County of San Benito

Operational Area Emergency Operations Center

Emergency Operations Center Management and Operations (G775)

EOC Management and Operations (G775):

This course focuses on managing and operating an Emergency Operations Center (EOC). Content includes Multiagency Coordination, EOC design, how to staff, activate and deactivate an EOC.

Topics Include:

- Multiagency Coordination Systems (MACS) and where EOCs fit into MACS per NIMS
- Factors to consider when staffing the EOC/DOC and ways to organize staff
- NIMS requirements for interoperable and redundant communications
- EOC information needs and equipment to support those needs
- Analyze current EOC functions and alternate EOCs
- Processes to activate and deactivate the EOC
- ICS/EOC interface
- Training and exercising EOC personnel

Course Length: 16 Hours
Course Code: G775

About SBC EOC Training & Exercise Program

The San Benito County Emergency Operations Center Training and Exercise Program was developed to bring opportunities to the Operational Area that thus far have not existed. Using California Office of Emergency Services' (Cal OES) California Specialized Training Institute (CSTI) approved instructors; students will receive the same training and certification that they would receive at the CSTI campus, without the tuition, or any travel expenses.

Courses are focused on providing training to Emergency Operations Center (EOC) and field personnel on topic ranging from introduction to emergency management to operating an EOC.
