Contract with County for Mapping Services

Dear Members of the Commission:

RECOMMENDATION

It is recommended this item be continued to the August 28 Commission meeting.

DISCUSSION

The budget for this fiscal year adopted by the Commission on May 22 includes funding to be used to help create and maintain boundary maps of cities and special districts.

The staff drafted an agreement between the Commission and Board of Supervisors and submitted it to the County staff for review. We have not received responses to the draft agreement and rather than present it on the agenda without comments from the County we are recommending this matter be continued for one month.

Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
