**Please note recycling services are subject to change.
It is recommended to call ahead before delivering recycling items to a
collection facility.**

Resources

Garbage, Recycling, & Yard Waste Service for Residents & Businesses: Free recycling services are available from Recology San Benito County at 831-636-7500.

Which Recycling Bin? For details on what items go in each curbside cart, visit:
<https://www.recology.com/recology-san-benito-county/what-bin/>

Construction & Demolition (C&D) Recycling Guide: Access San Benito County's Construction and Demolition Recycling Guide at www.cosb.us/IWM

Helpful Curbside Recycling Hints

- ✓ **Save \$! The cost of recycling is included in your garbage rate. Downsize your garbage cart and increase your recycling to reduce your service rates!**
- ✓ Check Recycling Guide and facility websites to see if your items are recyclable
- ✓ Flatten boxes to conserve space in your blue recycling cart
- ✓ Don't bag recyclables, place loose in your blue recycling cart
- ✓ Remove food residue, scrape out & rinse containers. Caps and lids are recyclable
- ✓ Additional residential blue recycling carts available for a fee
- ✓ Holiday tree recycling available after Christmas each year. Remove tinsel, lights, decorations and stand. Cut tree to 3-foot lengths and place curbside.
- ✓ For more questions call San Benito County Integrated Waste Management Department at 831-636-4110 or email sbcium@cosb.us

Donations & Re-use

Re-use Helpful Hints

The most effective way to reduce your waste is to avoid creating waste from the start.

Manufacturing new products utilizes valuable resources. The raw materials must be mined from the earth, and lots of energy is expended to create and distribute the product.

Consider employing the following tips to reduce waste, mitigate greenhouse gas emissions, conserve resources, and save \$!

- ✓ **Buy Used. Shop at any of the below Donation locations before heading to a retail store.**
- ✓ **Choose products that use less packaging. Manufacturers using less packaging use fewer raw materials, this reduces waste and costs. Often, these extra savings can be passed along to you, the consumer!**
- ✓ **Utilize reusable rather than disposable items, for example, consider bringing your own silverware to work, rather than using disposable ones.**
- ✓ **If purchasing a new item, consider investing in a quality, durable product that can be used for years, rather than a cheap disposable version that will need to be replaced more often.**
- ✓ **Maintain and repair items, rather than replacing them**
- ✓ **Borrow, rent, or share items that are used infrequently, like costumes, tools, and event furniture.**

Donations

Consider donating usable items in good condition to the below charities. Tax benefits may be available.
