El Cerro Annexation to City of Hollister – LAFCO 502 A
Results of Protect Hearing

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission receive this report.

DISCUSSION

The El Cerro Annexation to the City of Hollister was initiated by the City on June 1, 2015 and approved by the Commission on December 3, 2015.

It was necessary to notice and conduct a protest hearing following LAFCO's approval since the Commission did not receive written consent of all affected landowners. The Commission has delegated to its staff the responsibility to conduct such protest hearings.

The staff conducted the required protest hearing on Thursday, January 28 in the Board of Supervisors chambers. Written protests calculated after the hearing was closed are not sufficient to require a protest hearing be conducted to confirm the annexation.

The annexation was recorded and the property is within the City as of February 3.

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
