for live marijuana plants.

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Property and Evidence Room supervisor should, as soon as practicable, return to the person from whom it was seized any useable medical marijuana, plants, drug paraphernalia or other related property.

The Property and Evidence Room supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigation Bureau supervisor.

## Homeless Persons

### 459.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide deputies during all contacts with the homeless, whether consensual or for enforcement purposes. The San Benito County Sheriff's Office recognizes that members of the homeless community are often in need of special protection and services. The San Benito County Sheriff's Office will address these needs in balance with the overall mission of this office. Therefore, deputies will consider the following when serving the homeless community.

#### 459.1.1 POLICY

It is the policy of the San Benito County Sheriff's Office to provide law enforcement services to all members of the community, while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this office will not use homelessness solely as a basis for detention or law enforcement action.

### 459.2 HOMELESS COMMUNITY LIAISON

The Sheriff will designate a member of this office to act as the Homeless Liaison Deputy. The responsibilities of the Homeless Liaison Deputy include the following:

- (a) Maintain and make available to all office employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with social services and representatives of other organizations that render assistance to the homeless.
- (c) Maintain a list of the areas within and near this jurisdiction that are used as frequent homeless encampments.
- (d) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include:
  1. Proper posting of notices of trespass and clean-up operations.
  2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (e) Be present during any clean-up operation conducted by this office involving the removal of personal property of the homeless to ensure that the rights of the homeless are not violated.
- (f) Develop training to assist deputies in understanding current legal and social issues relating to the homeless.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Homeless Persons*

---

#### **459.3 FIELD CONTACTS**

Deputies are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade a deputy from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, deputies are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Deputies should provide homeless persons with resource and assistance information whenever it is reasonably apparent that such services may be appropriate.

##### **459.3.1 OTHER CONSIDERATIONS**

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Deputies should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event that a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder, and if so, proceed in accordance with the Senior and Disability Victimization Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution, even when a homeless victim indicates that he/she does not desire prosecution.

#### **459.4 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public. Deputies should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, deputies should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the deputy, a supervisor should be consulted. The property should be photographed and measures should be

### *Homeless Persons*

---

taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Deputies should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the office Homeless Liaison Deputy. When practicable, requests by the public for clean-up of a homeless encampment should be referred to the Homeless Liaison Deputy.

Deputies who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the office Homeless Liaison Deputy if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Deputy to address the matter in a timely fashion.

#### **459.5 MENTAL ILLNESS AND MENTAL IMPAIRMENT**

Some homeless persons may suffer from a mental illness or a mental impairment. Deputies shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention (see the Crisis Intervention Incidents Policy).

When a mental illness hold is not warranted, the contacting deputy should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, deputies may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

#### **459.6 ECOLOGICAL ISSUES**

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Deputies are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

## Public Recording of Law Enforcement Activity

### 461.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 461.2 POLICY

The San Benito County Sheriff's Office recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Deputies should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 461.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present (Penal Code § 69; Penal Code § 148).
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the deputies.
  - 4. Being so close to the activity as to interfere with a deputy's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the deputies, him/herself or others.

### 461.4 DEPUTY RESPONSE

Deputies should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, deputies should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, deputies or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, a deputy could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, deputies shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

#### **461.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the deputy and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

#### **461.6 SEIZING RECORDINGS AS EVIDENCE**

Deputies should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department-owned device.

## Crisis Intervention Incidents

### 462.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires a deputy to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 462.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 462.2 POLICY

The San Benito County Sheriff's Office is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Office will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 462.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Crisis Intervention Incidents*

---

#### **462.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Sheriff should designate an appropriate Sheriff or his designee to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide office interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

#### **462.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to deputies; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit a deputy's authority to use reasonable force when interacting with a person in crisis.

Deputies are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

A deputy responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup deputies and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
  1. Prior to making contact, and whenever possible and reasonable, conduct a search of the Department of Justice Automated Firearms System via the California Law Enforcement Telecommunications System (CLETS) to determine whether the person is the registered owner of a firearm (Penal Code § 11106.4).
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the deputy.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

### *Crisis Intervention Incidents*

#### **462.6 DE-ESCALATION**

Deputies should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding deputies generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

#### **462.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the deputy should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous sheriff's response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

#### **462.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Crisis Intervention Incidents*

---

- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Sheriff or his designee.

Evaluate whether a critical incident stress management debriefing for involved members is warranted.

#### **462.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to office reporting procedures or other official mental health or medical proceedings.

##### **462.9.1 DIVERSION**

Individuals who are not being arrested should be processed in accordance with the Mental Illness Commitments Policy.

#### **462.10 CIVILIAN INTERACTION WITH PEOPLE IN CRISIS**

Civilian members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, a deputy should be promptly summoned to provide assistance.

#### **462.11 EVALUATION**

The Sheriff or his designee designated to coordinate the crisis intervention strategy for this office should ensure that a thorough review and analysis of the office response to these incidents is

conducted annually. The report will not include identifying information pertaining to any involved individuals, deputies or incidents and will be submitted to the Sheriff through the chain of command.

#### **462.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Office will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

This office will endeavor to provide Peace Officer Standards and Training (POST)-approved advanced officer training on interaction with persons with mental disabilities, welfare checks and crisis intervention (Penal Code § 11106.4; Penal Code § 13515.25; Penal Code § 13515.27; Penal Code § 13515.30).

## First Amendment Assemblies

### 463.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

### 463.2 POLICY

The San Benito County Sheriff's Office respects the rights of people to peaceably assemble. It is the policy of this office not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

### 463.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, deputies shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors deputies may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Deputies should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless a deputy is placing a person under lawful arrest.

Supervisors should continually observe office members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

#### 463.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating office performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious, or social views of associations, or the activities of any individual, group, association, organization, corporation, business, or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

#### 463.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding deputy should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to the Communications Center, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

#### 463.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

##### 463.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *First Amendment Assemblies*

---

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

#### 463.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with County government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.
- (s) Protocol for handling complaints during the event.

- (t) Parameters for the use of body-worn cameras and other portable recording devices.

#### 463.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

#### 463.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

#### 463.7 USE OF FORCE

Use of force is governed by current office policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and conducted energy devices should be considered only when the participants' conduct reasonably appears to present the potential to harm deputies, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

### *First Amendment Assemblies*

---

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this office shall be documented promptly, completely, and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

#### **463.8 USE OF KINETIC ENERGY PROJECTILES AND CHEMICAL AGENTS FOR CROWD CONTROL**

Kinetic energy projectiles and chemical agents for crowd control purposes shall only be deployed by deputies who have received POST training for crowd control if the use is objectively reasonable to defend against a threat to life or serious bodily injury to any individual, including a deputy, or to bring an objectively dangerous and unlawful situation safely and effectively under control and in accordance with the following requirements of Penal Code § 13652.

- (a) De-escalation techniques or other alternatives to force have been attempted, when objectively reasonable, and have failed.
- (b) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.
- (c) Individuals are given an objectively reasonable opportunity to disperse and leave the scene.
- (d) An objectively reasonable effort has been made to identify individuals engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of individuals.
- (e) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.
- (f) Deputies shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.
- (g) An objectively reasonable effort has been made to extract individuals in distress.
- (h) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.
- (i) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.
- (j) Kinetic energy projectiles or chemical agents shall not be used solely due to any of the following:
  1. A violation of an imposed curfew.
  2. A verbal threat.

### *First Amendment Assemblies*

---

3. Noncompliance with a law enforcement directive.
  - (k) If the chemical agent to be deployed is tear gas, only an Incident Commander at the scene of the assembly, protest, or demonstration may authorize its use.

#### 463.8.1 USE SUMMARY

The Patrol Sheriff or his designee or the authorized designee should ensure that a summary of each deployment of kinetic energy projectiles or chemical agents for crowd control purposes is prepared and published on the office website within 60 days of each incident. The time frame may be extended for another 30 days where just cause is demonstrated, but no longer than 90 days from the time of the incident. The summary shall be limited to the information known to the Office at the time of the report and include the information required in Penal Code § 13652.1.

#### 463.9 ARRESTS

The San Benito County Sheriff's Office should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of deputies and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Cite and Release Policy).

#### 463.10 MEDIA RELATIONS

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences, and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

##### 463.10.1 MEDIA ACCESS

If deputies close the immediate area surrounding any emergency field command post or any other command post, or establish a police line, or rolling closure at a demonstration, march, protest,

or rally where individuals are engaged in a protected activity pursuant to the First Amendment, deputies shall comply with the requirements of Penal Code § 409.7 relating to media access (i.e., access to closed areas, obtaining information) (Penal Code § 409.7).

#### **463.11 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

#### **463.12 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, the Communications Center records/tapes
- (g) Media accounts (print and broadcast media)

##### **463.12.1 AFTER-ACTION REPORTING**

The Incident Commander should work with County legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

#### **463.13 TRAINING**

Office members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management (Penal Code § 13514.5). The Office should, when practicable, train with its external and mutual aid partners.

Deputies should also receive periodic training on the standards for the use of kinetic energy projectiles and chemical agents for crowd control purposes as identified in Penal Code § 13652.

#### **463.14 ANTI-REPRODUCTIVE RIGHTS CALLS**

Deputy response to public assemblies or demonstrations relating to anti-reproductive rights should be consistent with this policy (Penal Code § 13778.1).

## Civil Disputes

### 464.1 PURPOSE AND SCOPE

This policy provides members of the San Benito County Sheriff's Office with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to "court orders" apply to any order of a court that does not require arrest or enforcement by the terms of the order or by California law.

### 464.2 POLICY

The San Benito County Sheriff's Office recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 464.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

### 464.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for a deputy to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

### *Civil Disputes*

---

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating deputy should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating deputy should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

#### **464.4.1 STANDBY REQUESTS**

Deputy responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Deputies should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

#### **464.5 VEHICLES AND PERSONAL PROPERTY**

Deputies may be faced with disputes regarding possession or ownership of vehicles or other personal property. Deputies may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, deputies should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

#### **464.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

---

## Medical Aid and Response

### 465.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons in need of medical aid and establishes a law enforcement response to such situations.

### 465.2 POLICY

It is the policy of the San Benito County Sheriff's Office that all deputies and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

### 465.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact the Communications Center and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide the Communications Center with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  1. Signs and symptoms as observed by the member.
  2. Changes in apparent condition.
  3. Number of patients, sex, and age, if known.
  4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
  5. Whether the person is showing signs or symptoms of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

#### **465.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Deputies should search any person who is in custody before releasing that person to EMS for transport.

A deputy should accompany any person in custody during transport in an ambulance when requested by EMS personnel, when it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

#### **465.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, a deputy shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the deputy should consider proceeding with a 72-hour treatment and evaluation commitment (5150 commitment) process in accordance with the Mental Illness Commitments Policy.

If a deputy believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The deputy may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the deputy will require the person to be transported to the nearest medical facility. In such cases, the deputy should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

#### **465.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

#### **465.7 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

## San Benito County SO Policy Manual

### *Medical Aid and Response*

---

The Patrol Sheriff or his designee should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Office should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One office member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

#### **465.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

A member may use an AED only after receiving appropriate training from an approved public safety first aid and CPR course (22 CCR 100026.01; 22 CCR 100027.01; 22 CCR 100027.02).

##### **465.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in office vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the Training Sergeant who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Medical Aid and Response*

---

Any member who uses an AED should contact the Communications Center as soon as possible and request response by EMS.

#### **465.8.2 AED REPORTING**

Any member using an AED will complete an incident report detailing its use.

#### **465.8.3 AED TRAINING AND MAINTENANCE**

The Training Sergeant should ensure appropriate training and refresher training is provided to members authorized to use an AED. A list of authorized members and training records shall be made available for inspection by the local EMS agency (LEMSA) or EMS authority upon request (22 CCR 100027.05; 22 CCR 100027.06; 22 CCR 100028.07).

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and will retain records of all maintenance in accordance with the established records retention schedule (22 CCR 100027.05).

#### **465.9 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the deputy has reason to believe the arrestee is feigning injury or illness, the deputy should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the deputy should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance. Deputies shall not transport an arrestee to a hospital without a supervisor's approval.

Nothing in this section should delay a deputy from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the deputy's training.

#### **465.10 FIRST AID TRAINING**

The Training Sergeant should ensure deputies receive initial first aid training within one year of employment and refresher training every two years thereafter (22 CCR 100026.03; 22 CCR 100027.06).

# Chapter 5 - Traffic Operations

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This office provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

### 500.2 TRAFFIC DEPUTY DEPLOYMENT

Several factors are considered in the development of deployment schedules for deputies of the San Benito County Sheriff's Office. Information provided by the California Statewide Integrated Traffic Reporting System (SWITRS) is a valuable resource for traffic accident occurrences and therefore deputy deployment. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All deputies assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All deputies will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All deputies shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are requests from the public, construction zones or special events.

### 500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This office does not establish ticket quotas and the number of arrests or citations issued by any deputy shall not be used as the sole criterion for evaluating deputy overall performance (Vehicle Code § 41603). The visibility and quality of a deputy's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

#### 500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions should be considered in each situation and substituted for arrests or citations when circumstances warrant, especially in the case of inadvertent violations.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Traffic Function and Responsibility*

---

#### 500.3.2 CITATIONS

Citations may be issued when a deputy believes it is appropriate. It is essential that deputies fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Deputies should provide the following information at a minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court

#### 500.3.3 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses outlined in the Vehicle Code or Penal Code. These physical arrest cases usually deal with, but are not limited to:

- (a) Vehicular manslaughter
- (b) Felony and misdemeanor driving under the influence of alcohol/drugs
- (c) Felony or misdemeanor hit-and-run
- (d) Refusal to sign notice to appear
- (e) Any other misdemeanor at the discretion of the deputy, such as reckless driving with extenuating circumstances

#### **500.4 SUSPENDED OR REVOKED DRIVERS LICENSES**

If a deputy contacts a traffic violator for driving on a suspended or revoked license, the deputy may issue a traffic citation pursuant to Vehicle Code § 14601.

If a computer check of a traffic violator's license status reveals a suspended or revoked driver license and the traffic violator still has his or her license in possession, the license shall be seized by the deputy. The deputy shall verbally advise the traffic violator of the suspension or revocation and issue the citation. The deputy will be responsible for filling out the Verbal Notice form (DMV form DL-310) and causing that form and license to be forwarded to the Department of Motor Vehicles.

#### **500.5 HIGH-VISIBILITY VESTS**

The Office has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of office members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601; 8 CCR 1598).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

## Traffic Collision Reporting

### 502.1 PURPOSE AND SCOPE

The San Benito County Sheriff's Office prepares traffic collision reports in compliance with the California Highway Patrol Collision Investigation Manual (CIM) and as a public service makes traffic collision reports available to the community with some exceptions.

### 502.2 RESPONSIBILITY

The Patrol Captain will be responsible for distribution of the Collision Investigation Manual. The Patrol Captain will receive all changes in the state manual and ensure conformity with this policy.

### 502.3 TRAFFIC COLLISION REPORTING

All traffic collision reports taken by members of this department shall be forwarded to the Patrol Sergeant for approval and then be forwarded to the professional staff for data entry into the Records Management System.

### 502.4 REPORTING SITUATIONS

#### 502.4.1 TRAFFIC COLLISIONS INVOLVING COUNTY VEHICLES

Traffic collision investigation reports shall be taken when a County-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report (CHP 555 form) at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a County vehicle, a Vehicle Damage Report shall be completed and forwarded to the appropriate Sheriff or his designee.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

#### 502.4.2 TRAFFIC COLLISIONS WITH SHERIFF'S DEPARTMENT EMPLOYEES

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the San Benito County Sheriff's Office resulting in a serious injury or fatality, the Patrol Captain or the Shift Sergeant, will notify the California Highway Patrol for assistance.

#### 502.4.3 TRAFFIC COLLISIONS WITH OTHER COUNTY EMPLOYEES OR OFFICIALS

The Patrol Captain or on-duty Shift Sergeant will request assistance from the California Highway Patrol for the investigation of any traffic collision involving any County official or employee where a serious injury or fatality has occurred.

#### 502.4.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY

In compliance with the Collision Investigation Manual, traffic collision reports shall not be taken for traffic collisions occurring on private property unless there is a death or injury to any person

involved, a hit-and-run violation, or Vehicle Code violation. An Incident Report may be taken at the discretion of any supervisor.

#### **502.4.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS**

Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

- (a) When there is a death or injury to any persons involved in the collision
- (b) When there is an identifiable violation of the Vehicle Code
- (c) When a report is requested by any involved driver

#### **502.5 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION**

In the event of a serious injury or death related traffic collision, the Shift Sergeant shall notify the Sheriff or his designee to relate the circumstances of the traffic collision and seek assistance from the Traffic Bureau. In the absence of a Sheriff or his designee, the Shift Sergeant or any supervisor may assign an accident investigator or motor deputy to investigate the traffic collision.

## Vehicle Towing and Release

### 510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the San Benito County Sheriff's Office. Nothing in this policy shall require the Office to tow a vehicle.

### 510.2 STORAGE AND IMPOUNDS

When circumstances permit, for example when towing a vehicle for parking or registration violations, the handling employee should, prior to having the vehicle towed, make a good faith effort to notify the owner of the vehicle that it is subject to removal. This may be accomplished by personal contact, telephone or by leaving a notice attached to the vehicle at least 24 hours prior to removal. If a vehicle presents a hazard, such as being abandoned on the roadway, it may be towed immediately.

The responsibilities of those employees towing, storing or impounding a vehicle are listed below.

#### 510.2.1 VEHICLE STORAGE REPORT

Office members requesting towing, storage, or impound of a vehicle shall complete CHP Form 180 and accurately record the mileage and a description of property within the vehicle (Vehicle Code § 22850). A copy of the storage report should be given to the tow truck operator, and the original shall be submitted to the Records Center as soon as practicable after the vehicle is stored.

#### 510.2.2 REMOVAL FROM TRAFFIC COLLISION SCENES

When a vehicle has been involved in a traffic collision and must be removed from the scene, the deputy shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in the Communications Center.

If the owner is incapacitated, or for any reason it is necessary for the Office to assume responsibility for a vehicle involved in a collision, the deputy shall request the dispatcher to call the official towing garage for the County of San Benito. The deputy will then store the vehicle using a CHP Form 180.

#### 510.2.3 STORAGE AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this office to provide reasonable safekeeping by storing the arrestee's vehicle subject to the exceptions described below. The vehicle, however, shall be stored whenever it is needed for the furtherance of the investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be stored (e.g., traffic hazard, high-crime area).

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of storing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Vehicle Towing and Release*

---

- Situations where the vehicle was not used to further the offense for which the driver was arrested.
- Whenever the licensed owner of the vehicle is present, willing, and able to take control of any vehicle not involved in criminal activity.
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene. In such cases, the owner shall be informed that the Office will not be responsible for theft or damages.

#### 510.2.4 IMPOUNDMENT AT SOBRIETY CHECKPOINTS

Whenever a driver is stopped at a sobriety checkpoint and the only violation is that the operator is driving without a valid driver's license, the deputy shall make a reasonable attempt to identify the registered owner of the vehicle (Vehicle Code § 2814.2). The deputy shall release the vehicle to the registered owner if the person is a licensed driver, or to another licensed driver authorized by the registered owner, provided the vehicle is claimed prior to the conclusion of the checkpoint operation.

If the vehicle is released at the checkpoint, the deputy shall list on his/her copy of the notice to appear the name and driver's license number of the person to whom the vehicle is released.

When a vehicle cannot be released at the checkpoint, it shall be towed (Vehicle Code § 22651(p)). When a vehicle is removed at the checkpoint, it shall be released during the normal business hours of the storage facility to the registered owner or his/her agent upon presentation of a valid driver's license and current vehicle registration.

#### 510.2.5 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the Office should not be driven by sheriff's personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with posted signs.

#### 510.2.6 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified authorized towing service. The deputy shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the following firm is called on the next request.

#### 510.2.7 RECORDS CENTER RESPONSIBILITY

Records personnel shall promptly enter pertinent data from the completed storage form (CHP Form 180) into the Stolen Vehicle System and return the form to the Shift Sergeant for approval (Vehicle Code § 22651.5(b); Vehicle Code § 22851.3(b); Vehicle Code § 22854.5).

Approved storage forms shall be promptly placed into the auto-file so that they are immediately available for release or review should inquiries be made.

# San Benito County Sheriff's Office

### *Vehicle Towing and Release*

---

Within 48 hours, excluding weekends and holidays, of the storage of any such vehicle it shall be the responsibility of the Records Center to determine the names and addresses of any individuals having an interest in the vehicle through DMV or CLETS computers. Notice shall be sent to all such individuals by mail as applicable and as provided in Vehicle Code § 22851.3(d), Vehicle Code § 22852(a), and Vehicle Code § 14602.6(a)(2). The notice shall include the following (Vehicle Code § 22852(b)):

- (a) The name, address, and telephone number of this Office
- (b) The location of the place of storage and description of the vehicle, which shall include, if available, the name or make, the manufacturer, the license plate number, and the mileage
- (c) The authority and purpose for the removal of the vehicle
- (d) A statement that, in order to receive their post-storage hearing, the owners, or their agents, shall request the hearing in person, in writing, or by telephone within 10 days of the date appearing on the notice

#### **510.3 TOWING SERVICES**

The County of San Benito periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal of vehicles obstructing traffic in violation of state or local regulations.

#### **510.4 VEHICLE INVENTORY**

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in sheriff's custody, to provide for the safety of deputies, and to protect the Office against fraudulent claims of lost, stolen, or damaged property.

#### **510.5 SECURITY OF VEHICLES AND PROPERTY**

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, deputies should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cell phone, prescriptions) that are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft, or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

### *Vehicle Towing and Release*

---

#### **510.6 RELEASE OF VEHICLE**

The Office will maintain a listed, 24-hour telephone number to provide information regarding impoundment of vehicles and the right of the registered owner to request a storage hearing. Releases for towed vehicles will be made available during regular, non-emergency business hours (Vehicle Code § 14602.6).

- (a) Vehicles removed pursuant to Vehicle Code § 22850 shall be released after proof of current registration is provided by the owner or the person in control of the vehicle and after all applicable fees are paid (Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (b) Vehicles removed that require payment of parking fines or proof of valid driver's license shall only be released upon presentation of proof of compliance, proof of payment, completion of affidavit, and payment of applicable fees related to the removal (Vehicle Code § 22651 et seq., Vehicle Code § 22652 et seq., Vehicle Code § 22850.3; Vehicle Code § 22850.5).
- (c) A vehicle removed pursuant to Vehicle Code § 14602.6(a) shall be released to the registered owner or his/her agent with proof of current registration, proof of a valid driver's license, and applicable fees paid prior to the end of the 30-day impoundment period under any of the following circumstances:
  - 1. The vehicle was stolen.
  - 2. If the driver reinstates his/her driver's license or acquires a license and provides proof of proper insurance.
  - 3. Any other circumstance as set forth in Vehicle Code § 14602.6.
  - 4. When there is no remaining community caretaking need to continue impound of the vehicle or the continued impound would not otherwise comply with the Fourth Amendment.
- (d) An autonomous vehicle removed under authority of Vehicle Code § 22651(o)(1)(D) shall be released to the registered owner or person in control of the autonomous vehicle if the requirements of Vehicle Code § 22651(o)(3)(B) are met.

Personnel whose duties include releasing towed vehicles should consult the Vehicle Code under which the vehicle was towed or impounded for any specific requirements prior to release.

Employees who suspect that a vehicle was impounded in error should promptly advise a supervisor. Supervisors should approve, when appropriate, the release of the vehicle without requiring the registered owner or his/her agent to request a hearing, as described in the Vehicle Impound Hearings Policy.

#### **510.7 TOWING FOR EXPIRED REGISTRATION**

Prior to a member removing a vehicle that is found to have expired registration for more than six months, the member shall verify that no current registration exists with the Department of Motor Vehicles (DMV). If current registration exists with the DMV, the vehicle shall not be removed (Vehicle Code § 22651(o)(1)(A)).

## Vehicle Impound Hearings

### 512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound hearings pursuant to Vehicle Code § 22852.

### 512.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the San Benito County Sheriff's Office, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent (Vehicle Code § 22650(a); Vehicle Code § 22852(a)).

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must be a person other than the person who directed the storage or impound of the vehicle (Vehicle Code § 22852(c)).

#### 512.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on a stored or impounded vehicle shall be submitted in person, in writing or by telephone within 10 days of the date appearing on the notice (Vehicle Code § 22852(b)). The Sheriff or his designee will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing requirement (Vehicle Code § 22851.3(e)(2); Vehicle Code § 22852(d)).

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a modification or reduction of the period the vehicle is impounded (Vehicle Code §14602.6(b); Vehicle Code § 14602.8(b)).

Aside from those mitigating circumstances enumerated in the Vehicle Code, the registered owner's lack of actual knowledge that the driver to whom the vehicle was loaned was not validly licensed may constitute a mitigating circumstance under Vehicle Code § 14602.6(b) or 14602.8(b), warranting release of the vehicle. This mitigating circumstance exception is not limited to situations

where the owner made a reasonable inquiry as to the licensed status of the driver before lending the vehicle.

The legislative intent and this department's policy is to prevent unlicensed driving pursuant to Vehicle Code §14602.6. If this purpose is not furthered by the continued impoundment of a vehicle, release is most often appropriate.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision and that the inquiring party may pursue further civil remedies if desired.
  - 1. If mitigating circumstances are found to be relevant, the hearing officer shall make reasonable adjustments to the impound period, storage or assessment of fees as warranted.
- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be paid at the Department's expense (Vehicle Code § 22852(e)).
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Sheriff or his designee. The hearing officer will recommend to the appropriate Sheriff or his designee that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

## Impaired Driving

### 514.1 PURPOSE AND SCOPE

This policy provides guidance to those office members who play a role in the detection and investigation of driving under the influence (DUI).

### 514.2 POLICY

The San Benito County Sheriff's Office is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of California's impaired driving laws.

### 514.3 INVESTIGATIONS

Deputies should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All deputies are expected to enforce these laws with due diligence.

The Sheriff or his designee will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating deputies in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The deputy's observations that indicate impairment on the part of the individual, and the deputy's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in California or another jurisdiction.

### 514.4 FIELD TESTS

The Sheriff or his designee should identify standardized FSTs and any approved alternate tests for deputies to use when investigating violations of DUI laws.

### 514.5 CHEMICAL TESTS

A person implies consent to a chemical test or tests, and to providing the associated chemical sample, under any of the following (Vehicle Code § 23612):

- (a) The person is arrested for driving a vehicle while under the influence, pursuant to Vehicle Code § 23152.

- (b) The person is under 21 years of age and is arrested by a deputy having reasonable cause to believe that the person's blood alcohol content is 0.05 or more (Vehicle Code § 23140).
- (c) The person is under 21 years of age and detained by a deputy having reasonable cause to believe that the person was driving a vehicle while having a blood alcohol content of 0.01 or more (Vehicle Code § 23136).
- (d) The person was operating a vehicle while under the influence and proximately caused bodily injury to another person (Vehicle Code § 23153).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the deputy should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

#### 514.5.1 CHOICE OF TESTS

Deputies shall respect a viable choice of chemical test made by an arrestee, as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence).

A person arrested for DUI has the choice of whether the test is of the person's blood or breath, and the deputy shall advise the person that the person has that choice. If the person arrested either is incapable, or states that the person is incapable, of completing the chosen test, the person shall submit to the remaining test.

If the person chooses to submit to a breath test and there is reasonable cause to believe that the person is under the influence of a drug or the combined influence of alcohol and any drug, the deputy may also request that the person submit to a blood test. If the person is incapable of completing a blood test, the person shall submit to and complete a urine test (Vehicle Code § 23612(a)(2)(C)).

#### 514.5.2 BREATH SAMPLES

The Sheriff or his designee should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Deputies obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Sheriff or his designee.

When the arrested person chooses a breath test, the handling deputy shall advise the person that the breath-testing equipment does not retain a sample, and the person may, if desired, provide a blood or urine specimen, which will be retained to facilitate subsequent verification testing (Vehicle Code § 23614).

The deputy should also require the person to submit to a blood test if the deputy has a clear indication that a blood test will reveal evidence of any drug or the combined influence of an

alcoholic beverage and any drug. Evidence of the deputy's belief shall be included in the deputy's report (Vehicle Code § 23612(a)(2)(C)).

#### 514.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (Vehicle Code § 23158). The blood draw should be witnessed by the assigned deputy. No deputy, even if properly certified, should perform this task.

Deputies should inform an arrestee that if the arrestee chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because the arrestee has a bleeding disorder or has taken medication that inhibits coagulation, the arrestee shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

#### 514.5.4 URINE SAMPLES

If a urine test will be performed, the arrestee should be promptly transported to the appropriate testing site. The deputy shall follow any directions accompanying the urine evidence collection kit.

Urine samples shall be collected and witnessed by a deputy or jail staff member of the same sex as the individual giving the sample. The arrestee should be allowed sufficient privacy to maintain the arrestee's dignity, to the extent possible, while still ensuring the accuracy of the sample (Vehicle Code § 23158(i)).

The sample shall be packaged, marked, handled, stored, and transported as required by the testing facility.

#### 514.5.5 STATUTORY NOTIFICATIONS

Deputies requesting that a person submit to chemical testing shall provide the person with the mandatory warning pursuant to Vehicle Code § 23612(a)(1)(D) and Vehicle Code § 23612(a)(4).

#### 514.5.6 PRELIMINARY ALCOHOL SCREENING

Deputies may use a preliminary alcohol screening (PAS) test to assist in establishing reasonable cause to believe a person is DUI. The deputy shall advise the person that the PAS test is being requested to assist in determining whether the person is under the influence of alcohol or drugs, or a combination of the two. Unless the person is under the age of 21, the person shall be advised that the PAS test is voluntary. The deputy shall also advise the person that submitting to a PAS test does not satisfy the person's obligation to submit to a chemical test as otherwise required by law (Vehicle Code § 23612).

#### 514.5.7 PRELIMINARY ALCOHOL SCREENING FOR A PERSON UNDER AGE 21

If a deputy lawfully detains a person under 21 years of age who is driving a motor vehicle and the deputy has reasonable cause to believe that the person has a blood alcohol content of 0.01 or more, the deputy shall request that the person take a PAS test to determine the presence of alcohol in the person, if a PAS test device is immediately available. If a PAS test device is not immediately available, the deputy may request the person to submit to chemical testing of the person's blood, breath, or urine, conducted pursuant to Vehicle Code § 23612 (Vehicle Code § 13388).

If the person refuses to take or fails to complete the PAS test or other chemical test, or if the result of either test reveals a blood alcohol content of 0.01 or more, the deputy shall proceed to serve the person with a notice of order of suspension pursuant to this policy (Vehicle Code § 13388).

#### **514.6 REFUSALS**

When an arrestee refuses to provide a viable chemical sample, deputies should:

- (a) Advise the arrestee of the requirement to provide a sample (Vehicle Code § 23612).
- (b) Audio- and/or video-record the admonishment when it is practicable.
- (c) Document the refusal in the appropriate report.

#### 514.6.1 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained (Penal Code § 1524).
- (b) The deputy can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

#### 514.6.2 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that the person will physically resist a blood draw, the deputy should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of the person's duty to provide a sample (even if this advisement was previously done by another deputy) and attempt to persuade the individual to submit to such a sample without physical resistance.
  - 1. This dialogue should be recorded on audio and/or video if practicable.

- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
  - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
  - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, deputies are expected to use sound judgment and perform as a responding supervisor, as set forth above.

#### 514.6.3 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, deputies shall personally serve the notice of order of suspension upon the arrestee and take possession of any state-issued license to operate a motor vehicle that is held by that individual (Vehicle Code § 23612(e); Vehicle Code § 23612(f)).

#### **514.7 RECORDS CENTER RESPONSIBILITIES**

The Records Supervisor will ensure that all case-related records are transmitted according to current records procedures and as required by the prosecuting attorney's office.

#### **514.8 ADMINISTRATIVE HEARINGS**

The Records Supervisor will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to DMV.

Any deputy who receives notice of required attendance to an administrative license suspension hearing should promptly notify the prosecuting attorney.

A deputy called to testify at an administrative hearing should document the hearing date and DMV file number in a supplemental report. Specific details of the hearing generally should not be included in the report unless errors, additional evidence or witnesses are identified.

#### **514.9 TRAINING**

The Training Sergeant should ensure that deputies participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Training Sergeant should confer with the prosecuting attorney's office and update training topics as needed.

## Traffic Citations

### 516.1 PURPOSE AND SCOPE

This policy outlines the responsibility for traffic citations, the procedure for dismissal, correction, and voiding of traffic citations.

### 516.2 RESPONSIBILITIES

The Sheriff or his designee shall be responsible for the development and design of all Office traffic citations in compliance with state law and the Judicial Council.

The Records Center shall be responsible for the supply and accounting of all traffic citations issued to employees of this office.

### 516.3 DISMISSAL OF TRAFFIC CITATIONS

Employees of this office do not have the authority to dismiss a citation once it has been issued. Only the court has the authority to dismiss a citation that has been issued (Vehicle Code § 40500(d)). Any request from a recipient to dismiss a citation shall be referred to the Traffic Bureau Manager. Upon a review of the circumstances involving the issuance of the traffic citation, the Traffic Bureau Manager may request the Patrol Sheriff or his designee to recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate court with a request for dismissal. All recipients of traffic citations whose request for the dismissal of a traffic citation has been denied shall be referred to the appropriate court.

Should a deputy determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate the deputy may request the court to dismiss the citation. Upon dismissal of the traffic citation by the court, the deputy shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Sheriff or his designee for review.

### 516.4 VOIDING TRAFFIC CITATIONS

Voiding a traffic citation may occur when a traffic citation has not been completed or where it is completed, but not issued. All copies of the citation shall be presented to a supervisor to approve the voiding of the citation. The citation and copies shall then be forwarded to the Records Center.

### 516.5 CORRECTION OF TRAFFIC CITATIONS

When a traffic citation is issued and in need of correction, the deputy issuing the citation shall submit the citation amendment requesting a specific correction to his/her immediate supervisor. The citation and amendment shall then be forwarded to the Records center.

### 516.6 DISPOSITION OF TRAFFIC CITATIONS

The court and file copies of all traffic citations issued by members of this office shall be forwarded to the employee's immediate supervisor for review. The citation copies shall then be filed with the Records Center.

Upon separation from employment with this office, all employees issued traffic citation books shall return any unused citations to the Records Center.

#### **516.7 JUVENILE CITATIONS**

Completion of traffic citation forms for juveniles may vary slightly from the procedure for adults. The juvenile's age, place of residency, and the type of offense should be considered before issuing the juvenile a citation.

## Disabled Vehicles

### 520.1 PURPOSE AND SCOPE

Vehicle Code § 20018 provides that all law enforcement agencies having responsibility for traffic enforcement may develop and adopt a written policy to provide assistance to motorists in disabled vehicles within their primary jurisdiction.

### 520.2 DEPUTY RESPONSIBILITY

When an on-duty deputy observes a disabled vehicle on the roadway, the deputy should make a reasonable effort to provide assistance. If that deputy is assigned to a call of higher priority, the dispatcher should be advised of the location of the disabled vehicle and the need for assistance. The dispatcher should then assign another available deputy to respond for assistance as soon as practical.

### 520.3 EXTENT OF ASSISTANCE

In most cases, a disabled motorist will require assistance. After arrangements for assistance are made, continued involvement by department personnel will be contingent on the time of day, the location, the availability of departmental resources, and the vulnerability of the disabled motorist.

#### 520.3.1 MECHANICAL REPAIRS

Department personnel shall not make mechanical repairs to a disabled vehicle. The use of push bumpers to relocate vehicles to a position of safety is not considered a mechanical repair.

#### 520.3.2 RELOCATION OF DISABLED VEHICLES

The relocation of disabled vehicles by members of this department by pushing or pulling a vehicle should only occur when the conditions reasonably indicate that immediate movement is necessary to reduce a hazard presented by the disabled vehicle.

#### 520.3.3 RELOCATION OF DISABLED MOTORIST

The relocation of a disabled motorist should only occur with the person's consent and should be suggested when conditions reasonably indicate that immediate movement is necessary to mitigate a potential hazard. The department member may stay with the disabled motorist or transport him/her to a safe area to await pickup.

### 520.4 PUBLIC ACCESS TO THIS POLICY

This written policy is available upon request.

## 72-Hour Parking Violations

### 524.1 PURPOSE AND SCOPE

This policy provides procedures for the marking, recording, and storage of vehicles parked in violation of the San Benito County Ordinance regulating 72-hour parking violations and abandoned vehicles under the authority of Vehicle Code § 22669.

### 524.2 MARKING VEHICLES

Vehicles suspected of being in violation of the County of San Benito 72-Hour Parking Ordinance shall be marked and noted on the San Benito County Sheriff's Office Marked Vehicle Card. No case number is required at this time.

A visible chalk mark should be placed on the left rear tire tread at the fender level unless missing tires or other vehicle conditions prevent marking. Any deviation in markings shall be noted on the Marked Vehicle Card. The investigating employee should make a good faith effort to notify the owner of any vehicle subject to towing prior to having the vehicle removed. This may be accomplished by personal contact, telephone or by leaving notice attached to the vehicle at least 24 hours prior to removal.

All Marked Vehicle Cards shall be submitted to the Traffic Bureau for computer data entry.

If a marked vehicle has been moved or the markings have been removed during a 72-hour investigation period, the vehicle shall be marked again for the 72-hour parking violation and a Marked Vehicle Card completed and forwarded to the Traffic Bureau.

Parking citations for the 72-hour parking ordinance shall not be issued when the vehicle is stored for the 72-hour parking violation.

#### 524.2.1 MARKED VEHICLE FILE

The Traffic Bureau shall be responsible for maintaining a file for all Marked Vehicle Cards.

Parking control officers assigned to the Traffic Bureau shall be responsible for the follow up investigation of all 72-hour parking violations noted on the Marked Vehicle Cards.

#### 524.2.2 VEHICLE STORAGE

Any vehicle in violation shall be stored by the authorized towing service and a vehicle storage report shall be completed by the deputy authorizing the storage of the vehicle.

The storage report form shall be submitted to the Records Center immediately following the storage of the vehicle. It shall be the responsibility of the Records Center to immediately notify the Stolen Vehicle System (SVS) of the Department of Justice in Sacramento ( Vehicle Code § 22851.3(b)). Notification may also be made to the National Law Enforcement Telecommunications System (NLETS)(Vehicle Code § 22854.5).

Within 48 hours of the storage of any such vehicle, excluding weekends and holidays, it shall be the responsibility of the Records Center to determine the names and addresses of any individuals

having an interest in the vehicle through DMV or CLETS computers. Notice to all such individuals shall be sent first-class or certified mail pursuant to Vehicle Code § 22851.3(d).

# Chapter 6 - Investigation Operations

## Investigation and Prosecution

### 600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

### 600.2 POLICY

It is the policy of the San Benito County Sheriff's Office to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

### 600.3 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

#### 600.3.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigation Bureau supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

#### 600.3.2 MANDATORY RECORDING OF ADULTS

Any custodial interrogation of an adult who is suspected of having committed any murder shall be recorded in its entirety. The recording should be video with audio if reasonably feasible (Penal Code § 859.5).

This recording is not mandatory when (Penal Code § 859.5):

- (a) Recording is not feasible because of exigent circumstances that are later documented in a report.

## San Benito County SO Policy Manual

### *Investigation and Prosecution*

- (b) The suspect refuses to have the interrogation recorded, including a refusal any time during the interrogation, and the refusal is documented in a report. If feasible, the refusal shall be electronically recorded.
- (c) The custodial interrogation occurred in another state by law enforcement officers of that state, unless the interrogation was conducted with the intent to avoid the requirements of Penal Code § 859.5.
- (d) The interrogation occurs when no member conducting the interrogation has a reason to believe that the individual may have committed murder. Continued custodial interrogation concerning that offense shall be electronically recorded if the interrogating member develops a reason to believe the individual committed murder.
- (e) The interrogation would disclose the identity of a confidential informant or would jeopardize the safety of a deputy, the individual being interrogated or another individual. Such circumstances shall be documented in a report.
- (f) A recording device fails despite reasonable maintenance and the timely repair or replacement is not feasible.
- (g) The questions are part of a routine processing or booking, and are not an interrogation.
- (h) The suspect is in custody for murder and the interrogation is unrelated to a murder. However, if any information concerning a murder is mentioned during the interrogation, the remainder of the interrogation shall be recorded.

The Office shall maintain an original or an exact copy of the recording until a conviction relating to the interrogation is final and all appeals are exhausted or prosecution is barred by law (Penal Code § 859.5).

#### **600.4 INITIAL INVESTIGATION**

##### **600.4.1 DEPUTY RESPONSIBILITIES**

A deputy responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
  - 1. An initial statement from any witnesses or complainants.
  - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the deputy shall:
  - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
  - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
  - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Shift Sergeant.
  - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.

---

5. Collect any evidence.
  6. Take any appropriate law enforcement action.
  7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

#### **600.4.2 CIVILIAN MEMBER RESPONSIBILITIES**

A civilian member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of a deputy shall be requested.

#### **600.5 DISCONTINUATION OF INVESTIGATIONS**

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
  1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
  2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.
- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted, or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted, or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse, Sexual Assault Investigations, and Senior and Disability Victimization policies may also require an arrest or submittal of a case to a prosecutor.

#### **600.6 COMPUTERS AND DIGITAL EVIDENCE**

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, deputies should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, deputies should take reasonable steps to prepare for such seizure and use the resources that are available.

#### **600.7 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES**

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights, and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this office. If a member encounters information relevant to a criminal investigation while off-duty or while using the member's own equipment, the member should note the dates, times, and locations of the information and report the discovery to the member's supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using office equipment.

Information obtained via the internet should not be archived or stored in any manner other than office-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

##### **600.7.1 ACCESS RESTRICTIONS**

Information that can be accessed from any office computer, without the need of an account, password, email address, alias, or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any internet source should be evaluated for its validity, authenticity, accuracy, and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

Known samples of DNA collected from a victim of a crime or alleged crime, and known reference samples of DNA from any individual that were voluntarily provided for the purpose of exclusion are to be used only for the purpose directly related to the incident being investigated and in compliance with the procedures identified in Penal Code § 679.12.

#### **600.11 ANTI-REPRODUCTIVE RIGHTS CRIMES**

A member should take a report any time a person living within the jurisdiction of the San Benito County Sheriff's Office reports that the person has been a victim of an anti-reproductive rights crime as defined by Penal Code § 13776 and Penal Code § 423.3. This includes:

- (a) Taking a report, even if the location of the crime is outside the jurisdiction of this office or has not been determined (e.g., online harassment).
- (b) Providing the victim with the appropriate information, as set forth in the Victim and Witness Assistance Policy. Members should encourage the person to review the material and should assist with any questions.

A report should also be taken if a person living outside office jurisdiction reports an anti-reproductive rights crime that may have been committed or facilitated within this jurisdiction (e.g., use of a post office box in the [city/county] to facilitate the crime).

A member investigating an anti-reproductive rights crime should ensure that the case is referred to the appropriate agency if it is determined that this office should not be the investigating agency. The victim should be advised that the case is being transferred to the agency of jurisdiction. The appropriate entries should be made into any databases that have been authorized for office use and are specific to this type of investigation.

The Investigation Bureau supervisor should provide the Records Supervisor with enough information regarding the number of calls for assistance and number of arrests to meet the reporting requirements to the California Department of Justice as required by Penal Code § 13777. See the Records Center Policy for additional guidance.

##### **600.12.1 CALIFORNIA DOJ NOTICE OF LOCATION OF REPORTED LOST OR STOLEN FIREARM**

When notification is received from the California Department of Justice (DOJ) that a firearm purchase matches an entry made into the Automated Firearms System by the Office as lost or stolen, the Investigation Bureau supervisor shall assign a deputy to retrieve the firearm and book the firearm into evidence in accordance with the Property and Evidence Policy. Recovery of the firearm shall be reported pursuant to Penal Code § 11108.2, Penal Code §11108.3, and Penal Code § 11108.5. # Sexual Assault Investigations

## 602.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Senior and Disability Victimization policies.

### 602.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include but not limited to offenses defined in Penal Code § 243.4, Penal Code § 261 et seq., and Penal Code § 285 et seq.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

## 602.2 POLICY

It is the policy of the San Benito County Sheriff's Office that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

## 602.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.

#### **602.4 REPORTING**

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

#### **602.5 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigation Bureau supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

#### **602.6 TRAINING**

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
  1. Initial response to sexual assaults.
  2. Legal issues.
  3. Victim advocacy.
  4. Victim's response to trauma.
  5. Proper use and handling of the California standardized SAFE kit (Penal Code § 13823.14).
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
  1. Interviewing sexual assault victims.
  2. SART.
  3. Medical and legal aspects of sexual assault investigations.
  4. Serial crimes investigations.
  5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
  6. Techniques for communicating with victims to minimize trauma.

#### **602.7 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to the Communications Center, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART should be included in the initial victim interviews. An in-depth follow-up interview should not be conducted until after the medical and forensic

examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in the report.

Victims shall not be asked or required to take a polygraph examination (34 USC § 10451; Penal Code § 637.4).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

#### 602.7.1 VICTIM RIGHTS

Whenever there is an alleged sexual assault, the assigned deputy shall accomplish the following:

- (a) Prior to the commencement of the initial interview, advise the victim in writing of the right to have a victim advocate and a support person of the victim's choosing present at any interview or contact by law enforcement, about any other rights of a sexual assault victim pursuant to the sexual assault victim card described in Penal Code § 680.2, and the right to have a person of the same or opposite gender present in the room during any interview with a law enforcement official unless no such person is reasonably available (Penal Code § 679.04).
- (b) If the victim is transported to a hospital for any medical evidentiary or physical examination, the deputy shall immediately cause the local rape victim counseling center to be notified (Penal Code § 264.2).
  1. The deputy shall not discourage a victim from receiving a medical evidentiary or physical examination (Penal Code § 679.04).
  2. A support person may be excluded from the examination by the deputy or the medical provider if the support person's presence would be detrimental to the purpose of the examination (Penal Code § 264.2).

#### 602.7.2 VICTIM CONFIDENTIALITY

Deputies investigating or receiving a report of an alleged sex offense shall inform the victim, or the victim's parent or guardian if the victim is a minor, that his/her name will become a matter of public record unless the victim requests that his/her name not be made public. The reporting deputy shall document in his/her report that the victim was properly informed and shall include any related response made by the victim, or if a minor, any response made by the victim's parent or guardian (Penal Code § 293).

Except as authorized by law, members of this office shall not publicly disclose the name of any victim of a sex crime who has exercised his/her right to confidentiality (Penal Code § 293).

#### 602.8 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Sexual Assault Investigations*

---

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated, or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately (Penal Code § 680).

#### 602.8.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating a sexual assault offense should take every reasonable step to ensure that DNA testing of such evidence is performed in a timely manner and within the time periods prescribed by Penal Code § 803(g). SAFE kits should be submitted to the crime lab within 20 days after being booked into evidence (Penal Code § 680).

In order to maximize the effectiveness of such testing and identify the perpetrator of any sexual assault, the assigned deputy shall ensure that an information profile for the SAFE kit evidence has been created in the California Department of Justice (DOJ) SAFE-T database within 120 days of collection and should further ensure that the results of any such test have been timely entered into and checked against both the DOJ Cal-DNA database and the Combined DNA Index System (CODIS) (Penal Code § 680.3).

If the assigned deputy determines that a SAFE kit submitted to a private vendor laboratory for analysis has not been tested within 120 days after submission, the deputy shall update the SAFE-T database to reflect the reason for the delay in testing. The assigned deputy shall continue to update the status every 120 days thereafter until the testing is complete, the statute of limitations has run, or the SAFE kit is exempt from the update requirement (Penal Code § 680.3).

If, for any reason, DNA evidence in a sexual assault case in which the identity of the perpetrator is in issue and is not going to be analyzed within 18 months of the crime, the assigned deputy shall notify the victim of such fact in writing no less than 60 days prior to the expiration of the 18-month period (Penal Code § 680).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

#### 602.8.2 DNA TEST RESULTS

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available

information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

- (a) Upon receipt of a written request from a sexual assault victim or the victim's authorized designee, members investigating sexual assault cases shall inform the victim of the status of the DNA testing of any evidence from the victim's case (Penal Code § 680).
  - 1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
  - 2. Absent a written request, no member of this office is required to, but may, communicate with the victim or the victim's authorized designee regarding the status of any DNA testing.
- (b) Sexual assault victims shall further have the following rights (Penal Code § 680):
  - 1. To be informed if a DNA profile of the assailant was obtained from the testing of the SAFE kit or other crime scene evidence from their case.
  - 2. To be informed if there is a confirmed match between the DNA profile of the assailant developed from the evidence and a DNA profile contained in the DOJ Convicted Offender DNA Database, providing that disclosure would not impede or compromise an ongoing investigation.
  - 3. To be informed if the DNA profile of the assailant developed from the evidence has been entered into the DOJ Databank or the federal Department of Justice or Federal Bureau of Investigation CODIS database of case evidence.
  - 4. To access the DOJ SAFE-T database portal consistent with Penal Code § 680.3(e) for information involving their own forensic kit and the status of the kit.
- (c) Provided that the sexual assault victim or the victim's authorized designee has kept the assigned deputy informed with regard to current address, telephone number, and email address (if available), any victim or the victim's authorized designee shall, upon request, be advised of any known significant changes regarding the victim's case (Penal Code § 680).
  - 1. Although such information may be communicated orally, the assigned deputy should thereafter follow-up with and retain a copy of confirmation by either written or electronic mail.
  - 2. No deputy shall be required or expected to release any information which might impede or compromise any ongoing investigation.

#### 602.8.3 STANDARDIZED SEXUAL ASSAULT FORENSIC MEDICAL EVIDENCE KIT

The Property and Evidence Room supervisor should make California standardized sexual assault forensic medical evidence (SAFE) kits available to members who may investigate sexual assault cases. Members investigating a sexual assault should use these SAFE kits when appropriate and follow related usage guidelines issued by the California Clinical Forensic Medical Training Center (Penal Code § 13823.14).

#### 602.8.4 COLLECTION OF DNA REFERENCE SAMPLES

Reference samples of DNA collected directly from a victim of sexual assault, and reference samples of DNA collected from any individual that were voluntarily provided for the purpose of exclusion, shall be protected as provided in Penal Code § 679.12 (Penal Code § 680).

#### 602.9 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigation Bureau supervisor.

Classification of a sexual assault case as unfounded requires the Investigation Bureau supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

#### 602.10 CASE REVIEW

The Investigation Bureau supervisor should ensure case dispositions are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.
- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Sheriff.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

#### 608.6.3 AUDIT OF PAYMENTS

The Investigations Bureau supervisor or an authorized designee shall be responsible for compliance with any audit requirements associated with any grant provisions and applicable state and federal law.

## Eyewitness Identification

### 610.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this office employ eyewitness identification techniques (Penal Code § 859.7).

#### 610.1.1 DEFINITIONS

Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

### 610.2 POLICY

The San Benito County Sheriff's Office will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

### 610.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

### 610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigation Bureau supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide (Penal Code § 859.7):

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.
- (k) Any other direction to meet the requirements of Penal Code § 859.7, including direction regarding blind or blinded administrations and filler selection.

The process and related forms should be reviewed at least annually and modified when necessary.

#### **610.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case.

Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

The eyewitness identification procedure should be audio and video recorded and the recording should be retained according to current evidence procedures. When it is not feasible to make a recording with both audio and visual representations, an audio recording should be made (Penal Code § 859.7).

#### **610.6 DOCUMENTATION**

A thorough description of the eyewitness process and the result of any eyewitness identification should be documented in the case report.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Eyewitness Identification*

---

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

#### **610.6.1 DOCUMENTATION RELATED TO RECORDINGS**

The handling member shall document the reason that a video recording or any other recording of an identification was not obtained (Penal Code § 859.7).

#### **610.6.2 DOCUMENTATION RELATED TO BLIND ADMINISTRATION**

If a presentation of a lineup is not conducted using blind administration, the handling member shall document the reason (Penal Code § 859.7).

### **610.7 PHOTOGRAPHIC LINEUP AND LIVE LINEUP CONSIDERATIONS**

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness (Penal Code § 859.7). Techniques to achieve this include randomly numbering photographs, shuffling folders, or using a computer program to order the persons in the lineup.

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (Penal Code § 859.7).

The member presenting the lineup should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

#### **610.7.1 OTHER SAFEGUARDS**

Witnesses should be asked for suspect descriptions as close in time to the incident as possible and before conducting an eyewitness identification. No information concerning a suspect should be given prior to obtaining a statement from the witness describing how certain he/she is of the identification or non-identification. Members should not say anything to a witness that may validate or invalidate an eyewitness' identification. In photographic lineups, writings or information concerning any previous arrest of a suspect shall not be visible to the witness (Penal Code § 859.7).

### **610.8 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be

---

used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  1. The length of time the witness observed the suspect.
  2. The distance between the witness and the suspect.
  3. Whether the witness could view the suspect's face.
  4. The quality of the lighting when the suspect was observed by the witness.
  5. Whether there were distracting noises or activity during the observation.
  6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

## Brady Material Disclosure

### 612.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called "*Brady* information") to a prosecuting attorney.

#### 612.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** -Information known or possessed by the San Benito County Sheriff's Office that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 612.2 POLICY

The San Benito County Sheriff's Office will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the San Benito County Sheriff's Office will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Office will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Deputies must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If a deputy learns of potentially incriminating or exculpatory information any time after submission of a case, the deputy or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor's office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the deputy should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If a deputy is unsure whether evidence or facts are material, the deputy should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Office case file.

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Brady Material Disclosure*

---

#### **612.4 DISCLOSURE OF PERSONNEL INFORMATION**

Whenever it is determined that *Brady* information is located in the personnel file of a member of this office who is a material witness in a criminal case, the following procedure shall apply:

- (a) In the event that a *Pitchess* motion has not already been filed by the criminal defendant or other party pursuant to Evidence Code § 1043, the prosecuting attorney shall be notified of the potential presence of *Brady* information in the deputy's personnel file.
- (b) The prosecuting attorney should then be requested to file a *Pitchess* motion in order to initiate an in-camera review by the court.
- (c) Any member who is the subject of such a motion shall be notified in writing that a motion has been filed.
- (d) The Custodian of Records shall accompany all relevant files during any in-camera inspection and address any issues or questions raised by the court in determining whether any information contained in the files is both material and favorable to the criminal defendant.
- (e) If the court determines that there is relevant *Brady* information contained in the files, only that information ordered released will be copied and released to the parties filing the motion.
  1. Prior to the release of any information pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such information to the involved case and requiring the return of all copies upon completion of the case.

#### **612.5 INVESTIGATING BRADY ISSUES**

If the Office receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy.

#### **612.6 TRAINING**

Office members should receive periodic training on the requirements of this policy.

## Operations Planning and Deconfliction

### 613.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

#### 613.1.1 DEFINITIONS

Definitions related to this policy include:

**High-risk operations** - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by deputies on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

### 613.2 POLICY

It is the policy of the San Benito County Sheriff's Office to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

### 613.3 OPERATIONS DIRECTOR

The Sheriff will designate a member of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

### 613.4 RISK ASSESSMENT

#### 613.4.1 RISK ASSESSMENT FORM PREPARATION

Deputies assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the deputy should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the deputy should also submit information to these resources.

The deputy should gather available information that includes, but is not limited to:

### *Operations Planning and Deconfliction*

---

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to deputies and others (e.g., making an off-site arrest or detention of the subject of investigation).

#### 613.4.2 RISK ASSESSMENT REVIEW

Deputies will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

#### 613.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
  - 1. (CRU)
  - 2. Additional personnel
  - 3. Outside agency assistance
  - 4. Special equipment
  - 5. Medical personnel
  - 6. Persons trained in negotiation
  - 7. Additional surveillance

8. Canines
  9. Property and Evidence Room or analytical personnel to assist with cataloguing seizures
  10. Forensic specialists
  11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
  - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
  - (d) Coordinate the actual operation.

#### **613.5 DECONFLICTION**

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The deputy who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The deputy should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

#### **613.6 OPERATIONS PLAN**

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
  1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
  2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
  4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed deputies should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
  2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals and other people who might be at the location in accordance with the Child Abuse, Adult Abuse, Child and Dependent Adult Safety and Animal Control policies.
- (k) Communications plan
- (l) Responsibilities for writing, collecting, reviewing and approving reports.

#### **613.6.1 OPERATIONS PLAN RETENTION**

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

#### **613.7 OPERATIONS BRIEFING**

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

# San Benito County Sheriff's Office

### *Operations Planning and Deconfliction*

---

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
  - 1. Exceptions may be made by the operations director for deputies who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
  - 1. It is the responsibility of the operations director to ensure that the Communications Center is notified of the time and location of the operation, and to provide a copy of the operation plan prior to deputies arriving at the location.
  - 2. If the radio channel needs to be monitored by the Communications Center, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
  - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

#### **613.8 CRU PARTICIPATION**

If the operations director determines that CRU participation is appropriate, the director and the CRU supervisor shall work together to develop a written plan. The CRU supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the CRU supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the deputies present.

#### **613.9 MEDIA ACCESS**

No advance information regarding planned operations shall be released without the approval of the Sheriff. Any media inquiries or press release after the fact shall be handled in accordance with the News Media Relations Policy.

#### **613.10 OPERATIONS DEBRIEFING**

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any CRU debriefing.

#### **613.11 TRAINING**

The Training Sergeant should ensure deputies and CRU team members who participate in operations subject to this policy should receive periodic training including, but not limited to,

topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

## Forensic Genetic Genealogy

### 614.1 PURPOSE AND SCOPE

This policy provides guidance for the use of forensic genetic genealogy (FGG) to generate investigative leads.

#### 614.1.1 DEFINITIONS

Definitions related to this policy include:

**Combined DNA Index System (CODIS)** - An FBI computer software program that operates deoxyribonucleic acid (DNA) profile databases for law enforcement use.

**DNA typing laboratory** - A laboratory that analyzes biological samples, including extracted DNA, in order to provide various DNA profile types. State or local crime labs are generally not equipped to provide single nucleotide polymorphism (SNP) DNA profiles; therefore, the use of private DNA typing laboratories is often necessary for FGG.

**Extracted DNA** - The DNA isolated from a biological sample remaining after previous DNA testing has been completed.

**Forensic genetic genealogy (FGG)** - The process of obtaining a SNP DNA profile from a biological sample collected during an investigation; uploading the profile to a genetic genealogy site for comparison to the consumer profiles in the site's database to identify genetic relatives; and using the identified genetic relationships, as well as traditional genealogy research, to generate investigative leads.

**Genetic genealogist** - A genealogist who uses DNA testing with traditional genealogical research methods to assist law enforcement or private clients in identifying biological relatives of an individual.

**Genetic genealogy site** - A database of DNA profiles voluntarily submitted by public consumers for the purpose of identifying genetic relatives. The availability of genetic genealogy sites for law enforcement use varies depending on their terms of service.

**Short tandem repeat (STR) DNA profile** - The results of DNA typing in a format that can be processed through CODIS and state DNA databases. This is the type of DNA used in conventional non-FGG law enforcement investigations.

**Single nucleotide polymorphism (SNP) DNA profile** - The results of DNA typing in a format that enables an unknown DNA sample to be compared to the DNA profiles maintained by a genetic genealogy site. This is the DNA type used in FGG.

### 614.2 POLICY

The San Benito County Sheriff's Office's use of FGG will be in coordination with prosecutors, the Coroner, and other appropriate resources only in qualifying cases after reasonable conventional investigative methods have been pursued. Members will take reasonable steps to maintain the

---

integrity of the FGG process and safeguard the privacy rights of individuals whose DNA profiles are analyzed.

#### **614.3 CRITERIA FOR FGG USE**

Before using FGG, the lead investigator should coordinate with the supervisor to determine whether the case meets the following requirements:

- (a) Biological evidence collected as part of the underlying investigation (or extracted DNA from the biological evidence) is available for additional testing and is reasonably believed to be attributable to:
  - 1. The perpetrator of an unsolved violent felony.
  - 2. The unidentified human remains of a suspected homicide victim.
- (b) All reasonable conventional investigative methods have been utilized and all reasonable investigative leads have been pursued (e.g., relevant case information entered in the National Missing and Unidentified Persons System (NamUs) and the Violent Criminal Apprehension Program (ViCAP) national database).
- (c) An STR DNA profile has been developed from the biological evidence collected in the case and, absent unusual circumstances, has been uploaded to CODIS and any applicable state DNA database for comparison with negative results.

#### **614.4 COORDINATION**

Once a preliminary determination has been made that a case may qualify for the use of FGG, the lead investigating member should consult with the appropriate prosecutor to address current and prospective legal issues and determine if a search warrant is required.

In the case of unidentified human remains, the lead investigator should also consult with the Coroner.

#### **614.5 SUBMISSION OF SAMPLE**

The biological evidence or extracted DNA should be submitted to a DNA typing laboratory approved by the Office in order to obtain a SNP DNA profile.

Once a SNP DNA profile has been obtained from the biological evidence or extracted DNA, the lead investigating member should arrange for it to be compared to the SNP DNA profiles contained in one or more genetic genealogy sites to identify possible genetic relatives. The lead investigator should work with a qualified genetic genealogist as needed during this process.

When submitting a SNP DNA profile for comparison, the lead investigator or the authorized designee (e.g., assigned genetic genealogist) shall notify the genetic genealogy site that the request for comparison is from a law enforcement agency and confirm that the site's terms of service permit FGG for the type of case being investigated. The use of the SNP DNA profile and any subsequent comparison shall be limited to the original underlying investigation.

If at any time during the FGG process the case no longer meets the criteria for FGG use, the lead investigator should promptly notify the DNA typing laboratory, genetic genealogy site, and/or

genetic genealogist to cease any further analysis and to return all evidence, data, and materials to the Office.

#### **614.6 ANALYSIS OF FGG DATA**

Once results of a comparison are received from a genetic genealogy site, the information should be evaluated by a genetic genealogist, who will assist the lead investigator in identifying potential investigative leads.

The lead investigator should promptly and diligently pursue each viable lead identified through the FGG process using traditional investigative methods, as appropriate, to:

- (a) Eliminate an individual as a potential suspect in the case.
- (b) Link an individual to the case as a potential suspect.
- (c) Identify human remains.

#### **614.7 COLLECTION OF THIRD-PARTY DNA SAMPLE**

If it is determined that a third-party DNA sample (i.e., from a person not likely to be a suspect in the investigation) should be collected and analyzed for FGG, consent from the third party should be obtained prior to collection.

If there is a reasonable belief that the integrity of the investigation would be compromised by seeking consent from the third party prior to collection, the lead investigator should consult with the prosecutor regarding applicable laws and procedures in both the jurisdiction of the investigation and the jurisdiction where the collection will occur, if different.

The use of a third-party DNA sample shall be limited to the original underlying investigation.

#### **614.8 POST-IDENTIFICATION**

Members shall not rely solely on FGG identification of a potential suspect for probable cause to make an arrest or obtain an arrest warrant. Unless there is sufficient evidence independent of the FGG data to support an arrest, a potential suspect identified through FGG should not be arrested until the suspect's identity is confirmed.

Members shall not rely solely on FGG to identify human remains unless there is sufficient evidence independent of the FGG data to declare the identification or confirmation testing has been completed.

Confirmatory DNA testing should be conducted by collecting a known DNA sample from the potential suspect or, in the case of unidentified human remains, from a close biological relative. This known DNA sample should be submitted for comparison to the original unknown STR DNA profile through conventional methods (e.g., in CODIS).

The lead investigator should consult with the prosecutor to determine the appropriate method of obtaining a known DNA sample.

Once the identity of a suspect or the identity of unidentified human remains has been confirmed through conventional DNA testing, the lead investigator should:

### *Forensic Genetic Genealogy*

---

- (a) Consult with the prosecutor to evaluate the entire investigative file for consideration of criminal charges or further investigation.
- (b) If applicable, consult with the Coroner for an amendment to a certificate of death.

#### **614.9 PRIVACY CONSIDERATIONS**

Members should make reasonable efforts to respect and protect the privacy of non-suspect genetic relatives identified through the FGG process. The names and identifying information of any non-suspect genetic relatives should not be included in official reports, probable cause declarations, or affidavits for search warrants and should not be disclosed unless otherwise required by law or court order.

The lead investigator should formally request that the SNP DNA profile be removed from all genetic genealogy sites upon identity confirmation and should retain a copy of the request for office records. The lead investigator should request that all case-related records and data provided to, or generated by, a genetic genealogist during the FGG process be returned to the Office.

#### **614.10 RETENTION OF DNA SAMPLES AND RELATED RECORDS**

Genetic information, including any derivative profiles and genetic genealogy site user information, should be retained in accordance with the established records retention schedule. The lead investigator should coordinate with the M.S.O. MULTI SERVICE OFFICER and provide adequate notice to the appropriate prosecutor's office before destroying any profiles or data obtained from the FGG process.

See the Property and Evidence Policy for guidelines regarding biological evidence, including DNA samples.

## Personal Communication Devices

### 702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Office or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless capable tablets and similar wireless two-way communications and/or portable Internet access devices. PCD use includes, but is not limited to, placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games and accessing sites or services on the Internet.

### 702.2 POLICY

The San Benito County Sheriff's Office allows members to utilize office-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory personnel.

### 702.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Office and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through office PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for office-related business or when the use reasonably implicates work-related misconduct.

#### 702.3.1 CALIFORNIA ELECTRONIC COMMUNICATIONS PRIVACY ACT (CALECPA)

No member is authorized to be the sole possessor of a office-issued PCD. Office-issued PCDs can be retrieved, reassigned, accessed or used by any member as directed by a supervisor without notice. Member use of a office-issued PCD and use of a personal PCD at work or for work-

related business constitutes specific consent for access for office purposes. Prior to conducting an administrative search of a PCD, supervisors should consult legal counsel to ensure access is consistent with CalECPA (Penal Code § 1546; Penal Code § 1546.1).

#### **702.4 OFFICE-ISSUED PCD**

Depending on a member's assignment and the needs of the position, the Office may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Office-issued or funded PCDs may not be used for personal business either on- or off-duty unless authorized by the Sheriff or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Office and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Sheriff or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

#### **702.5 PERSONALLY OWNED PCD**

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Office accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by office procedures.
  1. Use of a personally owned PCD for work-related business constitutes consent for the Office to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
  2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
  3. Searches of a personally owned PCD by the Office should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any office business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Office, without the express authorization of the Sheriff or the authorized designee.

- (f) If the PCD is carried on-duty, members will provide the Office with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the San Benito County Sheriff's Office and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing memorandum of understanding or collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in office business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty office-related business activities in any manner shall promptly provide the Office with a copy of such records to ensure accurate recordkeeping.

#### **702.6 USE OF PCD**

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct office business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official office business. Disclosure of any such information to any third party through any means requires the express authorization of the Sheriff or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official office business. This restriction does not apply to a personally owned PCD used during authorized break times.

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.
- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
  1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
  2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Sheriff or the authorized designee.

#### **702.8 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Deputies operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Members who are operating office vehicles that are not authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use. In an emergency, a wireless phone may be used to place an emergency call to the Office or other emergency services agency (Vehicle Code § 23123; Vehicle Code § 23123.5). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

#### **702.9 OFFICIAL USE**

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other office communications network.

## Vehicle Use

### 706.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure office vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of office vehicles and shall not be construed to create or imply any contractual obligation by the County of San Benito to provide assigned take-home vehicles.

### 706.2 POLICY

The San Benito County Sheriff's Office provides vehicles for office-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Office, requirements for tactical deployments, and other considerations.

### 706.3 USE OF VEHICLES

#### 706.3.1 SHIFT ASSIGNED VEHICLES

The Shift Sergeant shall ensure a copy of the shift assignment roster indicating member assignments and vehicle numbers is completed for each shift and retained in accordance with the established records retention schedule. If a member exchanges vehicles during the member's shift, the new vehicle number shall be documented on the roster.

#### 706.3.2 OTHER USE OF VEHICLES

Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Sergeant. A notation will be made on the shift assignment roster indicating the member's name and vehicle number.

#### 706.3.4 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Deputies who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

Members shall ensure all weapons are secured while the vehicle is unattended.

#### 706.3.5 MDC

Members assigned to vehicles equipped with a Mobile Digital Computer (MDC) shall log onto the MDC with the required information when going on-duty. #### 706.3.6 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Sheriff, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor. If the member finds that the system is not functioning properly at any time during the shift, he/she should exchange the vehicle for one with a working system, if available.

System data may be accessed by supervisors at any time. However, access to historical data by other than supervisors will require Sheriff or his designee approval.

All data captured by the system shall be retained in accordance with the established records retention schedule.

#### 706.4.3 ASSIGNED VEHICLES

Assignment of take-home vehicles shall be based on the location of the member's residence, the nature of the member's duties, job description and essential functions, and employment or appointment status. Residence in the County of San Benito is a prime consideration for assignment of a take-home vehicle. Members who reside outside the County of San Benito may be required to secure the vehicle at a designated location or the Office at the discretion of the Sheriff.

Office members shall sign a take-home vehicle agreement that outlines certain standards, including, but not limited to, how the vehicle shall be used, where it shall be parked when the member is not on-duty, vehicle maintenance responsibilities and member enforcement actions.

Members are cautioned that under federal and local tax rules, personal use of a County vehicle may create an income tax liability for the member. Questions regarding tax rules should be directed to the member's tax adviser.

Criteria for use of take-home vehicles include the following:

- (a) Vehicles shall only be used for work-related purposes and shall not be used for personal errands or transports, unless special circumstances exist and the Sheriff or a Sheriff or his designee gives authorization.
- (b) Vehicles may be used to transport the member to and from the member's residence for work-related purposes.
- (c) Vehicles will not be used when off-duty except:
  - 1. In circumstances when a member has been placed on call by the Sheriff or Sheriff or his designees and there is a high probability that the member will be called back to duty.
  - 2. When the member is performing a work-related function during what normally would be an off-duty period, including vehicle maintenance or travelling to or from a work-related activity or function.

  3. All office identification, portable radios and equipment should be secured.
- (g) Vehicles are to be parked off-street at the member's residence unless prior arrangements have been made with the Sheriff or the authorized designee. If the vehicle is not secured inside a locked garage, all firearms and kinetic impact weapons shall be removed and properly secured in the residence (see the Firearms Policy regarding safe storage of firearms at home).
- (h) Vehicles are to be secured at the member's residence or the appropriate office facility, at the discretion of the Office when a member will be away (e.g., on vacation) for periods exceeding one week.
1. If the vehicle remains at the residence of the member, the Office shall have access to the vehicle.
  2. If the member is unable to provide access to the vehicle, it shall be parked at the Office.
- (i) The member is responsible for the care and maintenance of the vehicle.

Deputies may render public assistance when it is deemed prudent (e.g., to a stranded motorist).

- (g) Supervisors shall make, at a minimum, monthly inspections of vehicles assigned to members under their command to ensure the vehicles are being maintained in accordance with this policy.

#### **706.5 UNMARKED VEHICLES**

Vehicles are assigned to various divisions and their use is restricted to the respective division and the assigned member, unless otherwise approved by a division supervisor. Any member operating an unmarked vehicle shall record vehicle usage on the sign-out log maintained in the division for that purpose. Any use of unmarked vehicles by those who are not assigned to the division to which the vehicle is assigned shall also record the use with the Shift Sergeant on the shift assignment roster.

#### **706.6 DAMAGE, ABUSE AND MISUSE**

When any office vehicle is involved in a traffic collision or otherwise incurs damage, the involved member shall promptly notify a supervisor. Any traffic collision report shall be filed with the agency having jurisdiction (see the Traffic Collision Reporting Policy).

Damage to any office vehicle that was not caused by a traffic collision shall be immediately reported during the shift in which the damage was discovered, documented in memorandum format and forwarded to the Shift Sergeant. An administrative investigation should be initiated to determine if there has been any vehicle abuse or misuse.

#### **706.7 TOLL ROAD USAGE**

Law enforcement vehicles are not routinely exempted from incurring toll road charges.

To avoid unnecessary toll road charges, all members operating office vehicles on a toll road shall adhere to the following:

## Cash Handling, Security and Management

### 707.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure department members handle cash appropriately in the performance of their duties.

This policy does not address cash-handling issues specific to the Property and Evidence and Informants policies.

### 707.2 POLICY

It is the policy of the San Benito County Sheriff's Office to properly handle and document cash transactions and to maintain accurate records of cash transactions in order to protect the integrity of department operations and ensure the public trust.

### 707.3 PETTY CASH FUNDS

The Sheriff shall designate a person as the fund manager responsible for maintaining and managing the petty cash fund.

Each petty cash fund requires the creation and maintenance of an accurate and current transaction ledger and the filing of invoices, receipts, cash transfer forms and expense reports by the fund manager.

### 707.4 PETTY CASH TRANSACTIONS

The fund manager shall document all transactions on the ledger and any other appropriate forms. Each person participating in the transaction shall sign or otherwise validate the ledger, attesting to the accuracy of the entry. Transactions should include the filing of an appropriate receipt, invoice or cash transfer form. Transactions that are not documented by a receipt, invoice or cash transfer form require an expense report.

### 707.5 PETTY CASH AUDITS

The fund manager shall perform an audit no less than once every six months. This audit requires that the fund manager and at least one command staff member, selected by the Sheriff, review the transaction ledger and verify the accuracy of the accounting. The fund manager and the participating member shall sign or otherwise validate the ledger attesting to the accuracy of all documentation and fund accounting. A discrepancy in the audit requires documentation by those performing the audit and an immediate reporting of the discrepancy to the Sheriff.

Transference of fund management to another member shall require a separate petty cash audit and involve a command staff member.

written opinion as to whether the petitioner is factually innocent of the charges (Penal Code § 851.8). Factual innocence means the accused person did not commit the crime.

Upon receipt of a written opinion from the prosecuting attorney affirming factual innocence, the Administration Supervisor should forward the petition to the Investigation Bureau Supervisor and the County Counsel for review. If an extension is authorized, the Office shall provide the requester written notice that includes the reason for the extension and the anticipated date of the response.
  - 1. When the request does not reasonably describe the records sought, the Custodian of Records shall assist the requester in making the request focused and effective in a way to identify the records or information that would be responsive to the request including providing assistance for overcoming any practical basis for denying access to the records or information. The Custodian of Records shall also assist in describing the information technology and physical location in which the record exists (Government Code § 7922.600).

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. 3. Substitute notice if the cost of providing notice would exceed \$250,000, the number of individuals exceeds 500,000 or the Office does not have sufficient contact information. Substitute notice shall consist of all of the following:
  - (a) Email notice when the Office has an email address for the subject person.
  - (b) Conspicuous posting of the notice on the office's webpage for a minimum of 30 days.

#### **807.10 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO CRITICAL INCIDENTS**

Video and audio recordings related to critical incidents shall be released upon a proper public record request and subject to delayed release, redaction, and other release restrictions as provided by law (Government Code § 7923.625).

For purposes of this section, a video or audio recording relates to a critical incident if it depicts an incident involving the discharge of a firearm at a person by a deputy, or depicts an incident in which the use of force by a deputy against a person resulted in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) (Government Code § 7923.625).

The Custodian of Records should work as appropriate with the Sheriff or the Internal Affairs Unit supervisor in determining what recordings may qualify for disclosure when a request for a recording is received and if the requested recording is subject to delay from disclosure, redaction, or other release restrictions.

##### **807.10.1 DELAY OF RELEASE**

Disclosure of critical incident recordings during active criminal or administrative investigations may be delayed as follows if disclosure would substantially interfere with the investigation, such as by endangering the safety of a witness or a confidential source:

- (a) Disclosure may be delayed up to 45 days from the date the Office knew or reasonably should have known about the incident.
- (b) Delay of disclosure may continue after the initial 45 days and up to one year if the Office demonstrates that disclosure would substantially interfere with the investigation.
- (c) Any delay of disclosure longer than one year must be supported by clear and convincing evidence that disclosure would substantially interfere with the investigation (Government Code § 7923.625).

##### **807.10.2 NOTICE OF DELAY OF RELEASE**

When there is justification to delay disclosure of a recording, the Custodian of Records shall provide written notice to the requester as follows (Government Code § 7923.625):

- (a) During the initial 45 days, the Custodian of Records shall provide the requester with written notice of the specific basis for the determination that disclosure would substantially interfere with the investigation. The notice shall also include the estimated date for the disclosure.
- (a) When delay is continued after the initial 45 days, the Custodian of Records shall promptly provide the requester with written notice of the specific basis for the determination that the interest in preventing interference with an active investigation outweighs the public interest in the disclosure, and the estimated date for the disclosure. The Custodian of Records should work with the Sheriff in reassessing the decision to continue withholding a recording and notify the requester every 30 days.

Recordings withheld shall be disclosed promptly when the specific basis for withholding the recording is resolved.

#### 807.10.3 REDACTION

If the Custodian of Records, in consultation with the Sheriff or the authorized designee, determines that specific portions of the recording may violate the reasonable expectation of privacy of a person depicted in the recording, the Office should use redaction technology to redact portions of recordings made available for release. The redaction should not interfere with the viewer's ability to fully, completely, and accurately comprehend the events captured in the recording, and the recording should not otherwise be edited or altered (Government Code § 7923.625).

If any portions of a recording are withheld to protect the reasonable expectation of privacy of a person depicted in the recording, the Custodian of Records shall provide in writing to the requester the specific basis for the expectation of privacy and the public interest served (Government Code § 7923.625).

#### 807.10.4 RECORDINGS WITHHELD FROM PUBLIC DISCLOSURE

If the reasonable expectation of privacy of a person depicted in the recording cannot adequately be protected through redaction, and that interest outweighs the public interest in disclosure, the Office may withhold the recording from the public, except that the recording, either redacted or unredacted, shall be disclosed promptly, upon request, to any of the following (Government Code § 6254(f)(4)):

- (a) The person in the recording whose privacy is to be protected, or his/her authorized representative.
- (b) If the person is a minor, the parent or legal guardian of the person whose privacy is to be protected.
- (c) If the person whose privacy is to be protected is deceased, an heir, beneficiary, designated immediate family member, or authorized legal representative of the deceased person whose privacy is to be protected.

If the Office determines that this disclosure would substantially interfere with an active criminal or administrative investigation, the Custodian of Records shall provide the requester with written

notice of the specific basis for the determination and the estimated date of disclosure (Government Code § 6254(f)(4)).

The Office may continue to delay release of the recording from the public for 45 days with extensions as provided in this policy (Government Code § 6254(f)(4)(A)).

## Protected Information

### 809.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the San Benito County Sheriff's Office. In cases where the transmission of protected information, such as Personally Identifiable Information, is necessary to accomplish a legitimate law enforcement purpose, and utilization of an encrypted radio channel is infeasible, a MDC or office-issued cellular telephone should be utilized when practicable. If neither are available, unencrypted radio transmissions shall be subject to the following:

- Elements of protected information should be broken up into multiple transmissions, to minimally separate an individual's combined last name and any identifying number associated with the individual, from either first name or first initial.
- Additional information regarding the individual, including date of birth, home address, or physical descriptors, should be relayed in separate transmissions.

Nothing in this policy is intended to prohibit broadcasting warrant information.

## Computers and Digital Evidence

### 811.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCD's) digital cameras, digital recorders and other electronic devices that are capable of storing digital information; and for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

### 811.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Deputies should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front and back, specifically including cable connections to other items. Look for a phone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation such as fingerprints, biological or trace evidence, and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
  1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
  2. Disconnect the power cable from the back of the computer box or if a portable notebook style, disconnect any power cable from the case and remove the battery).
- (e) Label each item with case number, evidence sheet number, and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, discs, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Lodge all computer items in the Property Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, deputies should document the following in related reports:
  1. Where the computer was located and whether or not it was in operation.
  2. Who was using it at the time.
  3. Who claimed ownership.

---

4. If it can be determined, how it was being used.
  - (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (hard drives, tape drives, and disk drives) should be seized along with all media. Accessories (printers, monitors, mouse, scanner, keyboard, cables, software and manuals) should not be seized unless as a precursor to forfeiture.

#### **811.2.1 BUSINESS OR NETWORKED COMPUTERS**

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Cases involving networks require specialized handling. Deputies should contact a certified forensic computer examiner for instructions or a response to the scene. It may be possible to perform an on-site inspection, or to image the hard drive only of the involved computer. This should only be done by someone specifically trained in processing computers for evidence.

#### **811.2.2 FORENSIC EXAMINATION OF COMPUTERS**

If an examination of the contents of the computer's hard drive, or floppy disks, compact discs, or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) Copy of report(s) involving the computer, including the Evidence/Property sheet.
- (b) Copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to investigation.
- (c) A listing of the items to search for (e.g., photographs, financial records, e-mail, documents).
- (d) An exact duplicate of the hard drive or disk will be made using a forensic computer and a forensic software program by someone trained in the examination of computer storage devices for evidence.

#### **811.3 SEIZING DIGITAL STORAGE MEDIA**

Digital storage media including hard drives, floppy discs, CD's, DVD's, tapes, memory cards, or flash memory devices should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation request the Property and Evidence Room to copy the contents to an appropriate form of storage media.
- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.

- (d) Do not leave storage media where they would be subject to excessive heat such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

#### **811.4 SEIZING PCDS**

Personal communication devices such as cell phones, PDAs or other hand-held devices connected to any communication network must be handled with care to preserve evidence that may be on the device including messages, stored data and/or images.

- (a) Deputies should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be placed in a solid metal container such as a paint can or in a faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead all the data may be lost.

#### **811.5 DIGITAL EVIDENCE RECORDED BY OFFICERS**

Deputies handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of such evidence.

##### **811.5.1 COLLECTION OF DIGITAL EVIDENCE**

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

##### **811.5.2 SUBMISSION OF DIGITAL MEDIA**

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (smart card, compact flash card or any other media) shall be brought to the Property and Evidence Room as soon as possible for submission into evidence.
- (b) Deputies are not authorized to review or copy memory cards. The evidence technicians are the only employees authorized to copy and/or distribute digital media made from the memory cards.
- (c) As soon as possible following the collection of evidence, the camera operator is to remove the memory card from their digital camera and place the card into a plastic

carrier. The card and carrier are then to be placed into a zip-lock type baggie. The camera operator shall write their name and the related case number on the outside of the baggie before placing in the film drop box along with the evidence form.

- (d) Evidence technicians will make a copy of the memory card using appropriate storage media. Once they have verified that the images properly transferred to the storage media, the technicians will erase the memory card for re-use. The storage media will be marked as the original.
- (e) Deputies requiring a copy of the digital files must request a copy on the evidence form when submitted to evidence.

#### 811.5.3 DOWNLOADING OF DIGITAL FILES

Digital information such as video or audio files recorded on devices using internal memory must be downloaded to storage media. The following procedures are to be followed:

- (a) Files should not be opened or reviewed prior to downloading and storage.
- (b) Where possible, the device should be connected to a computer and the files accessed directly from the computer directory or downloaded to a folder on the host computer for copying to the storage media.

#### 811.5.4 PRESERVATION OF DIGITAL EVIDENCE

- (a) Only evidence technicians are authorized to copy original digital media that is held as evidence. The original digital media shall remain in evidence and shall remain unaltered.
- (b) Digital images that are enhanced to provide a better quality photograph for identification and investigative purposes must only be made from a copy of the original media.
- (c) If any enhancement is done to the copy of the original, it shall be noted in the corresponding incident report.

All envelopes should clearly indicate the contents on the front. The office member sealing it should place the member's initials across the sealed flap. Should any money be withdrawn or added, the member making such change shall enter the amount below the original entry and initial it. The amount of money in the envelope should always be totaled and written on the outside of the envelope.

#### **900.5 STRIP SEARCHES**

### 1005.1 PURPOSE AND SCOPE

It is the policy of this office that all grievances be handled quickly and fairly without discrimination against employees who file a grievance whether or not there is a basis for the grievance. Our Office's philosophy is to promote a free verbal communication between employees and supervisors.

#### 1005.1.1 GRIEVANCE DEFINED

A grievance is any difference of opinion concerning terms or conditions of employment or the dispute involving the interpretation or application of any of the following documents by the person(s) affected:

- The employee bargaining agreement (Memorandum of Understanding)
- This Policy Manual
- County rules and regulations covering personnel practices or working conditions

Grievances may be brought by an individual affected employee or by a group representative.

Specifically outside the category of grievance are complaints related to allegations of discrimination or harassment subject to the Discriminatory Harassment Policy. Also outside the category of grievances are personnel complaints regarding any allegation of misconduct or improper job performance against any office employee that, if true, would constitute a violation of office policy, federal, state, or local law as set forth in the Personnel Complaint Policy.

### 1005.2 PROCEDURE

Except as otherwise required under a collective bargaining agreement, if an employee believes that he or she has a grievance as defined above, then that employee shall observe the following procedure:

- (a) Attempt to resolve the issue through informal discussion with immediate supervisor.
- (b) If after a reasonable amount of time, generally seven days, the grievance cannot be settled by the immediate supervisor, the employee may request an interview with the Sheriff or his designee of the affected division or bureau.

  - (d) What remedy or goal is being sought by this grievance.
- (e) The employee shall receive a copy of the acknowledgment signed by the supervisor including the date and time of receipt.
- (f) The Sheriff will receive the grievance in writing. The Sheriff and the County Administrator will review and analyze the facts or allegations and respond to the employee within 14 calendar days. The response will be in writing, and will affirm or deny the allegations. The response shall include any remedies if appropriate. The decision of the County Administrator is considered final.

#### **1005.3 EMPLOYEE REPRESENTATION**

#### **1005.4 GRIEVANCE RECORDS**

At the conclusion of the grievance process, all documents pertaining to the process shall be forwarded to Administration for inclusion into a secure file for all written grievances. A second copy of the written grievance will be maintained by the County Administrator's office to monitor the grievance process.

#### **1005.5 GRIEVANCE AUDITS**

The Training Sergeant shall record these findings in a confidential and generic memorandum to the Sheriff without including any identifying information from any individual grievance. If the audit identifies any recommended changes or content that may warrant a critical revision to this policy manual, the Training Sergeant should promptly notify the Sheriff.

## Anti-Retaliation

### 1007.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or memorandum of understanding.

### 1007.2 POLICY

The San Benito County Sheriff's Office has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. All complaints of retaliation will be taken seriously and will be promptly and appropriately investigated.

### 1007.3 RETALIATION PROHIBITED

No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Retaliation includes any adverse action or conduct, including but not limited to:

- Refusing to hire or denying a promotion.
- Extending the probationary period.
- Unjustified reassignment of duties or change of work schedule.
- Real or implied threats or other forms of intimidation to dissuade the reporting of wrongdoing or filing of a complaint, or as a consequence of having reported or participated in protected activity.
- Taking unwarranted disciplinary action.
- Spreading rumors about the person filing the complaint or about the alleged wrongdoing.
- Shunning or unreasonably avoiding a person because he/she has engaged in protected activity.

#### 1007.3.1 RETALIATION PROHIBITED FOR REPORTING VIOLATIONS

A deputy shall not be retaliated against for reporting a suspected violation of a law or regulation of another deputy to a supervisor or other person in the Office who has the authority to investigate the violation (Government Code § 7286(b)).

#### 1007.4 COMPLAINTS OF RETALIATION

Any member who feels he/she has been retaliated against in violation of this policy should promptly report the matter to any supervisor, command staff member, Sheriff or the County Personnel Director.

Members shall act in good faith, not engage in unwarranted reporting of trivial or minor deviations or transgressions, and make reasonable efforts to verify facts before making any complaint in order to avoid baseless allegations. Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.

#### 1007.5 SUPERVISOR RESPONSIBILITIES

Supervisors are expected to remain familiar with this policy and ensure that members under their command are aware of its provisions.

The responsibilities of supervisors include, but are not limited to:

- (b) Receiving all complaints in a fair and impartial manner.
- (c) Documenting the complaint and any steps taken to resolve the problem.

#### **1007.6 COMMAND STAFF RESPONSIBILITIES**

The Sheriff should communicate to all supervisors the prohibition against retaliation.

Command staff shall treat all complaints as serious matters and shall ensure that prompt actions take place, including but not limited to:

- (a) Communicating to all members the prohibition against retaliation.
- (b) The timely review of complaint investigations.
- (c) Remediation of any inappropriate conduct or condition and instituting measures to eliminate or minimize the likelihood of recurrence.

#### **1007.7 WHISTLE-BLOWING**

California law protects members who (Labor Code § 1102.5; Government Code § 53296 et seq.):

- (a) Report a violation of a state or federal statute or regulation to a government or law enforcement agency, including the member's supervisor or any other member with the authority to investigate the reported violation.

- (e) Are family members of a person who has engaged in any protected acts described above.

Members are encouraged to report any legal violations through the chain of command (Labor Code § 1102.5).

Members who believe they have been the subject of retaliation for engaging in such protected behaviors should promptly report it to a supervisor. Supervisors should refer the complaint to the Internal Affairs Unit for investigation pursuant to the Personnel Complaints Policy.

The policy should be reviewed with each new member.

All members should receive periodic refresher training on the requirements of this policy.

# Reporting of Arrests, Convictions, and Court Orders

## 1009.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the notification requirements and procedures that members must follow when certain arrests, convictions, and court orders restrict their ability to perform the official duties and responsibilities of the San Benito County Sheriff's Office. This policy will also describe the notification requirements and procedures that certain retired deputies must follow when an arrest, conviction, or court order disqualifies them from possessing a firearm.

## 1009.2 DOMESTIC VIOLENCE CONVICTIONS AND COURT ORDERS

Federal and California law prohibit individuals convicted of, or having an outstanding warrant for, certain offenses and individuals convicted of certain offenses and individuals subject to certain court orders from lawfully possessing firearms. Such convictions and court orders often involve allegations of the use or attempted use of force, or threatened use of a weapon on any individual in a domestic relationship (e.g., spouse, cohabitant, parent, child) (18 USC § 922; Penal Code § 29805).

All members and retired deputies with identification cards issued by the Office are responsible for ensuring that they have not been disqualified from possessing firearms by any such conviction or court order, and shall promptly report any such conviction or court order to a supervisor, as provided in this policy.

## 1009.3 OTHER CRIMINAL CONVICTIONS AND COURT ORDERS

Government Code § 1029 prohibits any person convicted of a felony from being a peace officer in the State of California. This prohibition applies regardless of whether the guilt was established by way of a verdict, guilty, or nolo contendere plea.

Convictions of certain violations of the Vehicle Code and other provisions of law may also place restrictions on a member's ability to fully perform the duties of the job.

Outstanding warrants as provided in Penal Code § 29805 also place restrictions on a member's ability to possess a firearm.

While legal restrictions may or may not be imposed by statute or by the courts upon conviction of any criminal offense, criminal conduct by members of this office may be inherently in conflict with law enforcement duties and the public trust, and shall be reported as provided in this policy.

## 1009.4 REPORTING

All members and all retired deputies with an identification card issued by the Office shall immediately notify their supervisors (retired deputies should immediately notify the Shift Sergeant or the Sheriff) in writing of any past or current criminal detention, arrest, charge, or conviction in any state or foreign country, regardless of whether or not the matter was dropped or rejected, is currently pending or is on appeal, and regardless of the penalty or sentence, if any.

### *Reporting of Arrests, Convictions, and Court Orders*

---

All members and all retired deputies with an identification card issued by the Office shall further promptly notify their supervisors (retired deputies should immediately notify the Shift Sergeant or the Sheriff) in writing if they become the subject of a domestic violence-related order or any court order that prevents the member or retired deputy from possessing a firearm or requires suspension or revocation of applicable POST certification.

Any member whose criminal arrest, conviction, or court order restricts or prohibits that member from fully and properly performing their duties, including carrying a firearm, may be disciplined. This includes but is not limited to being placed on administrative leave, reassignment, and/or termination. Any effort to remove such disqualification or restriction shall remain entirely the responsibility of the member, on the member's own time and expense.

Any member failing to provide prompt written notice pursuant to this policy shall be subject to discipline, up to and including termination.

Retired deputies may have their identification cards rescinded or modified, as may be appropriate (see the Retiree Concealed Firearms Policy).

#### 1009.4.1 NOTIFICATION REQUIREMENTS

The Administration Sheriff or his designee shall submit within 10 days of final disposition a notice to POST of a conviction or Government Code § 1029 reason that disqualifies any current peace officer employed by this office or any former peace officer if this office was responsible for the investigation (11 CCR 1003).

#### **1009.5 POLICY**

The San Benito County Sheriff's Office requires disclosure of member arrests, convictions, and certain court orders to maintain the high standards, ethics, and integrity in its workforce, and to ensure compatibility with the duties and responsibilities of the Office.

Possession, use, or being under the influence of medical cannabis on-duty is prohibited and may lead to disciplinary action.

### 1011.4 MEMBER RESPONSIBILITIES

Members shall report for work in an appropriate mental and physical condition. Members are prohibited from purchasing, manufacturing, distributing, dispensing, possessing or using controlled substances or alcohol on office premises or on office time (41 USC § 8103). The lawful possession or use of prescribed medications or over-the-counter remedies is excluded from this prohibition.

### 1013.3 USE OF SICK LEAVE

Sick leave is intended to be used for qualified absences. Sick leave is not considered vacation. Abuse of sick leave may result in discipline, denial of sick leave benefits, or both.

Employees on sick leave shall not engage in other employment or self-employment or participate in any sport, hobby, recreational activity or other activity that may impede recovery from the injury or illness (see Outside Employment Policy).

Qualified appointments should be scheduled during a member's non-working hours when it is reasonable to do so.

#### 1013.3.1 NOTIFICATION

When the necessity to be absent from work is foreseeable, such as planned medical appointments or treatments, the member shall, whenever possible and practicable, provide the Office with no less than 30 days' notice of the impending absence (Labor Code § 246).

Upon return to work, members are responsible for ensuring their time off was appropriately accounted for, and for completing and submitting the required documentation describing the type of time off used and the specific amount of time taken.

### 1013.4 EXTENDED ABSENCE

(See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

- (j) Disposing of biohazardous waste appropriately or labeling biohazardous material properly when it is stored.

#### 1015.4.2 IMMUNIZATIONS

Members who could be exposed to HBV due to their positions may receive the HBV vaccine and any routine booster at no cost (8 CCR 5193).

### **1015.5 POST EXPOSURE**

#### 1015.5.1 INITIAL POST-EXPOSURE STEPS

Members who experience an exposure or suspected exposure shall:

- (a) Begin decontamination procedures immediately (e.g., wash hands and any other skin with soap and water, flush mucous membranes with water).
- (b) Obtain medical attention as appropriate.
- (c) Notify a supervisor as soon as practicable.

#### 1015.5.2 REPORTING REQUIREMENTS

### *Communicable Diseases*

---

- (f) How the incident occurred or was caused
- (g) PPE in use at the time of the incident
- (h) Actions taken post-event (e.g., clean-up, notifications)

The supervisor shall advise the member that disclosing the identity and/or infectious status of a source to the public or to anyone who is not involved in the follow-up process is prohibited. The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply (see the Occupational Disease and Work-Related Injury Reporting Policy).

#### 1015.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Office members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (8 CCR 5193).

The ECO should request a written opinion/evaluation from the treating medical professional that contains only the following information:

- (a) Whether the member has been informed of the results of the evaluation.
- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the ECO.

#### 1015.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate (8 CCR 5193). Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Complying with the statutory scheme of Health and Safety Code § 121060. This includes seeking consent from the person who was the source of the exposure and seeking a court order if consent is not given.
- (c) Testing the exposed member for evidence of a communicable disease and seeking consent from the source individual to either access existing blood samples for testing or for the source to submit to testing (Health and Safety Code § 120262).
- (d) Taking reasonable steps to immediately contact the County Health Officer and provide preliminary information regarding the circumstances of the exposure and the status

of the involved individuals to determine whether the County Health Officer will order testing (Penal Code § 7510).

- (e) Under certain circumstances, a court may issue a search warrant for the purpose of HIV testing a person when the exposed member qualifies as a crime victim (Penal Code § 1524.1).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the County Counsel to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

#### **1015.6 CONFIDENTIALITY OF REPORTS**

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law). Test results from persons who may have been the source of an exposure are to be kept confidential as well.

- (b) Shall be provided whenever the member is assigned new tasks or procedures affecting his/her potential exposure to communicable disease.
- (c) Should provide guidance on what constitutes an exposure, what steps can be taken to avoid an exposure and what steps should be taken if a suspected exposure occurs.

Inquiries about conduct or performance that, if true, would not violate office policy or federal, state or local law, policy or rule may be handled informally by a supervisor and shall not be considered a personnel complaint. Such inquiries generally include clarification regarding policy, procedures or the response to specific incidents by the Office.

#### 1019.3.1 COMPLAINT CLASSIFICATIONS

Personnel complaints shall be classified in one of the following categories:

**Informal** - A matter in which the Shift Sergeant is satisfied that appropriate action has been taken by a supervisor of rank greater than the accused member.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Office should audit the log and send an audit report to the Sheriff or the authorized designee.

#### **1019.6 ADMINISTRATIVE INVESTIGATIONS**

Allegations of misconduct will be administratively investigated as follows.

##### **1019.6.1 SUPERVISOR RESPONSIBILITIES**

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Sheriff or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Sergeant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. - (b) Responding to all complainants in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.

1. A member should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Lybarger* advisement. Administrative investigators should consider the impact that compelling a statement from the member may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
2. No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
  - (h) The interviewer should record all interviews of members and witnesses. The member may also record the interview. If the member has been previously interviewed, a copy of that recorded interview shall be provided to the member prior to any subsequent interview.
  - (i) All members subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved members shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
  - (j) All members shall provide complete and truthful responses to questions posed during interviews.
  - (k) No member may be requested or compelled to submit to a polygraph examination, nor shall any refusal to submit to such examination be mentioned in any investigation (Government Code § 3307).

No investigation shall be undertaken against any deputy solely because the deputy has been placed on a prosecutor's *Brady* list or the name of the deputy may otherwise be subject to disclosure pursuant to *Brady v. Maryland*. However, an investigation may be based on the underlying acts or omissions for which the deputy has been placed on a *Brady* list or may otherwise be subject to disclosure pursuant to *Brady v. Maryland* (Government Code § 3305.5).

#### 1019.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

#### 1019.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

#### 1019.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation (Government Code § 3304).

In the event that an investigation cannot be completed within one year of discovery, the assigned investigator or supervisor shall ensure that an extension or delay is warranted within the exceptions set forth in Government Code § 3304(d) or Government Code § 3508.1.

#### 1019.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS

The member conducting the investigation should provide the complainant with periodic updates on the status of the investigation, as appropriate.

#### 1019.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

#### **1019.8 ADMINISTRATIVE LEAVE**

Any employee placed on administrative leave:

- (a) May be required to relinquish any office badge, identification, assigned weapons and any other office equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

#### **1019.9 CRIMINAL INVESTIGATION**

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Sheriff shall be notified as soon as practicable when a member is accused of criminal conduct. The Sheriff may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be advised of his/her constitutional rights (Government Code § 3303(h)). The member should not be administratively ordered to provide any information in the criminal investigation.

##### **1019.10.1 DIVISION COMMANDER RESPONSIBILITIES**

Upon receipt of any completed personnel investigation, the Sheriff or his designee of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

Once the Sheriff is satisfied that no further investigation or action is required by staff, the Sheriff shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Sheriff shall provide the member with a pre-disciplinary procedural due process hearing (*Skelly*) by providing written notice of the charges, proposed action and reasons for the proposed action. #### **1019.11 PRE-DISCIPLINE EMPLOYEE RESPONSE**

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Sheriff after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

#### **1019.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline (Penal Code § 13510.8).

#### **1019.13 POST-DISCIPLINE APPEAL RIGHTS**

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. The employee has the right to appeal using the procedures established by any collective bargaining agreement, Memorandum of Understanding and/or personnel rules.

In the event of punitive action against an employee covered by the POBR, the appeal process shall be in compliance with Government Code § 3304 and Government Code § 3304.5.

During any administrative appeal, evidence that a deputy has been placed on a *Brady* list or is otherwise subject to *Brady* restrictions may not be introduced unless the underlying allegations of misconduct have been independently established. At-will, probationary employees and those other than non-probationary employees subjected to discipline or termination as a result of allegations of misconduct shall not be deemed to have acquired a property interest in their position, but shall be given the opportunity to appear before the Sheriff or authorized designee for a non-evidentiary hearing for the sole purpose of attempting to clear their name or liberty interest. There shall be no further opportunity for appeal beyond the liberty interest hearing and the decision of the Sheriff shall be final.

## Seat Belts

### 1021.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in office vehicles (Vehicle Code § 27315.5).

#### 1021.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213.

### 1021.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this office while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained.

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

### 1021.3 TRANSPORTING PERSONS IN CUSTODY

Persons who are in custody should be in a seated position and secured in the rear seat of any office vehicle with a restraint system or, when a restraint system is not available, by seat belts provided by the vehicle manufacturer. The restraint system is not intended to be a substitute for handcuffs or other appendage restraints.

An incarcerated person in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

### 1021.4 INOPERABLE SEAT BELTS

Office vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Office vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Sheriff.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

### 1021.5 POLICY

It is the policy of the San Benito County Sheriff's Office that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

# San Benito County Sheriff's Office

---

#### **1021.6 TRANSPORTING CHILDREN**

Children under the age of 8 shall be transported in compliance with California's child restraint system requirements (Vehicle Code § 27360; Vehicle Code § 27363).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible. A child shall not be transported in a rear-facing child restraint system in the front seat in a vehicle that is equipped with an active frontal passenger airbag (Vehicle Code § 27363).

#### **1021.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

#### **1021.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

## Body Armor

### 1023.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

### 1023.2 POLICY

It is the policy of the San Benito County Sheriff's Office to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

### 1023.3 ISSUANCE OF BODY ARMOR

The Administration supervisor shall ensure that body armor is issued to all deputies when the deputy begins service at the San Benito County Sheriff's Office and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Administration supervisor shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

#### 1023.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Deputies shall only wear agency-approved body armor.
- (b) Deputies shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Deputies may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when a deputy is working in uniform or taking part in Department range training.
- (e) A deputy may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

#### 1023.3.2 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

#### 1023.3.3 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

#### **1023.4 RANGEMASTER RESPONSIBILITIES**

The Rangemaster should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates deputies about the safety benefits of wearing body armor.

### *Personnel Records*

---

The Custodian of Records should work as appropriate with the Sheriff or the Internal Affairs Unit supervisor in determining what records may qualify for disclosure when a request for records is received and if the requested record is subject to redaction or delay from disclosure.

For purposes of this section, a record includes (Penal Code § 832.7(b)(3)):

- All investigation reports.
- Photographic, audio, and video evidence.
- Transcripts or recordings of interviews.
- Autopsy reports.
- All materials compiled and presented for review to the District Attorney or to any person or body charged with determining whether to file criminal charges against a deputy in connection with an incident, whether the deputy's action was consistent with law and office policy for purposes of discipline or administrative action, or what discipline to impose or corrective action to take.
- Documents setting forth findings or recommending findings.
- Copies of disciplinary records relating to the incident, including any letters of intent to impose discipline, any documents reflecting modifications of discipline due to the *Skelly* or grievance process, and letters indicating final imposition of discipline or other documentation reflecting implementation of corrective action.

Unless a record or information is confidential or qualifies for delayed disclosure as provided by Penal Code § 832.7(b)(8) or other law, the following records (hereinafter qualifying records) shall be made available for public inspection no later than 45 days from the date of a request (Penal Code § 832.7(b)(1)):

- (a) Records relating to the report, investigation, or findings of:
  1. The discharge of a firearm at another person by a deputy.
  2. The use of force against a person resulting in death or in great bodily injury (as defined by Penal Code § 243(f)(4)) by a deputy.
  3. A sustained finding involving a complaint that alleges unreasonable or excessive force.
  4. A sustained finding that a deputy failed to intervene against another deputy using force that is clearly unreasonable or excessive.
- (b) Records relating to an incident where a sustained finding was made by the Office or oversight agency regarding:
  1. A deputy engaged in sexual assault of a member of the public (as defined by Penal Code § 832.7(b)).
  2. Dishonesty of a deputy relating to the reporting, investigation, or prosecution of a crime, or directly relating to the reporting of, or investigation of misconduct by, another deputy, including but not limited to any false statements, filing false reports, destruction, falsifying, or concealing of evidence, or perjury.

3. A deputy engaged in conduct including but not limited to verbal statements, writings, online posts, recordings, and gestures involving prejudice or discrimination against a person on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status.
4. A deputy made an unlawful arrest or conducted an unlawful search.

Qualifying records will be made available regardless of whether the deputy resigns before the Office or an oversight agency concludes its investigation (Penal Code § 832.7(b)(3)).

A record from a separate and prior investigation or assessment of a separate incident shall not be released unless it is independently subject to disclosure (Penal Code § 832.7(b)(4)).

When an investigation involves multiple deputies, the Office shall not release information about allegations of misconduct or the analysis or disposition of an investigation of a deputy unless it relates to a sustained finding of a qualified allegation as provided by Penal Code § 832.7(b)(5). However, factual information about the action of the deputy during an incident or the statements of a deputy shall be released if the statements are relevant to a finding of the qualified allegation against another deputy that is subject to release (Penal Code § 832.7(b)(5)).

#### 1025.11.1 REDACTION

The Custodian of Records, in consultation with the Sheriff or authorized designee, shall redact the following portions of qualifying records made available for release (Penal Code § 832.7(b)(6)):

- (a) Personal data or information (e.g., home address, telephone number, identities of family members) other than the names and work-related information of deputies
- (b) Information that would compromise the anonymity of whistleblowers, complainants, victims, and witnesses
- (c) Confidential medical, financial, or other information where disclosure is prohibited by federal law or would cause an unwarranted invasion of personal privacy that clearly outweighs the strong public interest in records about possible misconduct and use of force
- (d) Where there is a specific, articulable, and particularized reason to believe that disclosure of the record would pose a significant danger to the physical safety of the deputy or another person

Additionally, a record may be redacted, including redacting personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosing it (Penal Code § 832.7(b)(7)).

#### 1025.11.2 DELAY OF RELEASE

Unless otherwise directed by the Sheriff, the Custodian of Records should consult with a supervisor familiar with the underlying investigation to determine whether to delay disclosure of qualifying records due to any of the following conditions (Penal Code § 832.7):

# San Benito County Sheriff's Office

## San Benito County SO Policy Manual

### *Personnel Records*

---

- (a) Active criminal investigations
  - 1. Disclosure may be delayed 60 days from the date the misconduct or use of force occurred or until the District Attorney determines whether to file criminal charges, whichever occurs sooner.
  - 2. After the initial 60 days, delay of disclosure may be continued if the disclosure could reasonably be expected to interfere with a criminal enforcement proceeding against a deputy or against someone other than a deputy who engaged in misconduct or used the force.
- (b) Filed criminal charges
  - 1. When charges are filed related to an incident in which misconduct occurred or force was used, disclosure may be delayed until a verdict on those charges is returned at trial or, if a plea of guilty or no contest is entered, the time to withdraw the plea has passed.
- (c) Administrative investigations
  - 1. Disclosure may be delayed until:
    - (a) There is a determination from the investigation whether the misconduct or use of force violated law or office policy, but no longer than 180 days after the date of the office's discovery of the misconduct or use of force or allegation of misconduct or use of force

#### 1025.11.3 NOTICE OF DELAY OF RECORDS

When there is justification for delay of disclosure of qualifying records, the Custodian of Records shall provide written notice of the reason for any delay to a requester as follows (Penal Code § 832.7):

- (a) Provide the specific basis for the determination that the interest in delaying disclosure clearly outweighs the public interest in disclosure. The notice shall also include the estimated date for the disclosure of the withheld information.
- (b) When delay is continued beyond the initial 60 days because of criminal enforcement proceedings against anyone, at 180-day intervals provide the specific basis that disclosure could reasonably be expected to interfere with a criminal enforcement proceeding and the estimated date for disclosure.
  - 1. Information withheld shall be disclosed when the specific basis for withholding the information is resolved, the investigation or proceeding is no longer active, or no later than 18 months after the date of the incident, whichever occurs sooner, unless:
    - (a) When the criminal proceeding is against someone other than a deputy and there are extraordinary circumstances to warrant a continued delay due to the ongoing criminal investigation or proceeding, then the Office must show by clear and convincing evidence that the interest in preventing prejudice to the active and ongoing criminal investigation or proceeding outweighs the public interest for prompt disclosure of records about misconduct or use of force by deputies.

## Lactation Breaks

### 1032.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members (Labor Code § 1034).

### 1032.2 POLICY

It is the policy of the San Benito County Sheriff's Office to provide, in compliance with federal and state law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030).

### 1032.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1030). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid (Labor Code § 1030).

Members desiring to take a lactation break shall notify the dispatcher or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt office operations (Labor Code § 1032).

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1032.4 PRIVATE LOCATION

The Office will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. The location must be shielded from view, free from intrusion from coworkers and the public, and otherwise satisfy the requirements of federal and state law (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; Labor Code § 1031).

Members occupying such private areas shall either secure the door or otherwise make it clear to others that the area is occupied with a need for privacy. All other members should avoid interrupting a member during an authorized break, except to announce an emergency or other urgent circumstance.

### *Lactation Breaks*

---

Authorized lactation breaks for members assigned to the field may be taken at the nearest appropriate private area.

#### **1032.5 STORAGE OF EXPRESSED MILK**

Any member storing expressed milk in any authorized refrigerated area within the Office shall clearly label it as such and shall remove it when the member's shift ends.

##### **1032.5.1 STATE REQUIREMENTS**

Members have the right to request lactation accommodations. If a break time or location accommodation cannot be provided, the supervisor shall provide the member with a written response regarding the reasons for the determination (Labor Code § 1034).

Lactation rooms or other locations should comply with the prescribed feature and access requirements of Labor Code § 1031.

Members who believe that their rights have been violated under this policy or have been the subject of discrimination or retaliation for exercising or attempting to exercise their rights under this policy, are encouraged to follow the chain of command in reporting a violation, but may also file a complaint directly with the Labor Commissioner (Labor Code § 1033).

## Payroll Records

### 1033.1 PURPOSE AND SCOPE

Payroll records are submitted to Administration on a bi-weekly basis for the payment of wages.

#### 1033.1.1 RESPONSIBILITY FOR COMPLETION OF PAYROLL RECORDS

Employees are responsible for the accurate and timely submission of payroll records for the payment of wages.

#### 1033.1.2 TIME REQUIREMENTS

All employees are paid on a bi-weekly basis usually on Friday with certain exceptions such as holidays. Payroll records shall be completed and submitted to Administration no later than 8:00 a.m. on the Wednesday morning before the end of the pay period, unless specified otherwise.

## Overtime Compensation Requests

### 1035.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the Memorandum of Understanding (MOU), or by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit a Request for Overtime Payment as soon as practical after overtime is worked.

#### 1035.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work overtime shall be approved in advance by a supervisor. If circumstances do not permit prior approval, then approval shall be sought as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete a form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment, however, the employee may not exceed 480 hours of compensatory time.

### 1035.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division.

Failure to submit a request for overtime compensation in a timely manner may result in discipline.

#### 1035.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and turn them in to their immediate supervisor or the Shift Sergeant. Employees submitting overtime cards for on-call pay when off duty shall submit cards to the Shift Sergeant the first day after returning for work.

#### 1035.2.2 SUPERVISORS RESPONSIBILITY

The supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

After the entry has been made on the employee's time card, the overtime payment request form is forwarded to the employee's Sheriff or his designee for final approval.

#### 1035.2.3 SHERIFF OR HIS DESIGNEES RESPONSIBILITY

Sheriff or his designees, after approving payment, will then forward the form to the Sheriff for review.

#### **1035.3 ACCOUNTING FOR OVERTIME WORKED**

Employees are to record the actual time worked in an overtime status. In some cases, the Memorandum of Understanding provides that a minimum number of hours will be paid, (e.g., two hours for Court, four hours for outside overtime). The supervisor will enter the actual time worked.

##### 1035.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR

When accounting for less than a full hour, time worked shall be rounded up to the nearest quarter of an hour as indicated by the following chart:

<u>TIME WORKED</u>	<u>INDICATE ON CARD</u>
1 to 15 minutes	.25
16 to 30 minutes	.50
31 to 45 minutes	.75
46 to 60 minutes	1 hour

##### 1035.3.2 VARIATION IN TIME REPORTED

Where two or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other deputy, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation on the back of the overtime payment request.

## Outside Employment

### 1037.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Sheriff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Sheriff in accordance with the provisions of this policy.

#### 1037.1.1 DEFINITIONS

**Outside Employment** - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

### 1037.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Sheriff. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Sheriff for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial (Penal Code § 70(e)(3)).

#### 1037.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Sheriff within ten days of the date of denial.

- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subject to similar restrictions as those applicable to the employee's full time duties until the employee has returned to a full duty status

Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to the Revocation/Suspension of Outside Employment Permits section of this policy.

The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Sheriff whether such outside employment should continue.

In the event the Sheriff determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

# Employee Speech, Expression and Social Networking

## 1055.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Office.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or deputy associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

### 1055.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video, and other file-sharing sites.

## 1055.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this office. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this office be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the San Benito County Sheriff's Office will carefully balance the individual employee's rights against the Office's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

## 1055.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of the San Benito County Sheriff's Office employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any employee, an employee's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

## Line-of-Duty Deaths

### 1058.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the San Benito County Sheriff's Office in the event of the death of a member occurring in the line of duty and to direct the Office in providing proper support for the member's survivors.

The Sheriff may also apply some or all of this policy for a non-line-of-duty member death, or in situations where members are injured in the line of duty and the injuries are life-threatening.

#### 1058.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of a deputy during the course of performing law enforcement-related functions while on- or off-duty, or a civilian member during the course of performing assigned duties.

For a deputy, a line-of-duty death includes death that is the direct and proximate result of a personal injury sustained in the line of duty (34 USC § 10281).

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin, or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

### 1058.2 POLICY

It is the policy of the San Benito County Sheriff's Office to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this office to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

### 1058.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Shift Sergeant and the Communications Center.
  1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.

- (c) If the member has been transported to the hospital, the Shift Sergeant or the authorized designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.
- (d) The Sheriff or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Office Liaison as soon as practicable (see the Notifying Survivors section and the Office Liaison and Hospital Liaison subsections in this policy).

#### **1058.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Sheriff or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Sheriff, Shift Sergeant, or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Office chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity, and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in office vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital. Notifying members should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities, and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
